## OFFICE BEARERS 2020

President – Greg Dawes

Vice President – Anthony Panetta

Treasurer – Kathy Cain

Secretary – Glen Rider

National Target Director – Steve Chilton

H&H Director – vacant

National Coaching Director – Mike Gates

National Team Manager – Wendel Litchfield

Disability Officer – Vacant

Public Officer – Greg Dawes

SCA Representatives to FITASC

Ray McFarlane – Oceania Vice President

Glen Rider – Sporting – Commission Parours de Chasse

Board members to Shooting Australia Greg Dawes and Glen Rider

## FROM THE PRESIDENT

I would like to take this opportunity on behalf of SCA to thank all the state and club office bearers, committees and volunteers that have worked so hard this year to keep your shooting ranges open. Your efforts have allowed members to shoot and feel safe by embracing the Covid-19 protocols for community sport. This year has seen all but one major event cancelled, Steve Chilton the National Target Director and his team of State Target Directors have had to make many tough decisions throughout the year. Their decision on the national team 2020/21 is included in the article Australian Team on page 2, the executive thank them for their efforts, in all cases I believe the outcomes they have arrived at are correct. International Travel including New Zealand is very much an unknown for 2021 with the vaccine roll out for Australia some time away it appears very unlikely we will be attending any events outside of Australia, this will become clearer around March or April.

The AGM for SCA was postponed in line with government covid exemptions, the meeting is now scheduled for 23rd January 2021 and will be in Sydney this year as NSW have shown over the last period of time they are less likely to impose covid shutdowns or restrictions that would be an impost on running the AGM. SCA will be looking for a new Treasurer in 2021, Kathy Cain will not be standing for the position. SCA would like to thank Kathy for the fantastic job she has done over the last 6 years we cannot understate the professionalism Kathy has embedded in the association, Kathy will be very hard to replace. A position description has been provided to all state bodies, this outlines the requirements of the role.

National events 2021 have been listed and posted, the decision was made in consultation with States and host clubs to roll 2020 events into 2021 this will give the hosting clubs the opportunity to recoup some of the expenses incurred in 2020. Nominations will not open until January 2021 with the first event being the Grand Prix which is at Rocky Gully South Australia 27-28th March.

It has been a privilege to serve as the National President of our great association in what has been a challenging year at times, I hope I have provided the direction required and look forward to seeing you at one of the major events next year.

Stay safe and have a great Christmas and New Year.

Greg Dawes,  
SCA President

## SCA RULES CORNER

There have been a few questions raised regarding No Target rules and how they are scored and it may be time for a reminder. I know most are aware but some have been questioned on how to score targets if there is a problem, if one or both are a no target, or with a gun malfunction. The rules are available on the SCA Website for instant review & it is not necessary to have a hard copy as most people have mobile phone access these days. A small issue if the Club does not have mobile access, with this we cannot assist.

Website information link –

[www.sportingclaysaustralia.com.au/wp-content/uploads/2019/11/sca-sporting-rules\\_november-2019.pdf](http://www.sportingclaysaustralia.com.au/wp-content/uploads/2019/11/sca-sporting-rules_november-2019.pdf)

### CHAPTER 6 – TARGET REFEREEING 6.1

Referees make their decisions alone.

6.2 Squad shooters are not entitled to intervene or express their opinions on target rulings.

6.3 The target is called “one”: When it has been launched and the shooter has fired at it in accordance with article 3.1 and at least one piece is visibly shot off or it is completely or partially destroyed. This also applies to flash targets. Sporting Rules – November 2019 Page 7

6.4 The target is called “zero”: If the shooter fails to fire at the target without any valid reason (Rafale or simultaneous double zero & zero). If the shooter fires but the target is not hit and no piece visibly comes off or only particles of dust are visible (smoking targets or target dust). If the shooter, in the case of a gun malfunction, opens the gun him/herself or touches the safety catch before the referee has checked the gun. If there is a second malfunction of the gun or ammunition during the same round.

## 6.5 "NO TARGET"

6.5.1 "NO TARGET" due to a weapon or ammunition malfunction the table below applies in the case of the first incident in the same round. The shooter receives a warning for the first incident and the target is called "NO TARGET". After the first incident, all targets not shot at for the same reasons as the first incident are counted as "zero".

Defect	Type	Action
Two Shots at the same time (double discharge)	At a single target	<< No Target >> target to be repeated
	At the first target of a double on report	<< No Target >> double to be repeated
	At a simultaneous double	<< No Target >> double to be repeated
	At a rafale double	<< No Target >> double to be repeated
Malfunction with the first shot	At a single target	<< No Target >> target to be repeated
	At a double on report	<< No Target >> double to be repeated
	At a simultaneous double	<< No Target >> double to be repeated
	At a rafale double	<< No Target >> double to be repeated
Malfunction with the second shot	At a single target	<< No Target >> target to be repeated the target can be broken only with the second shot and is counted zero if broken with the first shot.
	At a double on report	<< No Target >> double to be repeated. Result of the first shot noted.
	At a simultaneous double	<< No Target >> double to be repeated
	At a rafale double	<< No Target >> double to be repeated

**Footnote** - Be very careful when using the above rule on "no bird for the first target after both Targets have been shot at". It is not very pretty to see this rule called & give an advantage to a friend, more so when a competitor has missed both targets. It does happen & it is not a good look when your peers see this happen. Rules are there to apply equality & fairness to all in our sport.

6.5.2 «NO TARGET» due to the target (see table in the SCA rules for the following cases):

- if a broken target is thrown;
- if the target is not thrown from the correct trap;
- if two targets are launched from traps on the same shooting stand;
- if the target is not of the correct colour, size or type;
- if the trajectory is ruled incorrect by the referee;
- if the target is thrown more than three seconds after the referee's command;
- if the shooter has not called for the target;
- if the referee rules that the shooter has clearly been disturbed;
- if the referee is unable to give a ruling on the target.

Also be reminded that in a Double on report, until the score on the first target is established you cannot score the second target. Why? I can hear some ask? well this may assist.

The first target in a Double is released on call. The shooter engages, breaks (or misses) & the second target is released on the sound of the shot. The shooter engages this second target & hits (or misses). The referee then indicates after reflection, that the first target was a "no bird". In this instance there can be no score recorded on the second target.

In this instance the call would have to be "no score recorded on either target", repeat both targets again with the score to be recorded on these new targets (Hit or miss). This is why it is very important for any referee to make sure they call "No birds" instantly as a delayed call could result in a detriment, or benefit, to one competitor or another.

# SPORTING CLAYS AUSTRALIA NATIONAL TEAM

Sporting Clays Australia National Team to FITASC World Championships – Hungary 2021

Well, the year 2020 cannot go to the post fast enough. Under the Covid-19 issues, with focus on it's effects for us in Australia regarding our sport for this year.

There have been a few issues to address regarding the SCA National Team for 2020 & following on into 2021. As we are all aware, the Covid-19 outbreak caused the world to lock down & all International travel was stopped. This issue came in to play after the FITASC 2020 Australian Grand Prix had been completed. This event was the final competition to select our National Team to attend the FITASC 2020 World Championships destined for the USA. Unfortunately, with the World going into lock down our team selected were unable to travel or compete.

The knock-on effect of the Covid-19 shut down also had problems in Australia with the cancellation of the SCA Nationals and many of our State Team selections. As most members are aware our team for 2021 would be selected from the 2020 State qualifier Competitions, 2020 SCA National Titles & the 2021 FITASC Grand Prix. Most States had problems completing their designated State qualifier competitions in 2020.

SCA 2020 Sporting Nationals in Brisbane had to be cancelled. This caused a negative strike rate out of two of the three selection processes which would make it impossible to select a team under our present structure for 2021. It would also be extremely unfair on our 2020 team that had put so much effort into making the 2020 team. There were many new faces in the 2020 team & we can only imagine the disappointment, that through no fault of anyone in our sport, their achievement was not allowed travel through to fruition & for them to be able to represent SCA & Australia at the 2020 USA World Championships.

The SCA National Target Director (Steve Chilton) sent out communication to all State Target Directors to resolve the issue of not only the 2020 Team, but the selection of the 2021 Team. Many scenarios were discussed & the only fair & amicable solution that came out of the round table discussion was to accept that the 2020 selected team to be representative for the SCA National 2021 Team for Hungary.

This decision was not taken lightly, but under the selection regulations we have in place these are the only competitors to have completed a selection process that allows any selection to be made. The only issue we have is with one Junior (Daniel Falco) who unfortunately by his age limit will be over 21 during 2021 and puts him out of the Junior category. The third Junior will have to be selected from those next on the list of 2020 able competitors.

The 2021 National team to represent SCA & Australia at the World FITASC Championship – Hungary

**Open** - Chris Brown - Anthony Panetta - Matthew Libbis - Cameron Kivinen

**Senior** - John Younger - Colin Johns - John Leach

**Veteran** - Colin McPherson - Edward McGee - Warwick Cumberland

**Ladies** - Emalene Munro - Shannon Palfreeman - Gaye Shale

**Junior** - Xavier Russell - Benjamin Studham - 3rd member ???

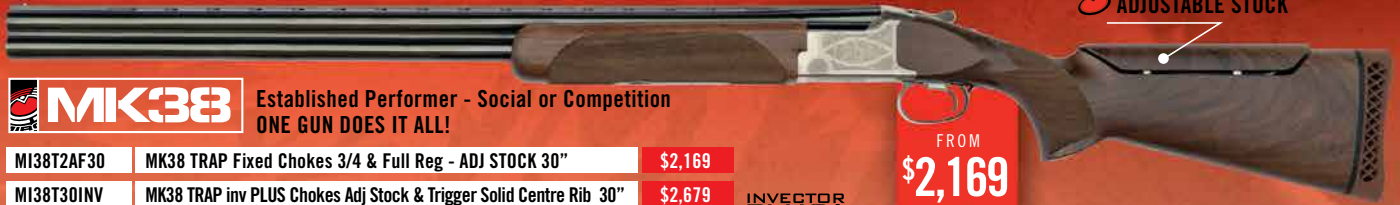

That said, any travel in 2021 will be subject to any applicable constraints laid down by respective Governments & any travel restrictions still in place. Hopefully this is not the case and we are all able to travel freely in 2021.

## REPORT FOR OCTOBER & NOVEMBER.

Since the last edition things have improved with the Covid situation. In August and September although we were managing to run club shoots in NSW the State program was hamstrung with serious limitations being applied to "interzone" competitions and 2-day shoots were not permitted.

At the beginning of October these restraints were eased, and we were back in business, although rapidly running out of time. With 3 Selection shoots completed earlier in the year and six required, plus the State Championships it appeared we not going to be able to get the program across the line.

With some wheeling and dealing and lots of work from the committee behind the scenes it was decided to run a selection shoot at Mudgee in October and a combined selection shoot / State championship at Dubbo on the 14th and 15th of November. Thanks to Mudgee and Dubbo for their help with these shoots. Dubbo especially as the shoot was hosted mid harvest which really stretched the resources and membership of the club.

The result however was worth the struggle. The NSW state team may not have a nationals to attend but am glad that we made the effort to finish off the program.

SCNSW TEAM FOR 2020			
Open	Senior	Lady	Junior
Bart Brighenti (State Champion)	Stephen Payne	Emalene Munroe	Jack Roth
Warren Thorpe			
Brian McClelland			
Darren Sasse			

The other shoot that we managed to squeeze in was the SCNSW Old Style Fitasco Championship in Sydney on the last weekend in October. The event was booked out weeks in advance. Thanks to Paul and his team for their efforts a great couple of days even with the hail.

Next years State Calendar has been formalised and we are looking forward to an uninterrupted year of shooting in 2021 (touch wood.)

Stay safe and stay well

Andrew Fairfield-Smith

President SCNSW

## N.S.W STATE CHAMPIONSHIP

Dubbo Field & Game hosted the NSW State Championships on Sunday 15th November 2020.

Coming off the State Selection #5 shoot the day before, range setter Peter Kay thought he would up the stakes. He tweaked, twisted, turned the traps and a new range was delivered. The temperature picked up and there were a few shooters that started to struggle with the heat. But everyone still put those shells in their barrels and had a crack to see if they could take home the sash and the bragging rights because unfortunately the state team could go no further. Over the weekend Dubbo played host to shooters from nine other clubs, which in amongst all that is happening in the country was great to see so many travel to our little neck of the woods.

Thank you goes to Clay Busting Photos for all her hard work over the weekend making us shooters look good!

Make sure you check them out.

Adrian Hayes Memorial Overall went to Mudgee.

# SPORTING CLAYS N.S.W SYDNEY

ASC will probably have completed our last calendar shoots for 2020 by the time you read this and what a year it has been for everyone. We started the year literally on fire in NSW Sydney and also held some great shoots with growing numbers then boom - Covid hit. Luckily for our members Sydney's lockdown was the first to be lifted and we were able to get straight back into shooting. Special thanks to Allan for his work deciphering the COVID-19 guidelines and getting us back underway so quickly. Bloody amazing all the members followed the guidelines and they were just happy to get out and shoot some clays. So, thanks everyone.

We did miss our May selection but that's life there's always next year.

As with all clubs we could not have made it through 2020 with out our dedicated committee members who still kept on working through the shutdown. Special thanks to Allan, Tom and the rest of the range crew who keep on working all year servicing equipment, cleaning stands making new trap signs (Colin) and anything else that need doing not knowing when or if we would open again. Our office and canteen also got smashed when shooting resumed, with big numbers every shoot since the restart so thanks Barb, Dana and Tony.

We did manage to hold our old style FITASC championship in the last weekend of September, this event was sold out in weeks showing the pre-noms system is the way to go. It was that successful we even added an extra shooter to each squad! (That won't happen next year) so get in quick in 2021.

Thanks to our sponsors for 2020, in a year when every business suffered our sponsors stood firm and supported our sport so thanks to Gary from Safari Firearms, John from Horsley Park Gun Shop, SCNSW and all our stand sponsors.

We have a packed calendar for 2021 already with a Sate Selection in May and the Old Style again later in the year along with shooting almost every weekend.

I hope everyone has a great Christmas and new year and we see you all at Australian Sporting Clays Sydney next year.

ASC Sydney has had the privilege to have Mr Nick Malanos as a member for many years yet due to a long and tough fight with illness Nick has been taken from us. We would like to thank Nick's friends and family for letting us have so much of his time at our club doing what he loved, being with his mates , having a laugh and busting some clays. RIP Nick Malanos.

Regards

ASC President

Paul Smidt

# DUBBO FIELD & GAME

## MCGRATH FOUNDATION PINK SHOOT

Sunday 18th October saw the annual Pink Shoot hosted by the Wyanna Partnership. Each year shooters from all round don their pink to raise awareness and much needed funds for the McGrath Foundation.

Glenn McGrath made the trek out to the range, speaking about the insight of the McGrath Foundation, talking with everyone along with signing quite a few autographs.

Paula, Ken, Chris and Tony and their band of merry helpers set an awesome range. Some say a challenging one but all targets were out there to be hit. The "Get in the box rabbit" had a few shooters picking up their gun swing speed still only to watch that rascally rabbit keep on rolling!

With \$3390 being raised by donations, raffles, auction and fines, this money will be put to great use by the McGrath Foundation to help fund much needed resources for those affected by breast cancer.

On the day there was a sea of pink spread out over the range with shooters sporting a spot of pink, with some a whole lot more! I think a few wives wardrobes got raided.

Secret Stand winner - Peter Kay

Best Dressed Award - donated by Amelia Murray which was a patchwork quilt that she had made herself just for the shoot was judged by Glenn McGrath & Amelia went to

1st Mel Phillips (because she shot in a tutu & cape)

2nd Brett Hall.

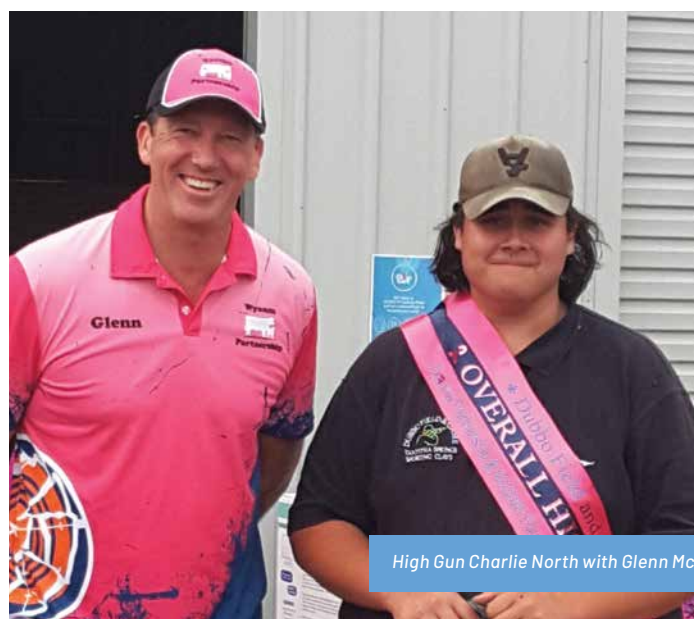

There was an auction held for donated goods by Auctioneer Extraordinaire Brett Hall and his lovely assistant Glen Bloink, items included fans, market umbrella, tent, 10 x bales of freshly baled oaten hay, 15kg of Hasko honey.

Thank you all that helped set up, pack up, keep the range running throughout the day, ran the office, donated, bought tickets, bought auction items and for turning up to make the day what it was - Bloody Brilliant!

So mark your diaries now for next year and start thinking of your outfits. Because next year we want to see A LOT more pink!

# NSW STATE SELECTION SHOOT

## DUBBO FIELD & GAME

Saturday 14th November brought the Cooma state selection shoot to Dubbo and what a great day it was. Luckily the storm hit the day before, so it was sun shining and sun screen everywhere. There were several shooters camping which was great to see and all were social distancing.

Range setter Peter Kay and his band of helpers put out some great targets. There was an arrangement on offer and something to suit everyone. Mind you a few shooters thought he needed to be told where the spring was on one particular trap, it seemed a little bit floppy!

All shooters that attended had a brilliant day, but it's always fantastic when you are shooting! Especially when we had five 25 Break Badges awarded. Doug Osbourne, Steven Atkins, Darren Sasse, Chris Barrowman & Daniel Baskerville - Congrats to you all.

Rotary club from Narromine catered for all that were there and apparently had special 'dog on a stick' that made you shoot better! I must of missed out on them.

Thank you to all that assisted on the day.

The Adrian Hayes went to Mudgee team with 339

## COOMA SPORTING CLAYS

Sunday the 20th September saw the home leg of the Coomagui Challenge shot. The Coomagui cup is an interclub event between Cooma Sporting Clays and Bermagui Sporting Clays. 100 targets are shot at the Cooma range, with a further 100 at Bermagui the following weekend.

Two great ranges gave a wide variety of targets for participants. Although the rain threatened, it mostly held off and cleared out quickly.

High gun for the day was Brian McClelland with 92. Craig Fields and Brian were neck and neck for the day with only 3 targets in the 3rd round between them. Well done Brian.

A big thankyou to Mick Hedger for not only scoring 2nd for Cooma in B grade, but for sponsorship for the day from the Hedger family's Snowy Plain Merino Stud.

A rabbit challenge was also shot. 32 rabbit targets were available to shoot over the course of the day. The winner for the day was Mario Magin with 31 out of the 32 shot. His score was 2 clear of the field and a standout winner. Congratulation Mario

The return leg saw Bermagui claw back their 3-target deficit and take the 2020 Coomagui cup. Well done guys and onto next year.

After an absence of several years, October saw the return of the Death Valley Challenge. Poor weather and hosting the Sporting Clays Australia Nationals had seen us shelve the popular picnic day event. The idea being we take advantage of the beautiful Spring weather in the high country, moving the office and kitchen out to a rarely shot part of the range.

The day started with challenging conditions which saw the start time delayed by an hour. Targets were difficult to see through the fog, however this did not seem to worry some competitors. As the morning progressed, things cleared to a beautiful sunny day.

49 shooters gave it a go with a great spread across all grades. Top billing went to Darren Redman.

The last couple of shoots have seen a big increase in new shooters with half a dozen sub juniors battling out the category. With Juniors come parents, things are looking good for a great 2021.

Merry Christmas all and hoping for a big 2021 shooting year.

Luke Kilborn.

## NSW Tri Gun State Championship

Based on accumulated scores of the three disciplines (20g, O/U and SxS) on the Friday, Saturday and Monday.

# MUDGEESPORTINGCLAYSHOOT

## 24TH & 25TH OCTOBER 2020

On Saturday 24th October our branch hosted a NSW 100 target selection event on behalf of Broken Hill branch. This all came about due to the 4x virus. Broken Hill branch who had been keen to host this event earlier in the year had to postpone due to border closures etc. Sunday's 100 target event would be the FIOCCHI CHAMPIONSHIP but more on that later.

As rain had been forecasted all weekend our club members were more than happy as over 90 shooters nominated to shoot in the testing conditions. As Mudgee accommodation was once again mostly all booked plenty of campers were keen to brave the wet conditions. NSW vice president Steve Atkins had no trouble handling the targets. He shot 90/100 to take out the high gun but then he learnt to shoot at our club. Only two clubs were represented for the ADRIAN HAYES trophy. Mudgee (S Payne, R Christian, J Roth & S King) took out first place followed by Shoalhaven. Results from Saturday as follows—

The weather took a turn for the worse on Sunday with a big temperature drop. Most uncomfortable shooting conditions

indeed although it was alright in the office. FIOCCHI and TSA OUTDOORS were the main sponsors for this 100 target event. All shooting pads had been made easier for the day with most scores reflecting the change. High gun was won by Steve Payne 94/100.

Members would like to thank all sponsors who helped make this shoot such a success. (Fiocchi, TSA outdoors, Michael McNabb, Horsley Park Gun Shop & NSW sporting clays)

The clubs next big event will be our annual CHRISTMAS SHOOT which will take place on the 12th & 13th of DECEMBER.

# BROKEN HILL FIELD AND GAME NEWS

By "Shellshocked"

On 1 November the Broken Hill Field and Game Association conducted a 75 Target Simulated Field Graded Championship. The shoot was sponsored by Dustin Stephens and Sumtin Electrical who very generously provided an excellent range of prizes for the winning shooters. The weather was warm and sunny, sunscreen and fly spray were a requirement, but conditions were just about perfect for shooting clay targets. Organisers were pleased with a good attendance of 26 shooters.

The championship was also an opportunity for shooters to compete for the Ian West Memorial Trophy, a significant and sought after award on our calendar of shoots. Ian was a very popular and highly regarded member of the Field and Game Association and the presentation of his Trophy gives all members time to pause and reflect upon the significant contribution made by Ian, by Garry Rawson, Rex Carroll, Les Birrell, and by others who are unfortunately no longer with us.

The range was set by Josh, Richard, Ashy and Clay who did an excellent job to build a very good selection of targets into a single range layout that was shot three times to make up the competition. Shooting stand and trap locations were changed between

rounds to ensure plenty of variety. The targets were not overly difficult and the best shooters in all grades shot particularly good totals. So good in fact that the handicapper may have to have a close look at quite a few scores.

Also working hard was Mal McEvoy who found himself to be the lone ranger in the nominations office, but did a great job to keep the nominations and the scores happening efficiently and quickly.

The best score off the gun was an excellent total of 66 shot by Clay Johnston. Clay started extremely well with a perfect 25 in his first round. His scores fell off a little after that but he shot very consistently and won the High Gun prize and the Ian West Memorial trophy with just a single shot up his sleeve at the finish.

Clay Johnston's High Gun win meant that he was also the winner in A Grade with his score of 66. Rod Weaver had one of his best shoots for some time and he shot a very good total of 63 and was an easy winner in B Grade. Gary Meehan has had some good results in C Grade and he shot a very competitive total of 57 to win the first place prize quite comfortably at the finish.

Information for any event at Broken Hill is available from

**Association President**

Rod Weaver - 0407 187 498

**Secretary**

Cassie McEvoy - 0437 237 955.

Grade winners of the 75 Target Sumtin Electrical Championship, left to right, Rod Weaver (B Grade), Clay Johnston (High Gun and A Grade) and Gary Meehan (C Grade).

On Saturday 5 September the Broken Hill Field and Game Association conducted a 75 target Simulated Field Graded Championship shoot. The shoot was sponsored by Andrew Ashwood and Ashden Hall, two very keen and hardworking members, who very generously provided an excellent range of prizes for the winning shooters. The day was sunny and quite warm with barely any breeze to disturb the targets. Organisers were pleased with an attendance of 18 shooters given the coronavirus restrictions that we all have to work with.

The range was set by Richard, Bob and Tim who set a compact range of five stations that was shot three times to make up the competition. The targets were very well set and probably a few points easier than average which made for very enjoyable shooting. The best shooters recorded some very impressive totals, and at the end of the day it may be the handicapper who comes away the big winner.

The best score off the gun was an excellent total of 64 that was shot by B Grade shooter Josh Edgecumbe. Josh shot very

consistently and with a middle round score of 24/25 finished comfortably clear of the field for a very well deserved High Gun medal.

The first place prize in A Grade was won by Ricky Jones who shot extremely quickly, and accurately, for a very good second place off the gun total of 61. Adrian Locke has been knocking on the door of a B Grade win for some time, having finished in second place for the last four shoots in a row. This time he shot really well for an equal third place off the gun total of 60 and won the first place B Grade prize very easily at the finish.

Michael Ward shot very consistently and very well for a score of 59 which won him the first place prize in C Grade. Ashden Hall continued a good run of scores in the Junior Grade with a very good total of 57 to win the first place prize.

ANDREW ASHWOOD 75TGT SHOOT RESULTS

# BROKEN HILL FIELD AND GAME NEWS

By "Shellshocked"

On Sunday 23 August, after a couple of postponements due to COVID-19 restrictions and then some very welcome but untimely wet weather, the Broken Hill Field and Game Association conducted the Silver City Steel 75 target Simulated Field Graded Championship. The day was cool but clear and sunny and a very mild breeze didn't bother the targets at all. Organisers were pleased with an attendance of 15 shooters given the short notice for the shoot.

The shoot was sponsored by Steve and Josh Holmes from Silver City Steel who very generously provided an excellent range of sashes, medals and prizes for the winning shooters. Steve and Josh have been good members and strong supporters of Broken Hill Field and Game for many years and continuing sponsorship from Silver City Steel is greatly appreciated by the club and our members.

The range was set by Josh and Josh and Ashy and Richard who did an excellent job to present a very good variety of targets. The compact range of five stations was shot three times to make up the competition.

The targets did not appear to be too difficult but the scores were maybe a tad below average and the best shooters in B Grade and C Grade were right up there with the A Graders.

The best score off the gun was a very good total of 59 shot by Josh Holmes, that very important one shot good enough to win the High Gun sash. Given the contribution that Josh made for the shoot this was a very well deserved and popular win, one to take home for dad.

The first place prize in A Grade was won by Andrew Ashwood who,

despite a slow finish, shot well enough for a score of 58 and a comfortable win.

Richard Murphy was best of the B Graders and won the first place prize with a good score of 55, although the extra couple of chocolates might have put a bigger smile on his face. But the standout score for the shoot was probably the 56 shot by Peter Hoare for third place off the gun and a very easy first place finish in C Grade.

Ashden Hall was the lone ranger in the Junior Grade but a deserving winner of the first place prize with consistent shooting and a good score of 47.

## SILVER CITY STEEL SHOOT RESULTS

High Gun		Josh Holmes	59
A Grade	1st:	Andrew Ashwood	58
	2nd:	Kym Files	51
	3rd:	Rod Weaver	48
B Grade	1st:	Richard Murphy	55
	2nd:	Adrian Locke	49

# BERMAGUI COUNTRY CLUB

Today we take the opportunity to thank our much valued 2021 volunteers and sponsors

Country Club Manager , and all round good bloke, (even though he does barrack for Collingwood), Robbie Beuzeville, and the board of the Bermagui Country Club , are proud sponsors of our club, and we urge all local and visiting shooters to call into the club and take advantage of their world class golf course, first class dining facilities, cold beer and friendly bar staff..... "Tellem Nev sent ya"..... (you'll probably get kicked out).

## **January 3rd ..... Mario and Barbie Magrin**

Muz and Barb are long time Committee members, and sponsors of the club, as well as dedicated workers. Muzz is our resident Vice President and "go to man ", when we have any electrical problems, as well as the sweet smiling face you see when you line up to pay your noms . Barb also helps out in the office, and is one of our friendly raffle ticket sellers on shoot days. Thanks for all your support gang.

## **January 24th.....Gary Georgiou and Safari Firearms.**

Father and son team, Gary and George Georgiou, used to be regulars at the club back in the early days, before marriage and family commitments took over (as they do), so Gary and his lovely wife Desi and kids are only able to make the occasional visit to B.S.C.. But their ongoing support and sponsorship to our club (and many other clubs), is very much appreciated. Please support Gary and Safari Firearms whenever you can.

## **February 28th .....Bush Challenge**

Our only Side X Side and Under and Over event for the year, is proudly sponsored by two of our veteran members, in Bruce Arthurson and Ken Buckley. In their spare time both gentlemen are tied up with vintage cars and speedway. Ken is also the proprietor of the South Durras Caravan Park, while Bruce relishes the chance to get out on his motorbike and think he's 18 again. Thanks Fellas.

## **March 28th.....Dave Cook & Mark Rabbe Memorial Shoot.**

Dave Cook and Mark Rabbe were both loyal, hard working members of our club and were taken from us way too early.

Family and friends of these two great fellas, join together each year to support the memorial shoot. Thanks again gang.

## **May 2nd.....Grump's Challenge.**

Grumpy, as he is affectionately known (we don't know why), likes to remain anonymous and we are more than happy to agree to his wishes, as he has been a long time friend and sponsor and his on going generosity much appreciated by the club. Thanks mate.

## **May 30th.....Far South Coast Excavations.**

Warren and Vicki Marshall were instrumental in getting Bermagui's Surf Life Saving Club up to being one of the best L.S.C. in the state, but after many years of dedication, and hard work, they needed a break and decided to take up clay target shooting. Knowing the value of sponsorships, Warren and Vicki were only too happy to put their hands in their pockets, to support our great little club. Thanks gang.

## **AND REMEMBER ...A GUN CLUB WITHOUT VOLUNTEERS AND SPONSORS... IS A PADDOCK!**

## **June 27th.....Bermagui Bait & Tackle.**

Scott & Lisa Bradley have been great sponsors of all sports in the Bega Valley since opening their business many years ago. Although neither of them shoot, they are more than happy to sponsor our club, for which we are truly grateful.

So, for the best fishing supplies, fish catching knowledge, cheapest fuel and best bacon & egg rolls in town, we urge everyone of our members and visitors to call in and have a yarn with Scott and Lisa. Ideally situated just opposite the main bridge boat ramp.

## **July 25th.....Neil Rouse Memorial Shoot.**

Rousie, a life member of the club, was one of our founding members, who worked tirelessly for the club in its formative years.

Club secretary, noms secretary, set up/pack up crew member, dunny cleaner, you name it, Rooster did it. Great bloke and great mate.

Patrick & Tatia Jubb, proudly support and sponsor the Neil Rouse memorial shoot, for which the club is forever grateful. Patrick is our current Club Armourer, Club Treasurer and computer whiz kid. Thanks gang.

## **August 22nd.....Big Bird Challenge.**

Nev & Shirl Brady, just two magnificent people, love em to bits..... (Guess who writes this ?)

## **September 26th.....Drakos Bros Construction & 777 Supermarket.**

Rhonda & Jimmy Drakos, have been members of the club for many, many years and both run successful businesses in town. We urge all our members and visitors, to call into the 777 Supermarket situated on the way into town, have a yarn to Rhonda and her pleasant staff and do their shopping. While if you are looking to build a new house, or renovate an old one, please get in contact with Jimmy, for a first class job and price. Thanks team Drakos.

## **October 24th.....Battue & Looper Challenge.**

Phil & Shelly Craig are well known throughout the Gun Clubs of Australia, having shot at many/most of them, during their constant travels. They have both served on the clubs committee and still help out whenever they can. Phil is our regular handyman, who is the builder of all our magnificent bush furniture, he is also our resident trap mechanic and both Phil and Shelly derive much pleasure in keeping our flower garden up and going.

## **November 28th.....Christmas Shoot.**

Santa is another member of the club who prefers to remain anonymous and while this is probably one of the worst kept secrets at the club, we thank Mr. & Mrs. Claus, for not only their generous sponsorship, but also their hard work behind the scenes and in many other facets of the clubs running. Thanks again to both of you.

To finish off, I would like to thank our hard working committee, office staff, B.B.Q. ladies, members and guests, for all their magnificent work throughout the year and let's hope 2021 is much better than the HORROR year that was, 2020.

A special mention to N.S.W. State President Andrew Fairfield -Smith and his board, for the compassion and expertise shown, in some very trying times for our club in 2020.

And remember A GUN CLUB WITHOUT VOLUNTEERS AND SPONSORS IS A PADDOCK!

Merry Christmas and Happy New Year, from all at Bermagui Sporting Clays.

# QUEENSLAND SPORTING CLAYS

As the year comes to a close, we would like to thank all the Queensland members who have shared the year 2020 & all it had to give. It was a very trying time with the loss of some of our members. Hopefully 2021 will allow us all to move forward.

After Ashley Meads passing, QSCA had a vacuum to fill for a Treasurer & Secretary. Thanks to two of our members they stood up & helped the State to move forward - Dean Crouch (Treasurer) & Aaron Knowles (Secretary). Many thanks Gents we could not operate without your valuable assistance.

The QSCA held its Annual Conference meeting on Saturday 7th November with all Clubs in attendance which was very welcoming. Many positives came out of the meeting. In Brief -

- QSCA Membership fees will not increase for 2021.

- A State Calendar has been completed & will be posted out with your membership renewals. Thanks to all Clubs for coming back to allow us to sign off & for Aaron Knowles for the final printed copy. Thanks to Dean & Aaron for chasing up many new advertisers to the Calendar
- Cherrabah Sporting Clays are on the move closer in to Warwick town. This will help attract new members & make it easier for visitors to their new range. Along with the move, they are also changing their name to Southern Downs Sporting Clays. The 2021 State Titles will be held on this new ground. More news will be advised once they are up & running.
- New QSCA Website & New QSCA Branding Logo has been created & applied

## 2020 QSCA SPORTING CLAYS STATE TITLES

Hosted by Childers Sporting Clays

With all the Covid-19 issues going on around the country, how lucky were we in Queensland to still be able to compete at events & to also have the State Titles Hosted by Childers Sporting Clays. The Club excelled in the application with a great variety of targets. The Competition ran to time & we finished with plenty of daylight for the travelling shooters to get home well before dark. Although the weather threatened to unleash apart from a few showers we remained fairly dry. The rain held off until the last round with a few heavy drops, but the Rain God smiled on us & left us alone until the closing ceremony when the heavens opened up.

Congratulations to the new QSCA State Champion for 2020 - Daniel Davis, well done you shot the weekend well Daniel & deserved the Win. Thanks also to our Selection Series Sponsor - Outdoor Trading Company (OTC) & QSCA in assisting to provide the Trophies.

To the other podium placers well done & thanks to all the Competitors that came & made this event the success it was. Hopefully everyone enjoyed themselves as this is a great Club

A big round of applause to Childers Sporting Clays for providing a great finish to the QSCA Sporting Calendar for 2020. A great Club under the direction of their

Club President - Rowhan McLaren - and all the helpers - A full report with names in the next edition of the SCA Magazine

To review the Final scores, go to the SCA Live Scores page -

[www.scalivescores.com.au/Home/EventResults/810-1/2](http://www.scalivescores.com.au/Home/EventResults/810-1/2)

# BRISBANE SPORTING CLAYS

It has been a busy period for Brisbane Sporting Clays.

We continue to hold our monthly shoots with regular numbers in attendance.

We also held our first Octoberfest shoot. This shoot was run in place of the cancelled 2020 Nationals. The shoot was 150 targets over 6 layouts with prizes for all grades and an additional drawn score prize of a brand new Miroku shotgun. The shoot ran with no issues with 94 shooters in attendance throughout the two days. The weather gods were nice to us and provided two great days for shooting.

At the conclusion of shooting, Jason Pole was High Gun (134/150). The winner of the drawn score after a four way shoot off was BSC member Glen Graham.

Throughout the competition, we saw four 25s shot by Jason Pole, Darryl Groundwater, Aaron Goodchild and Peter Tobin

A huge thank you must go to our event Sponsors OSA for their continued support and to Frank Petrakis for the supply of the wine for prize winners.

The club also recently received approval from Council for the use of our new clubroom and steps are being taken for fit out to enable members and visitors to relax and enjoy the facilities pre and post round.

Ongoing ground maintenance continues at the club with a trap revitalisation program and additional remote machines in the process of being supplied.

BSC has also seen a continued increase in our Corporate and new shooter bookings post COVID-19. This increase has kept the club busy introducing non shooters to Sporting Clays.

Looking ahead, the club will be hosting its yearly boxing day "King of the Quarry" shoot on the 26th December.

# REDCLIFFE CITY CLAY TARGET CLUB

## COMPAK STATE TITLES 1st NOVEMBER 2020

Well after two days of severe storm weather conditions the Competition day turned out as well as any perfect Queensland day, blue skies & sunshine.

Thanks goes out to our Event sponsors - Outdoor Trading Company & QSCA for providing the event trophies.

The event was changed from 75 targets to 100 targets, with changes made on the two grounds set up with movement to target trajectories & menus between the 50 target sets.

Results & photos of the grounds & the podium placings.

Full results to be seen on the SCA Live Score Site -

[www.scalivescores.com.au/Home/EventResults/888/-1/2](http://www.scalivescores.com.au/Home/EventResults/888/-1/2)

Well done to Redcliffe City Clay Target Club on a well-run event.

With the passing of Ashley Mead the State medals have been lost. We will reorder & will have new medals struck. We will make sure these are provided to the podium placings for both this event & the State Titles. Please be patient while we are going through the manufacturing stage & when we have received from the manufacturer these will be distributed to all.

That wraps up the QSCA State shoots for this year & in fact 2020. Enjoy your Club Christmas shoots, stay Safe & healthy over the Christmas/New Year break & see you all again in 2021 for another competition packed year.

Glen Rider

QSCA President

# TASMANIAN STATE CHAMPIONSHIP 2020

TASMANIAN  
FIELD & GAME  
ASSOCIATION INC.

At the time of writing this Tasmania has been able to return to near normal shooting with the added requirement of adhering to our state covid guidelines as to social distancing and hygiene.

With the uncertainty early in the year around if the SCA nationals would proceed we made the decision to continue with our state team selection shoots culminating in our state championship shoot held at Penguin Clay Target Club over the weekend of 12th and 13th September.

Matthew Baldock and his team with assistance from Ken Triffett, Northern Midlands, were able to make great use of the terrain and present some challenging targets from high quartering in the quarry to incomers from across the gully and below your feet.

Targets set challenges for all shooters from our experienced AA graders to our newer shooters but there were targets that all were able to hit and return a reasonable score at the end of the day.

Numbers were a little disappointing but all those that attended had high praise for the shoot and the target presentation by the completion of the weekend.

I would like to mention the sponsors for the weekend, Tackle World & Outdoors-Burnie, Outdoors Trading Company (OTC), Gamebore, Ammolnk and Simon & Laura Little for without the generous support of these people and business this event would not have been the success that it was.

I would like to congratulate Paul Rigby as the 2020 Tasmanian state Champion.

Paul needed to overcome some great shooting by Alex Grodski with both shooters finishing on 130/150.

To decide the champion both these great shooters continued their fine shooting through the 25 targets shoot off. Paul was successful with 22/25 and Alex finishing with 21/25. Shoot offs were required in several grades and categories before final placings were decided.

Again, I would like to thank Penguin Clay Target Club and their members for running a highly successful 2020 State Championship.

Graeme Witchard

**Secretary / Treasurer**

**Tasmanian Field & Game Association Inc.**

## VSCA UPDATE

VSCA have been busy during the Victorian lockdown. Our committee has been putting in some big effort to improve our member's experience. The committee have been active during this time working on many things such as applying for a number of government grants for things like portable marquees for each of our member branches.

To coaching and development grants with the view of improving the opportunities available to our members in this area. We are hoping to be successful in the application of these grants and will report on the outcomes when they are announced.

As a member, you will also see some significant changes in 2021, particularly if you are a follower of the state selection series. Next year will see some new venues added to the list for the state selection calendar.

Through discussion with interested branches, VSCA have been able to secure two new venues to host events and deliver new opportunities, particularly for our members in central Victoria.

We are very thankful and appreciative to both Shepparton Field & Game and Bendigo Field & Game for agreeing to each host a state selection. Keep an eye out for the shoot calendar to be released soon for when these events are on and be sure to show your support to these two fantastic branches.

Also in 2021, VSCA will host the first ever Victorian Compak series! Dubbed the Compak 500, this series will consist of four rounds throughout the year and culminate at the Vic State COMPAK championship to be held at Melbourne Gun Club in November.

Expect some fantastic prizes to be on offer for this event, and all VSCA events as the committee has been able to secure some very generous outside industry sponsorship. More on these sponsors in our next update.

Many members may have also taken part in the VSCA culture survey. This was conducted so we have a better understanding of how members view VSCA and what areas we may need to look at to make improvements as an organisation.

Keep an eye out for the survey results in future updates as we work to develop and plan for the years ahead.

With regional Victoria and Melbourne coming out of lockdown recently, we haven't forgotten about 2020. Victoria will have hosted the State Compak championships at Warrnambool Clay Target Club in November.

Check out the results on the SCA website if you haven't already. Geelong will host the Victorian Sporting state championship on December 19/20. This will include the Geelong Christmas shoot as well so bonus hams will be on offer also.

Everyone loves to hunt a ham so get your entries in for that!

With such an unprecedented year almost behind us, the committee wish to thank all our members for sticking with VSCA. We know it's been hard to maintain membership as there have been no events, but there is light at the end of the tunnel.

We are confident that 2021 will see us all out and about shooting targets across Victoria and indeed Australia.

Until then, Merry Christmas to all and a safe and prosperous new year!

## GEELONG SPORTING CLAYS

As of writing this Victoria has gone for twelve days without new infections or deaths.

It was announced on the 8th December that all travel restrictions throughout Victoria have been abolished. Borders between States will be opened also.

This will allow Geelong Sporting Clays to conduct the postponed VSCA State Sporting Championships on the 19th and 20th December.

The Championships will be 200 targets over two days, two one hundred target layouts will be constructed and the odd numbered squads will start on Ground 1, the even numbered squads will start on Ground three. Squads will reverse on day 2.

Entries will only be accepted online and shooters will be arranged into squads and given shooting times. They will shoot 100 targets in the one visit and then depart as per the Coronavirus regulations

A canteen will be operating and all food will be of a takeaway variety as numbers in the clubrooms will be restricted. During the shutdown as we are a Regional Club practice has been conducted on each Friday and Saturday for the couple of Months.

Even though we have had restricted shooting there have been improvements made to the club.

Can't wait to see the new kitchen get a workout, looks great.

There has also been another electric fence constructed, this will keep the cattle confined while we are setting up and conducting events. It will also provide access to new shooting stands amongst the timbered area around the North/West side of the range, a new road has been constructed through the trees.

It will be good to meet up with our Melbourne members who have suffered an extremely long shutdown.

Unfortunately it looks like we will have to continue with the pre-nominations for club events for a while into the future.

From comments received it seems to be popular as shooters do not have to spend the day at the club, they shoot all of their targets in one visit and then go home.

Downside is the social aspect as there will be days when you do not see a number of the competitors because of different start times.

All ties will have to be resolved by count-back as the Government has banned shooters staying behind after they have shot their rounds.

Countbacks will always be conducted over the designated last round, the count-back ground should be displayed for all to see in the clubrooms prior to the start of the event.

Ray McFarlane

President GSCA

## MELBOURNE GUN CLUB

We are excited at Melbourne Gun Club to announce we have now updated our facilities to include COMPAK SPORTING and look forward to hosting a number of events for this exciting discipline going forward.

Our original 5 Stand Layout on ground 8 has been fully upgraded using Elfipa release systems combined with a custom interface to radio remotes from Kivtronics sees this layout now fully automated on voice release and wireless trap release. This makes setting this layout up a breeze and we can set numerous different target selections.

Practice is available on this layout on token system every Wednesday, Friday and most Saturdays where it will be set up as either Compak Sporting or 5 Stand Sporting (view our website or facebook for up to date times). Our plan going forward will eventually be to have this layout and all our layouts on swipe card. This layout is open to all SCA members.

We have also purchased release systems to run 3 additional Compak Layouts all on voice release. This gives us the potential to run 4 layouts in total to enable us to host much larger competitions of COMPAK which we are looking forward to applying

for in the future. We have a large variety trap machines to throw all different combinations to set up and host a fantastic event.

Our great back drop and manicured layouts combined with our new exciting Café with extensive menu run by Gerald Christofellis we believe makes us the ideal venue for you to come and enjoy a day's shooting and kick back with a delicious lunch (or stay for Dinner if available) and watch the footy, cricket etc on our new 75 inch flat screen tv.

A very big thank you goes out to committee member Paul Schroeter for his electrical work in making all of this possible and also to Bill Fraser in his help with setting our layout/s up to keep them challenging but not demoralising!!!

We have now been affiliated with Sporting Clays Australia for 3 years with our involvement in Universal Trench where we also have 3 layouts for this discipline available and we look forward now to bring you Compak Events in 2021.

Please feel free to mark the following dates in your diary and we look forward to seeing you at MGC soon!!!

### IMPORTANT UPCOMING DATES

6th	February	Compak 500 Series (100t)
29th	May	100tgt Club event
3rd	July	100tgt Club event
4th	September	100tgt Club event
2nd	October	100tgt Club event
13th & 14th	November	Victorian State Title (200tgt)

# WA STATE QUALIFIER

Well it was a long break between our first State Qualifier held at Harvey back in March and then BOOM the COVID-19 lockdowns came into play. As with all States we were in this together playing our important part to keep the spread of this pandemic to a minimum. Here in WA all Gun shops were closed and operating by appointment only and all State and Club shoots were either cancelled or put on hold. Not to mention what our National body SCA had to endure.

Never in the history of our sport had we had to manage a situation like this. It certainly was uncharted territory for us all. Sporting Clays WA had a strategic plan for each month ready to put into action waiting until that glorious day when we could run a State Qualifier again. Then the WA Government announced Phase 4 and all competitions here in WA started to get underway following the strict safety plan for the Covid-19 restrictions

We had to do some tweaking to move the dates around and with discussions with all clubs who were holding State Qualifiers then our plan was put into action. Thanks to those clubs involved for their co-operation during these extraordinary times. We finally got to complete our State Qualifiers and State Championships for both Sporting and Compak.

All our State Qualifier winners for the 2020 Covid-19 year are listed. Plus, we also got to crown our 2020 State Aggregate Champion: Alastair Crookes.

The 2020 State Sporting Champion was Clayton Dennis 91/100

The 2020 State Compak Champion was Rhys Howard 92/100

The 2020 non travelling team was named and new state jackets awarded which will proudly display the new SCWA logo. State Team Open: Alastair Crookes, Ben Sgro,

Clayton Dennis & Michael McDonald. Seniors David Knight. Lady Stacey Bell & Junior Tristan Noble.

Congratulations to all the winners and to everyone who travelled and assisted all the clubs your volunteer help was appreciated beyond words, so thank you to all and no doubt 2020 will go down in our history books as the most memorable and challenging year for us all in so many different ways.

## Our Top Ten sporting shooters for SCWA 2020 were:

1. Alastair Crookes
2. Ben Sgro
3. Clayton Dennis
4. David Knight
5. Michael McDonald
6. Pat Taylor
7. Gus Grant
8. Mitchell McCashney
9. Steve Tunncliffe
10. Rhys Howard

Compak Champion Rhys Howard

State Champion Alastair Crookes

# PERTH METRO CLUB

## Update from Club President Tracey Grayer

My 1st year as president has been such an unusual one. Even though we have had to close for a few months because of the covid restrictions, we have had to be inventive with our event dates and are pleased to say we have in fact managed to have more practices than last year and with the Flush & Flurry shoot in November we are well in front on the total amount of events for the year.

The support to all the grounds has grown and all ground captains are enjoying the extra members attending their shoots. Thank you to everyone for lending an extra hand, very much appreciated.

We haven't made too many changes to the club, we have really been working together as a team to bring all 3 grounds in to line with each other so we are more cohesive, which is wonderful to see that PMFG is one club.

We do have some great plans for next year at Wanneroo and Whiteman Park grounds. At the Wanneroo ground we are looking to making practices more shooter friendly

with a clay target counter system which we will reveal more details soon, we are waiting on some grants to become available so, by the time you read this we should be well on our way to improving the ground.

We are already thinking about opening on an extra day in the week as well as more weekends, with the extra help that is coming in now, we are sure it won't be long before we have the capability to open up more for members. Whiteman Park have some exciting times ahead with grants from the complex, we have some great ground improvements happening soon.

We have decided our AGM will be on the 30th January 2021 starting at 10am at the Wanneroo ground club house with snacks and drinks after, remember this is your club so come and join us. If you wish to join the committee and you have the time to spare to help, please come along and make yourself known.

We are sorry to say we are losing one very fine gentlemen Mr. Ray Motteram OAM who is retiring from his duties on the PMFG

committee that he has held for many, many years, he has been the supportive backbone to PMFG from the beginning of sporting clays in Australia. He is not leaving all together he is going to continue with the conservation of wildlife.

So, thank you Ray for your constant loyalty and hard work over the years, we will hopefully see you around from time to time.

Looking forward to 2021, see you all soon.

Tracey Grayer

President of PMFG

## SPOTLIGHT. Barry Kallawik

Spotlight Barry Kallawik - Perth Metro Field & Game Whiteman Park Branch.

The WA Sports Awards were held 7th November at the Whiteman Park International Shooting complex and it is with the greatest of pleasure I can announce that Barry Kallawik PMF&G was awarded a Whiteman Park International Shooting Complex Inc (WPISCI) Service Award for his service to Perth Metro Field & Game Whiteman Park Branch.

Barry's history for PMF&G Whiteman Park includes being a Member for 16 years & served on the committee for 7 years, took a break and is now back on the committee.

He supervised the building of the club house, and being an electrician, he wired up the club house, built the toilet block, installed the sewer system and wired up the toilet block. He also dismantled a shed from PVPC (Pine Valley Pistol Club) and relocated it to our club, rebuilt it, concreted the floor and wired it up.

He is still very active in the club helping out with tips for new shooters and he is there every shoot to help set up, pack up and conduct maintenance around the club without being asked he just jumps in and gets the job done.

The award was presented to Barry by the WPISCI chairman Grant Hyder

Congratulations Barry and thank you for all your service as a volunteer to our sport, it has been greatly appreciated.

Garry Rundell

PMF&G Whiteman Park Branch

# SOUTH AUSTRALIAN FIELD & GAME STATE TITLES

Loxton 12th & 13th September 2020

South Australian Field & Game State Titles at Loxton 12th & 13th September 2020

Amidst a pandemic and parts of the country still in lockdown, 85 very fortunate sporting clay shooters travelled Loxton to compete in the 2020 South Australian Field & Game Association state championships over the weekend of 12th & 13th of September.

With sponsorship provided by Outdoor trading Co., Torresan Estate, Top Shot Industries & OSA Australia, Ray Pash and his small crew with some assistance from Chris Ball set 75 targets per day over the Loxton range. Near perfect warm conditions on the first day saw Senior Chris Ball and Junior Daniel Falco leading the field overnight both on 70/75.

Day two, in slightly cooler weather conditions the cream rose to the top and for the fourth year in a row Jeremy Kent took out the South Australian Field & Game Championship shooting 139/150.

AA Grade was taken out by Gavin Dyson 137/150, Tim Widdison had to out muscle

Jim Bologiannis in a shoot off for second & third. Michael McKinnon 133/150 was a model of consistency all weekend to win A Grade from Alex Button & Hayden Brown.

Local Brad Gillespie 125/150 came out on top of the B Grade defeating Luciano Palumbo and Brenton Denny. The experienced Mike Lane 104/150 claimed the C Grade crown from Scott Hall and Michael Gates. Chris Ball 137/150 continued his good form to take the senior title from Chris Wright and the hard working Ray Pash.

The veterans needed a long shoot off to determine the winner with Grant Baum defeating Malcolm Whitehead to claim the title, John Monaghan took out the minor placing. Janette Densley 125/150 took out the Ladies category with a big win over Jill Marden and Kate Ball. The Junior category saw Daniel Falco take out an emphatic win over Ben Hastings and N.Marden. Nick Bologiannis 122/125 took out the sub juniors by a solitary target over Declan Wright and Seb Angus back in third.

## RESULTS

### South Australian State sporting Champion

Jeremy Kent 139/150

#### AA Grade

- 1st G.Dyson 137/150,
- 2nd T.Widdison 131/150
- 3rd J.Bologiannis 131/150

#### A Grade

- 1st M.McKinnon 133/150
- 2nd A. Button 130/150
- 3rd H.Brown 128/150

#### B Grade

- 1st B.Gillespie 125/150
- 2nd L.Palumbo 123/150
- 3rd B.Denny 115/150

#### C Grade

- 1st M.Lane 104/150
- 2nd S.Hall 99/150

## ROCKY GULLY

### Monarto Cup

Many shooters were very happy to see the return of the Monarto Cup after a hiatus of a few years. The Monarto Cup is a friendly interclub competition between Rocky Gully Sporting Clays and our close neighbours, Hellenic Shooting Sports SA. There are two legs of the competition, one at each club, with the top 3 shooters in each grade posting scores for a team total out of 900

The first leg was at Hellenic Shooting Sports and the day was fantastic. Rocky Gully managed to get 24 shooters out to a glorious day. Hellenic Shooting Sports SA has some fantastic terrain, with deep gullies and rocky outcrops giving target setters plenty of interesting options. It certainly was challenging, and at the end of the day it was Hellenic 713 to Rocky Gully 704. We had some work to do if we were going to peg back that deficit the following week.

Thank you to the team at Hellenic shooting sports for their excellent hospitality, food and friendship. We all enjoyed ourselves

immensely and keen to shoot again the next week.

The 2nd and final round of the Monarto Cup was at Rocky Gully's October shoot the next Sunday. It was a great day with 92 shooters coming out to test themselves against a course that had plenty of challenges for all grades. It was also great to see so many shooters from Hellenic Shooting Sports out to compete on the day, the camaraderie between the two clubs is part of what makes this event so much fun. I am very pleased to announce (again) that Rocky Gully has retained the Monarto Cup.

Rocky Gully 1404/1800 to Hellenic 1322/1800. Rocky Gully shot very consistently across the 2 days at around 700 targets each event, but a special mention must go to our sub juniors, Sebastian Angus and Zakary Button who took out 1st and 2nd place, respectively, in C grade for Rocky Gully. Fantastic effort, boys! It is really pleasing to see our sub juniors getting so good.

Unfortunately, our Club Championship, due to be held in November, had to be postponed until the following month due to our COVID 'pause'. We are all looking forward to closing out the year with our 100 target event and with the championship points so close, we are all on tenderhooks to see who will be our 2020 club champion. I know the title will be hotly contested.

The club and its committee have our sights fully set on hosting the 2021 FITASC Grand Prix on March 27th and 28th. We look forward to putting on a high quality event for shooters of all levels. I hope to see you there.

## SOUTH EAST FIELD & GAME SPORTING CLAY SHOOT

### Burrungule Park August 2020

52 Sporting Clay shooters nominated for the 50 target event sponsored by Mount Gambier Rural Supplies, K & S Fuels & South East Marine. Ken Atkin and his crew set up 2 semi old style sporting courses to test the shooters skill in near perfect conditions at Burrungule Park.

Jeremy Kent shot a perfect 50/50 to claim the Gambier Shooting supplies High Gun. Lake Bonney's Danny Bellinger 48/50 won AA Grade from Jamie Dunn also 48/50 on countback, Mick Banning rounded up in third place. Cameron Scheidl 46/50 took out A Grade from Heath Telford and Graeme James. Tim Lloyd 42/50 won B Grade from Bob Clark and Charles Wallis.

Seasoned campaigner Michael Gates 35/50 again took out C Grade from Matt Lucas and Michael Smith. Chris Wright 45/50 won the Senior class from Neville Kent and Graham Lamond. Barry Hill 47/50 was convincing in the Veterans class taking out the win from Peter Klieve and Wayne Gurney. Tasha Bellinger 42/50 had to rely on countback to defeat Janette Densley in the highly

competitive ladies class. Emma Lawford rounded out in third.

A delighted Brodie VonStanke-Dowie 46/50 won the Junior category from Ben Hastings and Kody Vanderhorst. Declan Wright 35/50 claimed the win in the Sub junior category.

The Family Team shoot was won OTG (Off the Gun) by Neville & Jeremy Kent and Handicap was won by Chris VonStanke Snr & Brodie VonStanke-Dowie

# SOUTH EAST FIELD & GAME SPORTING CLAY SHOOT

*Burrungule Park September 27th 2020*

South East Field & Game held September shoot in near perfect conditions at Burrungule Park. 93 competitors nominated for the 75 target event sponsored by Richmond Park White Suffolk stud and Stuart Bowd Contracting. The cross border community members were welcomed back to competition as were a healthy contingent of competitors from Lake Bonney Sporting clays to compete in the inter club challenge which had been postponed from earlier in the year.

Jeremy Kent 74/75 again took out the Gambier Shooting supplies High Gun despite being pushed hard by Gavin Dyson, also 74/75, Kent prevailed in the shoot off on some fairly tough targets.

With Dyson having to be content with first place in AA grade, Danny Bellinger 2nd and Mick Banning in 3rd who also took delight in his first 25 possible badge at Burrungule Park. A return to form from Heath Telford 66/75 took out A Grade from Dane Hastings and Brenton Ferguson. Greg Kessegian made a welcome return to sporting clays and won B grade with a creditable 67/75 from Romain Devaud and Darren Murrell.

C grade was won by Dwayne Bell 55/75 from Michael Smith who needed a shoot off to defeat promising newcomer Max Beighton. Neville Kent 71/75 rolled back the years to defeat Chris Wright and Graham Lamond in the senior category. Lake Bonney veterans Wayne Gurney 68/75 and Gary Dangerfield cleaned up in Veterans category from Peter Klieve. Tasha Bellinger 67/75 dominated the Ladies category with Emma Lawford and Meaghan Whitehead rounding out the podium.

Ben Hastings 55/75 took a narrow win in the junior category from Brodie VonStanke-Dowie and Carter Rossouw. Declan Wright 63/75 led the way in the sub juniors from Fletcher Rossouw and the improving Will VonStanke.

Lake Bonney Sporting Clays once again took bragging rights in the inter club challenge with a narrow 4 target aggregate victory over the Burrungule Park shooters.

# LAKE BONNEY AUGUST 2020

Lake Bonney Sporting Clays hosted their August event with 68 shooters competing in the Electrical Oysters 75-target shoot. This is the first competition shoot the club has held since March due to COVID19.

Weather conditions were near perfect conditions with slight breeze and sun out for most of the day.

High Gun was won by Christopher Wright only missing 4 targets over the day to take the win.

In AA Grade Danny Bellinger took the win from Jeremy Kent, second and Malcom Whitehead third.

In A Grade Maurice Banning claiming first, second Steven Scheidl and Graeme James claiming third.

In B Grade Romain Devaud claimed first over Timothy Lloyd second and Peter "Cookie" third.

In C Grade Michael Gates shot clear to take the win with Darren Beyer coming second and Michael Smith third.

In Seniors Robin Shawyer claimed first, Warren Whitehead second and Dane Hastings third.

Veterans Chris VonStanke first, Rolf Bugden claiming second and Geoffrey Lowe third.

Ladies Sonya Vanderhorst claimed first, Tasha Bellinger second and Meagan Whitehead claimed third.

Juniors Ben Hastings shot clear to take first, Kody Vanderhorst second and Brodie VonStanke third.

Sub Juniors Declan Wright claiming first, William VonStanke second and Hudson Nowak third.

There were 3x25s shot on the day by Daniel Banning, Steven Scheidl and Christopher Wright.

Our next shoot at Lake Bonney Sporting Clays will be Saturday 19th September for the John Hill Memorial 80 target Handicapped event. And Sunday 20th September 75 target event.

# LAKE BONNEY NOVEMBER 2020

Lake Bonney Sporting Clays hosted their October event with 87 shooters competing in the 75 -target shoot.

Weather conditions were hot with north wind and sun out for most of the day. The SE coastal winds swung around in early afternoon to cool shooters down.

South West Freight was Sponsor of the day. It was also a fundraiser for MND. Lake Bonney Sporting Clays donated a cheque of \$2,000.00 to Reg Hamilton. Also sold \$390.00 worth of merchandise at club.

High Gun was won by Chris Wright only missing 3 targets over the day to take the win.

In AA Grade Gavin Dyson took the win from Danny Bellinger second and Malcom Whitehead third.

In A Grade Tony Sellars claiming first, second Allan Cowin and Mick Brennan claiming third.

In B Grade Cliff Lee claimed first over Robert Summers second Michael Gates third.

In C Grade Sam Hogan shot clear to take the win with Simon Withers coming second and Michael Smith third.

In Seniors Neville Kent claimed first, Ernie Scheidl second.

Veterans Kevin Dyson first, Barry Hill claiming second and Wayne Gurney third.

Ladies Tasha Bellinger claimed first, Sonya Vanderhorst second and Bec Kober claimed third.

Only shooter in his grade Kody Vanderhorst claimed Juniors.

Sub Juniors Declan Wright claiming first, Hudson Nowak second and Harry Bell third.

There were 2x25s shot on the day by Gavin Dyson and Junior Shooter Declan Wright. His first ever 25.

Our next shoot at Lake Bonney Sporting Clays will be held on Christmas shoot, Saturday 5th December 2020. Depending on COVID restrictions.

CHOKES	4x Briley C300 Interchangeable
RIB WIDTH	12mm
SIGHTS	Hi Viz front sight, mid bead
PAD	Pachmayr - Basket Weave Pattern

### Engineering Excellence - Customised to suit your style!

Some Trap shooters experience the issue of lifting their head off the stock while shooting. The Miroku HRT can help. With the raised rib, the shooters eye is better aligned with the rib and the head is in a more upright position. This avoids the tendency to raise the head off the stock to get a better look at the target. Enjoy the same features as the MK10 Trap, but with an oil finished European walnut stock and forend.

\*Left handed version available in 30" barrel only.
