## FROM THE PRESIDENT

Hopefully by the time you are reading this most restrictions will have been lifted in Australia and we are all able to get back to doing the things we love. I wish to thank all our members who have maintained their memberships to SCA throughout this difficult time. It has gone a long way to helping the State bodies and branches to ensure they are able to operate as things open up.

Most states have been fortunate to be able to host their state championships and by all accounts they have been well attended and very successful. Victoria is due to host theirs in mid-November and I know that I'm personally very much looking forward to it!

2022 is set to be a big year for SCA with anticipation for some great events throughout the country. Kicking things off will be the Australian FITASC Grand Prix hosted by Geelong Sporting Clays on 19/21 March. You can read about the improvements to the ground in their column in this edition.

The English Sporting Nationals are due to be hosted by the picturesque Gunnedah branch in NSW. Situated on approx. 100 acres of natural rolling bushland we look forward to that event. You can learn more about the Gunnedah Branch at <https://gsclays.weebly.com>. Dates for this event are TBC.

The FITASC Oceania Championship returns to Australia and is hosted by VSCA's newest member branch Shepparton Field & Game, 8-10 April 2022. Located in the beautiful Goulburn Valley there are many things to do for the family as well as the competitors. Shepparton Township is also hosting the Land of Plenty music festival that weekend so it may pay to book accommodation early for the Oceania.

The COMPAC Nationals are set to return to Brisbane Sporting Clays and after the cancellation of the last two SCA Nationals we all look forward to getting back to Brisbane to enjoy their spectacular grounds and brilliant targets. This event is scheduled for August 8-9.

If you live in the southern states a winter's break in Brisbane may be just the thing to warm you up for the SCA Nationals in Geraldton on 9-11 September. We all remember the 2017 Nationals held there being spectacular event and I'm sure the 2022 event will be no different.

I wish all members a Merry Christmas and a safe and Happy New Year and hope everyone can connect with loved ones over the festive season.

Finally, I wish to thank Greg Dawes on many years of service to SCA. Greg has stepped aside from the Presidents role in early November where I will fill in until the SCA AGM.

Regards,  
Anthony Panetta

# NSW STATE CHAMPIONSHIP 2021

## HOSTED BY MUDGEES SPORTING CLAYS

After false starts due to the covid pandemic NSW eventually got to hold a state championship which was held on the Windamere range Mudgee over the weekend of November 13 & 14. Two layouts each consisting of 25 targets had been set by our club for the enjoyment of all participants. All entrants were checked for double vaccination as per NSW health rules. 108 shooters from across NSW and Victoria had nominated for the 200 target challenge. Peter Kay the NSW Clay target director checked the range each morning before shooting commenced. On Saturday morning shooters had to compete in atrocious weather conditions, raining all day with varying wind gusts.

The conditions did not deter either Adam Shale (93/100) or Robert Hall (91/100) though, who would be out in front all weekend. Sunday morning the squads were on the shooting ground bright and early starting off at about 8.30am. Weather had improved from the previous day slightly.

Sunday's scores would reveal a shoot off for the high gun between Robert Hall and Adam Shale who had both shot 179/200. Robert went on to win the shoot off.

The only other shoot off was between Chris Barrowman and Josh Bell for A Grade. Chris went on the win that grade. Results are as follows-

The **ADRIAN HAYES MEMORIAL** trophy was won by Sydney branch, but Mudgee keeps the trophy as they were overall winners for the year.

After a slight mixup (these things do happen) the NSW state champion for 2021 would be Andrew Bell. Congratulations to Andrew. The NSW state team for 2021 would include Andrew Bell, Chris Barrowman, Angelo Salomon, Gary Adams, Kevin Haskins, Charlie North and Emalene Munro. Let's hope that next year our team gets to attend a national event!!

Our club would like to thank **SPORTING CLAYS NSW, BERETTA AUSTRALIA, HORSLEY PARK GUN SHOP, ANN & JACKIE** for catering and everyone else who helped over the weekend. Many thanks to members of the NSW state executive who attended and helped over the two days.

## BROKEN HILL FIELD AND GAME NEWS

On Sunday 7 November, after a three month Covid shutdown, the Broken Hill Field and Game Association conducted a 75 target Simulated Field Graded Championship shoot. The shoot was sponsored by Sean McCarthy who very generously provided an excellent range of prizes for the winning shooters. The day was overcast and mild with little or no breeze and conditions were very good for shooting clay targets. Organisers were very happy with the attendance of nearly 30 shooters, including good representation from the Milparinka Club.

The range was set by Brian, Mal, Richard, Tim, Gary, Coxy and Clay who did an excellent job to present a very good variety of targets in a compact range of five stations. The targets didn't look all that hard but, given that the scores were a bit below average, were probably more difficult than they looked. They still made for very enjoyable shooting and the best shooters recorded some good totals.

The best score off the gun was a very good total of 62 that was shot by Clay Johnston. Clay shot consistently all day and was a deserving winner of the High Gun Medal and first place in A Grade. Milparinka shooters won the remaining grades, Rowan Young shot 49 for first place in B Grade, and Rod

Grenfell shot an excellent 51 to easily win C Grade. Tom Casey continued a good run of first place finishes in the Junior Grade with a very good score of 48. Information for any event at Broken Hill is available from Association President Rod Weaver on 0407 187 498, and Secretary Cassie McEvoy on 0437 237 955.

## VSCA UPDATE

### COMPAC 500 Series & 2021 COMPAC State Titles

The COMPAC 500 series has proved to be very popular this year and drew full attendances at all the events that were able to be conducted. Unfortunately COVID restrictions prevented Warrnambool CTC from hosting the fourth round in September which had to be cancelled.

The 2021 State COMPAC Titles and the final round of the COMPAC 500 were scheduled to be hosted by Melbourne Gun Club in November. Due to massive floods in the Yarra Valley in recent times as well as the current restrictions, Melbourne GC & VSCA have decided the best solution is to postpone the event until 29-30 January 2022. This event and series will maintain the sponsorship packages allocated to them throughout 2021. Both VSCA & Melbourne GC hope to see everyone at this event in the New Year.

### VSCA State Titles are back!

VSCA & Geelong Sporting Clays are happy to announce that the 2021 Victorian State Championship will be going ahead November 20-21 at GSC. After another challenging year VSCA is proud to announce additional sponsorship for this event from our new event partners. We hope we can catch up with all our friends at this event later this year.

### Gala Dinner

Once again COVID restrictions caused the cancellation of the VSCA Gala Dinner. We had a fantastic venue booked with Batman Hill on Collins in Melbourne and had Collingwood FC legend and Premiership player Peter Daicos as guest speaker as well as an MC and DJ for the night. Hopefully the 2022 event will be just as exciting when it finally goes ahead.

### Culture Survey

Twelve months have passed since we conducted the last VSCA culture survey seeking feedback from our members. Many of our plans have been thwarted by COVID restrictions. However, recent announcements mean we will be able to proceed as planned in 2022. Activities such as coaching days, referee courses and the VSCA Gala dinner will be able to go ahead next year. With that, our next survey has been released for you to provide your feedback on how you see the VSCA. Please take the time to let us know your thoughts so we can keep improving our member services into the future.

## GEELONG SPORTING CLAYS

Geelong Sporting Clays are hosting the Victorian Sporting Championships on 20th and 21st November.

We have a total of 20 squads entered for the event, this is a little lower than previous years and we put this down to the Covid problems that Victoria have endured.

Sponsorship for this event has been great and I would like to thank all of the generous firms that are supporting this event.

This year all prizes will be in cash with the State Champion receiving a cash prize of \$2,000 and all grades and categories are also well looked after.

It is pleasing that we have been able to have a belated State Championship, it will finish off the year we are able to announce a State Team and also finalise all the qualifiers for National Team Selection. Hopefully after an absence of two years we will see a full contingent of Australian Teams competing in the FITASC World Championships in Italy.

Multiple lockdowns have drastically challenged all clubs and for some it is a matter of survival.

It has not been all bad news as the range has been transformed with many thousands of cubic metres of earth fill and mulch that have been spread over the rocky areas. This has made it much easier to design and set ranges and has made it much easier on the quad bikes as they do not have to negotiate their way through the rock barriers.

With the heavy traffic of large trucks and plenty of rain our internal road has suffered and needs some tender loving care.

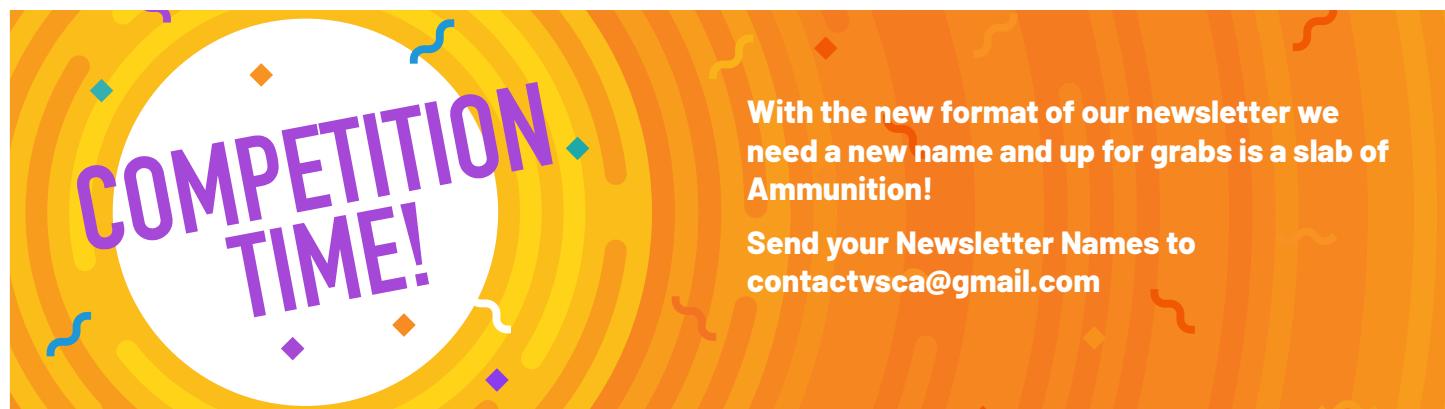

Christmas will soon be upon us and we wish all SCA members a Merry Christmas and a happy New Year.

The 2022 season will kick off with Geelong hosting the VSCA State Old Style FITASC Championships in January.

Geelong are also the hosts of the 2022 FITASC Australian Grand Prix and we are looking forward to welcoming back our interstate members for this event as we should be finished with all of the lockouts from all of the States.

## Summer Report 2021

As we run out 2021 we look forward to 2022 & a new year of Competition. Queensland again managed to complete its Competition Calendar off although the Nationals scheduled for Brisbane never went ahead due to the Covid Restrictions being imposed around the Country. Next year the SCA Sporting Nationals will be in Geraldton WA in September. This time frame will compress the timing for all State events leading up to this time stamp.

Although the Covid situation stopped the SCA Sporting Nationals this year (again) Queensland through Brisbane Sporting Clays still has the SCA 2022 National Compak event to look forward too. Covid restrictions gone by then we hope allowing free travel for everyone in Australia to attend.

QSCA also welcomes on board the Gold Coast Clay Target Club to the Sporting Clay family. I know the club is very keen to see Sporting Clay members back at their practice & sporting events when they are open at the start of 2022.

At the end of the day its all about breaking clays & bringing new people in to the sport. Thanks for your vision Gold Coast, we will look forward to returning back to your ground next year.

Open - Aaron Knowles - Peter Tobin - Jason Pole - Paul Lillis

Senior - Mark Cain - Lady - Maree Birgan - Junior - Harrison Lillis

To those Clubs that put their hands up in 2021 for the State events, thank you and we look forward to continuing next year. To all our members have a safe Christmas and New Year. Stay safe keep the gun oiled & we will see you all next year.

Well, this just about closes the year 2021 out. Although there have been negatives with this Covid problem still playing out in our personal lives it has not affected the Sport in Queensland too much this year. Queensland Sporting Clays are in a good position. Our membership continues with a new Club coming on board & new individual members swelling our ranks. Greater membership numbers are extremely important to help maintain the sport.

The Queensland State Government has continued to help support QSCA with another grant being approved to our State Body for 2022. I know Clubs have also been supported individually as well by our State Government. These positives certainly outweigh any negatives that have pervaded over these past two years. Onwards & upwards for 2022

Cheers

# SOUTHERN DOWNS SPORTING CLAYS - WARWICK

Closing out the Queensland Calendar year was the QSCA State Titles held at the new Southern Downs Club facility. These new grounds are well suited to Sporting Clays offering open wooded & open paddock areas. Many thanks to Max Barton & his team for taking on this event.

The State provided the event prizes to all our Selection Comps & State Titles which takes the burden off the Clubs. We must thank Outdoor Trading Company (OTC) Lee Berger for his continued support in helping to sponsor the State Selection Series & the final event (not forgetting Queensland Sporting Clays who also joint sponsored this series). We all know the Shooting suppliers are doing it tough with the lockdowns stopping many Clubs from shooting, no shooting means no sales to them. This is why it is critical to provide all these companies support as our sport will become very expensive without these people being around.

The State Title weekend was perfect Queensland weather, sunshine, white clouds through the blue & just a breeze of wind. Aaron Knowles provided major assistance with extra traps & release gear to fill in the holes from the Club. Aaron was also out early to set up the grounds. With some final minor adjustments on the Friday the grounds were set & ready for the weekends competition. A great State Secretary & he certainly puts in the hard yards to assist when asked. To take out the State title with the work load of early mornings prior to & over the weekend he still held it together to take out high gun. Thanks Aaron & well shot.

Thanks also to Dale Bedington for running the scoring (with help from Jason Pole) which provided regular updates through the live scores and with the presentations. Paul Malony for helping on the grounds all weekend along with the crew from Southern Downs. A great weekend was had by all.

# 2021 WA SPORTING STATE CHAMPIONSHIPS

It has been a tremendous year for WA Shooters; with Covid-19 still dwindling in the background, it has been great to see our sport regain some normality across the State and everyone getting back to what they enjoy. The battle for the State Aggregate Crown began back in March with Harvey Sporting Clays Club being the first to host one of the six State Qualifying events. Open to all SCA members, shooters had to compete in at least 4 of the State Qualifying events and the 2-day State Championship event to be eligible for the State Aggregate leaderboard. These scores also determine the States' Top 10 and the State Team. Qualifying events to follow were held throughout the year at Hastings, Three Springs, Echidna Park, Wanneroo and Moora.

With a record-breaking start to the cropping season, wildflowers in full bloom and a bunch of eager shooters, Echidna Park SC was excited to present the 2021 State Championships at a "never before seen" level for WA Sporting. Held in conjunction with the historical Echidna Park Open, 200 targets were shot over a massive 8 grounds over two days. Being the first time a competition of this scale has been held in WA, preparations began early with the purchase of 15 new promatic traps, planning ground layouts and of course, the setup ready to host the biggest competition on the WA Sporting calendar.

Expectations did not disappoint with a massive 102 shooters competing over the September weekend. We saw a great turnout of campers enjoy the getaway, not to mention the unbelievable meals served up by the Echidna Park club members with 110 Surf 'n' Turfs served on Saturday night for everyone to enjoy.

Blissful conditions saw high class shooting on display with Eli Lahoud (Perth Metro), Angus Grant (Echidna Park) and Mitch McCashney (Echidna Park) receiving 25 Break badges for the weekend.

Congratulations to Paul McGowan (Three Springs) who upped the antics and took home a very impressive 50 break badge, only seen a few times in WA Sporting history. Even with the strong competition, the overall High Gun for the weekend went to Ben Sgro (Pegasus) shooting consistently over every ground to land a total of 179/200, one target ahead of Paul McGowan.

## WA RESULTS

Not all places were as easy to determine with two shoot-offs concluding the event on Sunday afternoon. As the crowd watched on Paul Pitaro and Hendrik Rheeder fought for second place in B grade while Andrew Beckett and David Hamilton battled it out for 3rd place in A Grade. Congratulations to Paul and Andrew for securing the wins.

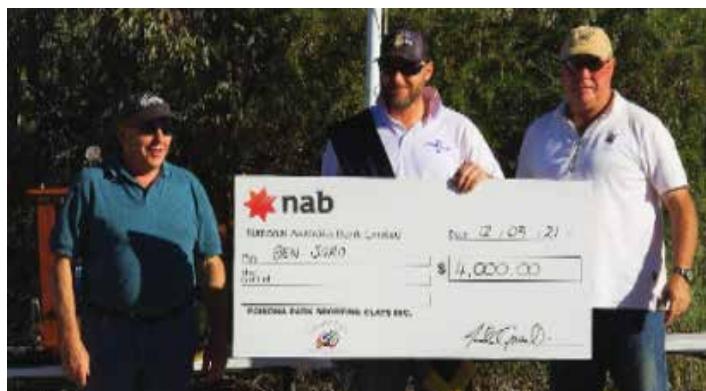

An impressive prize pool was up for grabs thanks to the generosity of the event sponsors, Echidna Park and Sporting Clays WA with Ben taking home \$4000 for the event, not to mention some pretty good bragging rights. Grade winners also got to dip into the cash pot with 1st place claiming \$1000, 2nd place \$400, 3rd place \$200.

With the final scores for the State season added to the leaderboard, it was time to reveal our Aggregate Champions; a chance to reward those consistent and present throughout the year. Once again consistency prevailed for Ben Sgro winning the 2021 WA State Aggregate High Gun with 498.95% after claiming three of the six High Gun titles at the State Qualifiers earlier in the season.

Congratulations to our Top 10, Ben Sgro, Clayton Dennis, Rhys "Boodge" Howard, Paul McGowan, Steve Tunnicliffe, Mitch McCashney, Ben Whitcroft, Tony Trainor, David Knight and Alastair Crookes. Clubs also gained some bragging rights for the year with a strong representation of members throughout the top 10 with Perth Metro 1, Moora 2, Hastings 2, Three Springs 1, Pegasus 1 and Echidna Park 3.

Thank you to the Top 10's generous sponsor Paul Bailey, of Bailey Painting services for your continued support.

Echidna Park is scheduled to host the SCA Nationals 2022 and are excited to once again showcase what WA Sporting Clays has to offer and compete across some of the Country's most exquisite grounds.

## ROCKY GULLY

It has been a busy few months at Rocky Gully Sporting Clays. October saw the annual Monarto Cup shoot, a friendly inter club competition between Rocky Gully and Hellenic Shooting Sports, our neighbouring club. Both of our clubs have strong ties going back many years and such friendly competitions help to strengthen these bonds. Members from both clubs shot one event at each venue and the best three scores from each team in every grade (AA, A, B C) count toward the tally. The first leg was held at Hellenic Shooting Sports on a somewhat windy day. Both teams put their best competitive foot forward to try and get the early lead but Team Rocky Gully came up ahead 388 to Team Hellenic's 340. The pressure was on for Team Hellenic to make up the difference the following week.

The Second leg of the Monarto Cup was the following week at Rocky Gully Sporting Clays. Our crew put on a course with plenty of target variation but by the scores, it looked like they really suited many shooters, with some high scores being posted from both teams. This time the Rocky Gully team posted 399 and the Hellenic team 325.

The final tally from the two events had Team Rocky Gully the clear winners 787 to Team Hellenic 665. We thank Hellenic Shooting Sports and all their members for their commitment to this friendly interclub event and we hope to see it continue in the future and build stronger ties between our two clubs.

Rocky Gully Sporting Clays held its 100 target club championship shoot this November and the weather gods certainly came to the party. Lately the whole country has been shivering in the cold even at the very cusp of summer, but perhaps we have finally turned the corner as this weekend we were blessed with clear blue skies and not even a single cloud and no to light winds, just perfect conditions for shooting sporting clays.

A full field of 90 shooters came to Rocky Gully to have some fun as well as determine who would take out the titles of Grade champions and overall club champion. The Winners of the various grades on the day would be grade champions, but overall club champion is determined by your 4 best club shoots plus the Club championship result. We think this is the fairest way to represent the best, consistent shooter over the course of the year.

The course was prepared to cover all kinds of targets with plenty of distance birds as well as short sharp close stuff. Big stand changes were the order of the day in order to maximise the variation on the course. The winner would need to be able to handle a wide range of target presentations to triumph. I thought the course would shoot tougher than the scores proved it to be.... or perhaps shooters were really on their game, but there were plenty of very healthy scores posted over the first round of 50 targets, with four "25s" shot, by Joe Densley, Daniel Falco, Jim Bologiannis and John Torresan.

The 4 contenders for club champion were placed together in the same squad, so these shooters could compete directly against each other and test each other's nerve as they felt the pressure. Daniel Falco, Jim Bologiannis, Alex Button and Peter Hicks were the 4 shooters vying for the top spot this year. After the first round, Daniel Falco and Jim Bologiannis were tied on 47/50 and Alex Button and Peter Hick on 45/50. It was close enough that everyone was feeling nervous. Round two proved to be a tight finish, with Daniel Falco finishing on 90/100, Jim Bologiannis on 89/100, Alex Button on 88/100 and Peter Hicks on 84/100.. However, special mention must go to Joe Densley who took out high gun in this event with a very impressive 91/100 including a 25.

Shak VonStanke took the Sub Juniors honors.

The novelty 'Flush Shoot' was also set up for those who wanted to shoot a few more targets out of competition, and proved to be very popular with shooters even willing to line up in the rain and wind to have a go at the team shoot.

A massive thank you goes to all the incredible sponsors for their continued support of Lake Bonney.

# LAKE BONNEY OCTOBER 2021

## Lake Bonney Sporting Clays 2021 Club Championship

There were favourable conditions for the 93 shooters who attended Lake Bonney Sporting Clays 2021 Club Championship, with little to no wind and only a few spots of rain in the morning. There was a challenging variety of targets presented by a mix of new and old course setters.

Only one 25/25 was shot by Jeremy Kent, who shot 70/75 to take out the top spot of Overall High gun. AA Grade was won by Burrangle shooter Jamie Dunn, 2 targets ahead of Danny Bellinger in second and Gavin Dyson in third.

Jarrad Eason took out A Grade with a score of 63/75, with Jamo second and Glen Crowe-Owen third.

Lake Bonney shooter Tim Lloyd won B Grade over fellow local shooters Plum Werchon in second and Cliff Lee in third.

Neville Jackson won C grade, with a shoot off needed to separate James Watts and Richard Try, both shooters competing in their first shoot off. After two rounds in the shoot off James Watts won second by one target.

# SA STATE TITLES

The two day, 150 target event, sponsored by Outdoor Trading Co, Torresan Estate, OSA Australia, Topshot Industries, Gamebore Australia & Gunforce attracted 97 Competitors for the event which was a good result given that the border is closed to Victorian shooters outside of the cross border zone.

Spring weather conditions were near perfect for shooters to tackle each round of 50 targets set by Ken Atkin & his hard working crew. Shooters were well catered for by Jacqui D and her hard working crew with homemade pies & delicious slices.

The 100 Target Handicap event on Saturday sponsored by Roundwood Solutions was won by the experienced Frank Kentish.

Gavin Dyson was the overall leader overnight with a solid 95/100, giving him a 1 target advantage over Jeremy Kent.

With Kent breathing down his neck, Dyson faltered on his first round on the Sunday morning shooting 18/25 allowing Kent to capitalise after shooting 48/50 on Sunday to take out the state championship for the fifth year in a row with 142/150.

Dyson had to be content with taking out AA Grade 137/150 from Danny Bellinger & Jo Densley.

A Grade was won by Mike McKinnon 128/150 from Wendel Litchfield and Cameron Scheidl 3rd in A Grade after a shoot-off with Rob Marcioni.
