## FROM THE PRESIDENT

What a whirlwind start to the year! Shoots have fired back up with many branches seeing some great attendances. You can read all about these events in this issue.

Several of our member states have held their AGMs for 2022 and I would like to thank all those involved in administering our activities. I encourage anyone who has a passion for clay target competition or hunting to get involved with their local SCA branch. Please try and donate some time at your club and you may be surprised how much you actually enjoy being a bit more hands on.

By now the Australian Grand Prix will have been held at Geelong. The club has completed a great deal of work prior to the event with a lot of clean fill being brought in to improve the shooting ground. Dirt mounds have been installed to assist in hiding traps, creating new shooting areas and even creating elevated positions to shoot from. I spent some time out there assisting with the setup and I can say that from high towers to shots presented under your feet, it was a challenging and very entertaining course that was set for everyone to enjoy.

Our next event will be the FITASC Championship of Oceania to be hosted by Shepparton Field and Game in April. If you are still thinking about entering then please do so as you will not be disappointed. This Oceania's major sponsors this year are Blaser & B&P ammunition and I wish to thank OSA Australia for their very generous sponsorship of this event as well as the Grand Prix. Please remember to thank our sponsors and support them whenever you have the opportunity.

The South Australian and Tasmanian duck seasons get underway in March & April respectively. At the time of writing Victoria's season was yet to be declared. I hope that everyone has a safe and successful season and enjoys some time away this year with family and friends. For those of you who may be interested in hunting opportunities in states where they may be limited, contact one of the above states secretaries and ask for some information on opportunities for traveling hunters.

Finally I must make comment on an issue that causes me great concern and that is rumors. Rumors can often start harmless enough but end in people's emotions or reputations being irreversibly damaged. The same can happen to associations and committees. Recently, there have been some rumors that the National Executive (particularly those from Victoria) were looking to fund the Australian team with \$100,000. This is completely untrue! Funding for the Australian team, like many other matters SCA deals with, is set by the board. At the December general meeting a motion was moved and passed that set team funding at \$2750 per team member and official. That is a total of \$55,000. This funding comes from SCA's consolidated revenue and consists in part of membership capitations and profit from national events. On occasion, private individuals have provided additional funding for the Australian team. I hope this explains how team funding is determined and puts to bed this unsubstantiated nonsense.

Regards,  
Anthony Panetta

# **COMPETITION NEWS & UPDATES**

## **Category or Grade at Australian Domestic Events and Masters Category**

Where a competitor may be eligible to compete in either a grade or category, they must choose one or the other. This is to be done at their first SCA event of the year. This selection must then be retained for the rest of the year.

For the purpose of international selection, all competitors will be placed in their category ie:-

MAN, LADIES, SENIOR, VETERAN, MASTER or JUNIORS

To clarify the understanding of this category the definition has been rewritten as shown

MASTER Category: Open to all shooters from 1st Jan in the year they reach their 73rd birthday.

Our rules will be updated on the web site with these changes shortly.

## **WA Nationals**

With the ability to travel to Western Australia still uncertain as of February, Sporting Clays Australia will not make a final decision regarding the location of the 2022 Nationals until May 2022. Anyone planning to travel to WA and considering making bookings, should ensure they have flexibility in their bookings in case a change of venue or cancellation is required. SCA's ability to conduct events in any state, relies upon the relevant state government covid rules applicable at the time. National Selection process

## **Release triggers**

After a request to review the use of release triggers on SCA ranges/grounds the State Targets Shooting Directors have decided that the status quo is to remain i.e. release triggers are not to be used on SCA ranges/grounds.

## **National Selection 2022**

For the 2022 Year only, a qualifying shooters results at the Grand Prix and Oceania will be used to select the Australian Team. This may be subject to further change if the Covid situation changes.

## BROKEN HILL FIELD AND GAME NEWS

By "Shellshocked"

On Sunday 5 December the Broken Hill Field and Game Association concluded another Covid effected and shortened annual program of clay target shooting with our ever popular Christmas Shoot. The weather was warm and clear, with a light breeze, and conditions were perfect for shooting clay targets. Organisers were very pleased with a very good turnout of 28 shooters.

The range was set by Josh, Gerard, Richard, Coxy, Tim and Bob, who provided an excellent variety of targets that were only just as difficult as they needed to be at a Christmas shoot. The range comprised four stations and was shot twice to make up the 60 target competition. The best shooters in each grade shot some very good totals.

The High Gun trophy was won by local champion Darryn Nicholls after a shootoff with John Dougherty from Geelong, both shooters finished with a score of 50. Darryn got an early lead in the shootoff and hung on to win the High Gun medal.

John won first place in A Grade, Adrian Locke shot an excellent 49 to finish a very easy winner in B Grade, and Milparinka regular Rodney Grenfell shot 43 for a narrow win in C Grade. Callan Lawrence shot a good 35 to win the Junior Grade.

At the conclusion of shooting the Association's President Rodney Weaver thanked all present for their attendance and support. Rodney then presented prizes to the lucky shoot winners, and also presented the Association's annual awards.

The winner of the Rex and Sidney Carroll Club Championship Cup for 2021 is

Grade winners of the 60 Target Christmas Shoot, left to right, Callan Lawrence (Juniors), Adrian Locke (B Grade), Rod Grenfell (C Grade), Darryn Nicholls (High Gun), and John Dougherty (A Grade).

Clay Johnston (at right) is presented with the Rex and Sidney Carroll Club Championship Cup for 2021 by Association President Rod Weaver.

Clay Johnston. Clay and Gerard Mahoney were our two best shooters all year and Clay snuck ahead at the finish to win his fourth club championship. He finished the year with 21 points, just a single point clear of Gerard with 20 points, and Brian Casey finished in third place with 14 points.

Perpetual trophies were also awarded to the most successful shooters for 2021 in each Grade. The trophies were presented to Gerard Mahoney (A Grade), Anthony Elliott (B Grade), and Peter Hoare (C Grade). Tom Casey was the winner of the best Junior shooter, and he received the perpetual shield donated by the Rawson family. Cassie McEvoy was our best Lady shooter.

Rod also presented the President's Shield that is awarded to a member who makes an outstanding contribution to the Association during the year. For 2021 the Shield was presented to Richard Murphy. Richard first won this award in 1988, and 2021 was the eleventh time that his name has been engraved on the shield. This represents at least 33 years of invaluable service to the Association, and it doesn't look like finishing any time soon.

The President and members of the Field and Game Association take this opportunity to thank our many sponsors and supporters for the valuable assistance they have given us during 2021. We also thank all of those members who have made a special effort on our behalf during the year, particularly our range setters, range maintenance crew, and range office staff; Mal, Brian, Cassie, Elissa and Cil. We extend best wishes for the festive season to all in Broken Hill, and to all of our fellow shooters good shooting for 2022.

Information for any event at Broken Hill is available from Association President Rod Weaver on 0407 187 498, and Secretary Cassie McEvoy on 0437 237 955.

# BROKEN HILL FIELD AND GAME NEWS

By "Shellshocked"

On Sunday 6 February the Broken Hill Field and Game Association conducted a 50 Target Simulated Field Graded Championship Shoot to get the 2022 shooting year underway. The shoot was sponsored by Bob Tweedie who very generously provided the prizes for the winning shooters. The weather was warm and a bit overcast, but not as hot as expected for this time of year, so conditions were pretty good for shooting clay targets. Organisers were happy with the attendance of 21 shooters.

Range marshals Richard, Clay, Bob and Rod set a five station layout that had plenty of variety and interesting targets to shoot at. And just difficult enough to keep the shooters honest. The best shooters recorded some good scores.

The best off gun total for the shoot was an excellent score of 44 that was shot by Brian Casey. Brian was one of the club's best shooters in 2021 and has gotten his year off to a very good start winning the High Gun medal and first place in A Grade.

Jeff Glasson shot 37 to win B Grade and Bob Tweedie shot 36 to win C Grade, both by fairly comfortable margins at the finish. Calan Lawrence was the lone ranger in the Junior Grade but shot pretty well and his first place prize was well deserved.

Information for any event at Broken Hill is available from Association President Rod Weaver on 0407 187 498, and Secretary Cassie McEvoy on 0437 237 955.

## THE NSWGC IS PLEASED TO HAVE JOINED THE SCA

We have only held one event since joining the SCA.

Our sporting event last month was well attended with 12 squads. This is a good average for the NSWGC. BBQ lunch was available to all members and guests. All shooters were very pleased with the variety of targets on the day. Everyone enjoyed the event with much chatter and discussion about how each shooter managed their targets. Finally ending with a presentation for all grades. NSWGC holds regular monthly events. We look forward to welcoming all shooters back to our Club for another enjoyable day.

**The next major event to be held at the NSWGC will be the 2 day "Winter Carnival Shoot".**

**Saturday 23rd July** will comprise 100 targets sporting.

**Sunday 24th July** will comprise 50 English pairs.

BBQ lunch will be available on both days. We are a licensed club and the bar will be open.

The NSWGC has caravan and campsites available with basic facilities, there is no charge for these sites to members or guests. There are a number of take away cafes and restaurants in close proximity to the club.

Looking forward to seeing you all there.

Lou Bellato

Senior Vice President / NSWGC

# NSW STATE CHAMPIONSHIP 2021

## HOSTED BY MUDGEES SPORTING CLAYS

After false starts due to the covid pandemic NSW eventually got to hold a state championship which was held on the Windamere range Mudgee over the weekend of November 13 & 14. Two layouts each consisting of 25 targets had been set by our club for the enjoyment of all participants. All entrants were checked for double vaccination as per NSW health rules. 108 shooters from across NSW and Victoria had nominated for the 200 target challenge. Peter Kay the NSW Clay target director checked the range each morning before shooting commenced.

On Saturday morning shooters had to compete in atrocious weather conditions, raining all day with varying wind gusts. The conditions did not deter either Adam Shale (93/100) or Robert Hall (91/100) though, who would be out in front all weekend. Sunday morning the squads were on the shooting ground bright and early starting off at about 8.30am. Weather had improved from the previous day slightly.

Sunday's scores would reveal a shoot off for the high gun between Robert Hall and Adam Shale who had both shot 179/200. Robert went on the win the shoot off.

The only other shoot off was between Chris Barrowman and Josh Bell for A Grade. Chris went on the win that grade. See table for results.

The ADRIAN HAYES MEMORIAL trophy was won by Sydney branch, but Mudgee keeps the trophy as they were overall winners for the year. After a slight mix up (these things do happen) the NSW state champion for 2021 would be Andrew Bell. Congratulations to Andrew. The NSW state team for 2021 would include Andrew Bell, Chris Barrowman, Angelo Salamon, Gary Adams, Kevin Haskins, Charlie North and Emaline Munro. Let's hope that next year our team gets to attend a national event!!

Our club would like to thank SPORTING CLAYS NSW, BERETTA AUSTRALIA, HORSLEY PARK GUN SHOP, ANN & JACKIE for catering and everyone else who helped over the weekend. Many thanks to members of the NSW state executive who attended and helped over the two days.

# STATE SELECTION SHOOT AND COFFS HARBOUR SPORTING CLAYS CLUB EVENT

The 100 Target Sporting Clays State Selection Shoot was held on Saturday the 19th of February and the 75 Target Coffs Harbour Sporting Clays Club Event, on Sunday the 20th of February 2022.

Both days were well attended with 80 competitors coming from all over NSW and Queensland, ACT and South Australia. The NSW State Selection on the Saturday had some of NSW's best vying for selection to proceed to the National Selection and the Australian team. The best for the day was Andrew Bell (Sydney) 87/100 and Aaron Knowles (Brisbane) also 87/100.

The scores reflected the quality of the targets set by the Coffs Harbour team and sanctioned by State Target Director Peter Kay from Dubbo, who was overseeing the event along with Paul Smidt (Sydney) National Executive and referee examiner, making sure competitors were adhering to the rules.

The only club competitor to make the podium on the Saturday was Adrian O'Brien in the Veteran's category with a credible 67/100. In the Sunday 75 Target Event, local clubmembers fared better. The event High Gun with an outstanding performance was Gunnedah's Matt Duncan 72/75. Club members who made the podium were B Grade 2nd George Atwal 61/75, C Grade 1st was Jed Grebert 47/75, 2nd Russel Martin 45/75, 1st Veteran's Frank Maione 61/75.

In the team's event Coffs Harbour finished 5th on 274 points with Mudgee 2 at the top with 317 followed by Sydney on 314 and Sydney 2 on 297 and Mudgee on 284.

# MUDGEESPORTING CLAYS

On the weekend of January 22 & 23 Mudgee branch hosted two days of simulated field shooting. Saturday was the first round of NSW state selection shoots for 2022. Sunday was the Jim Taylor memorial 100 target event.

98 keen shooters had nominated for Saturday's event. Two competitive ranges had been set, one by Chris Barrowman, the other by John Collier. Shooters were most appreciative of your efforts. The grounds looked more like a golf course than a shooting range due to recent rains. Our club president's wife Ann, along with Sam and Jackie had once again volunteered to supply lunch each day. Greatly appreciated ladies by all concerned. After a few words by the NSW state executive reminding all of gun mount ruling, lines on jackets etc, the first shots were fired at about 9.15am.

Both days Mudgee provided great shooting conditions for once with temps about 27 degrees each day with slight winds. No rain. On Saturday both Charlie North and Barty Brightenti had shot 92/100. Both shooters had managed one 25. After a shoot off, experienced shone through with Bart winning high gun for the day. Your turn will come Charlie !!

## The Adrian Hayes team challenge was won by Mudgee.

The first squad on Sunday were out shooting at 8.30. Sven knows how to get things rolling nice and early. Once again Bart Brightenti shot a magnificent 97 to win the day, including a 25.

Steve Whittaker will have his name engraved onto the JIM TAYLOR MEMORIAL trophy for 2022. This trophy is worked out with your off the gun score plus handicap added. Steve won it on a countback. The Jim Taylor family trophy

this year went to our club vice president Scott King. This trophy was donated by John Dickey and goes to a person who has helped in the successful running of our club. A lucky door prize was kindly donated by Horsley Park gun shop and John Dickey. All who had nominated for both days had their names go into the draw. The winning ticket went to Francis Araco who won a new straight pull shotgun. He might not get possession until such times we check on his Australian citizenship!!

Once again the club thanks NSW sporting clays, Beretta Australia, Horsley Park gun shop, John Dickey, Tania North in office, ladies for catering and those members who set the range and stay to clean up after the event.

## Bob Burns Cup

On Sunday the 13th of February our club members shot for the prestigious BOB BURNS CUP. Members have been shooting for this trophy for over 25 years. Bob who is a sprightly 94 years of age was on hand to say a few words while presenting the cup to the winner. Scores for this event are calculated by taking your first 50 targets shot, then adding your handicap. This format came about to encourage those members who normally don't participate in 100 target events especially our older folk. The range had been set by Dan Stanford who had an assortment of clays on offer including rabbits, frogs and battues. A manual trap had been set to remind all of how clubs have graduated to the automatic traps that are available today. Over lunch the cup was presented to a very happy Ian Stewart. Well done Ian. Second went to Frank Bodnar after a count back from new shooter Jimmy Anderson

## BERMAGUI SPORTING CLAYS

I would just like to take this opportunity to thank all our members and visiting shooters , along with their families , for their patience , cooperation and understanding ,over the government enforced Covid restrictions which have been placed upon us over the last 2+ years .We had not one , unpleasant issue over the 2 year period , and we thank everyone for their input.

With further relaxing of restrictions , we still ask everyone attending our shoots to be vigilant of social distancing , hand sanitizing , and general good hygiene , and if you are not feeling well , PLEASE , do not attend our shoots.

Unfortunately due to across the board price hikes for clays , transport , fuel , gas and general supplies etc etc , we have been forced to up our noms from \$50 to \$55 to help make ends meet , however our FREE LUNCHEONS are still on , and we thank our wonderful ladies committee for making this possible .

Last week we bid farewell to our best ,and most decorated shooter , Gav Moulding ,and his lovely wife Deb , who have decided to retire in New Zealand. We all wish Gav and Deb the very best in their new venture , and look forward to catching up when they return for family reunions,

We have a few members on the sick list at the moment , The one and only Patty Tennant , has been laid up for quite a while , Col O'Brien , Craigh Hurst and Bernie Parker are all feeling a bit "howyagoin " , Bobby Duncan ,and club stalwarts ,and long time sponsors, Ken (Bucko ) Buckley and Graham Peterson , are not travelling on all 8 cylinders , and quite a few others are

feeling the ravages of that dreaded disease , "candlesonthecake ". We wish every body a speedy recovery , and hope to see you all out and about at the club very shortly.

Quite a few years ago , Bega Gun Club (A.C.T.A.) , briefly ventured into the 5 stand format of shooting ,but participation dropped off ,and they have now decided to concentrate solely on their ever popular D.T.L. discipline , and kindly asked us if we would like their cages , small tower ,and trailer ,gratis . We gratefully accepted the offer , and thank Bega Gun Club for there generosity and inter club camaraderie.

We once again thank our sponsors thus far this year , Scott and Lisa Bradley from Bermagui Bait and Tackle Fishing Charter Services , Gary Georgiou and Family from Safari Firearms , and Ken Buckley and Bruce Arthurson from the Big 4 ,South Durras Holiday Bark and Classic Racing Performance Engineering .Thanks Gang for your continuing support in these troubled times.

"Bon Voyage" , Gav and Deb Moulding

Free luncheons are still on.

## VSCA UPDATE

### Aussie Junior Star makes Hall of Fame

Shepparton's Xavier Russell has been inducted to the junior honour roll of the Shepparton Sports Hall of Fame. Xavier started his career at age 14 shooting with his Grandfather and represented Australia at the World FITASC in 2019 in England. Many shoot regulars will know Xavier is supported in the sport by both his parents David & Wendy who have ferried him all over the state before Xavier got his license. Now Xavier is mobile he continues to pop up here, there and everywhere. Wendy & David are also regulars and are often seen taking photos for their very popular Ozshoots Facebook page. Xavier is keen to make the Australian team again this year to attend the world titles in Italy.

With hard work and dedication he intends to add to his World ITASC team bronze medal from 2019.

We wish Xavier all the very best as he moves from junior to seniors in the coming years.

## GEELONG SPORTING CLAYS

Geelong Sporting Clays was the host for the 17th VSCA Old Style FITASC Championships.

A maximum field of 64 competitors were present and shooting was conducted with eight squads of eight shooters. The day was very pleasant and the big boom towers were extended to near maximum height which provided a test of the shooters skills. Each Par-Cour had six trap machines which allowed the target setters to provide a great variety of targets. It is a graded cash shoot and all competitors compete in their grade and we pay out to 1st – 3rd in each grade.

As it is a State Championship the winners of all the Categories also share in the prize pool.

With Sox shooting as a Senior for the first time he blitzed the field in the open as well as the Senior Category, well done Sox. A very entertaining shoot-off for 2nd and 3rd in the open between Gibbs and Panetta saw Gibbs winning by one target.

## QSCA 2021 Compak State Titles (Delayed)

Well, we finally got there for the 2021 Compak State Titles after the cancellation late last year due to weather. This weekend certainly laid it on at Childers Sporting Clays, not only the targets, but a little wild weather as well.

The rainfall received was not projected to the degree it was given to us but the deluge mainly kept itself to Friday night & to a lesser degree on very early Sunday morning while most of us were tucked up in bed. A few of our members had a lesson in where to set up their camp (or rather where not to set up their camp).

Some of our members persisted with their travel plans & although a few roads were flooded, they still managed to get to the QSCA/Childers Sporting Clays Compak event. Considering the evening rain, the days were mainly dry.

The Club has certainly progressed forward from our last visit & the club presented 3 great grounds. Each one different, with ground one shot out of a two-level style side Truck trailer, which was enclosed.

This trailer was very welcomed by the first squad on Saturday morning. At the end of the event everyone congratulated the Club on a fantastic set up with a great variety of targets thrown over the two days of competition. Well worth the effort to get there.

# CHILDERS SPORTING CLAYS

Here at CSC we are excited to see what 2022 brings.

2021 was certainly a memorable year for our club, especially with the uncertainty of the Covid Pandemic. We were fortunate enough to pick up some local sponsorship to fund some CSC team shirts and funding through a grant secured us a Tractor, Slasher and a new undercover area to help maintain/improve grounds and give us some shade.

The QLD Compak championships was by far our biggest challenge, having been postponed due to adverse weather conditions. Once the new date was locked in, there was no stopping us. Our good friends at Fraser Coast Sporting Clays trailered up a load of traps and assisted with the event. Thanks guys!

Unfortunately, bad weather struck again, this time it was worse. Shooters

were flooded out and we were flooded in. The show had to go on and the event was shot. For us, this year is about continuing our website/social media development, our membership growth, continuing to support our Juniors, building infrastructure to support our growing family and attracting more events/titles.

Childers Sporting Clays has almost doubled its members in the last 12months and we expect this growth will continue thought 2022, Sporting Clays sells itself and with every new member comes new ideas, skills, helping hands and most importantly friends for life.

We hope all clubs are picking up traction and experiencing growth and positive outcomes throughout this addiction we call sport.

See you soon

## WA SPORTING CLAYS

SCA Nationals to be held at Echidna Park Geraldton 9th - 11th September 2022

It's all system go for the 2022 SCA Nationals to be held at Echidna Park Geraldton now that the WA border has finally re opened on 3rd March. So, start your planning now to head across to WA and we look forward to seeing you all in September.

2017 was a memorable Nationals at the magnificent grounds of Echidna Park and we are ready to host the SCA Nationals in 2022. There will be new green fields, many grounds that have never been shot over before. Some shooters will still have memories of the ground that was nicknamed the "The Victorian Graveyard"! If you enjoyed the fun and hospitality at the last WA Nationals, 2022 will be bigger and better.

There are fantastic camping facilities at the grounds with some powered sites and full amenities. When at the grounds head up to Champagne Hill for a sundowner and enjoy the views and did, I mention the catering and the fantastic abundance of seafood that will be on offer. It will be a Nationals experience to remember.

So, if you want to make a holiday trip and bring your caravan across there will be lots to see and do around the region. The wildflower season will be in full swing with some of the most spectacular and rare wreath flowers to see and tours available. Get in early if you want to book a fishing trip to the Abrolhos

islands, so you can make these Nationals a great holiday get away after being locked away for so long. In your internet browser type in Tourist information Centre Geraldton and see what is on offer.

You can fly directly into Geraldton and hire a car or land in Perth and take the scenic drive along the coast. There is plenty accommodation in and around Geraldton and camping on site is welcomed, just need to book your spot. For all enquiries, please contact State President Ian Grant 0407 939 730

# SEFGA CHAMPION OF CHAMPIONS 2021

Winners of the monthly Gambier Shooting Supplies High Gun at Burrungle park gathered at the Christmas shoot for the Champion of Champions shoot off. Ron Rhook from Western Victoria was unable to attend, so the committee invited Declan Wright to participate as a wildcard entry to join his father Chris Wright, Gavin Dyson, Jamie Dunn and Jeremy Kent. After a brief rain delay a good sized crowd gathered, 24 targets were shot on the old style sporting clay layout, Dunn, Dyson & Kent were tied which necessitated the shoot off went to sudden death. Jeremy Kent withstood the pressure to claim the title, sponsored by Elders Gambier farm Supplies.

2021 Yearly Aggregate winners for South East Field & Game's Sporting Clays competition at Burrungle Park. Of 775 Targets shot at Burrungle Park in 2021, Jeremy Kent shot 96% only dropping 31 Targets, Outstanding performance !

## LAKE BONNEY DECEMBER 2021

It was the last shoot for Lake Bonney Sporting Clays on Saturday, 107 shooters competed on the 60 target novelty shoot, many getting into the Christmas spirit by dressing up. There was also an extra 'Elf's Revenge' set of targets that raised over \$350 for the Royal Flying Doctors.

The High Gun prize was taken out by Dan Banning on a score of 57/60, he also managed to shoot a perfect round of 30/30.

AA grade was won by Danny Bellinger, on 56/60. Second place went to Jeremy Kent, third Mark Fabris, fourth Chris Von Stanke, fifth Steve Scheidl, and sixth Tom Weir. A grade first went to Burrangle shooter Tim Widdison, ahead of Leigh Peterson, third went to Liam Bottomley. B Grade was taken out by Lake Bonney Local Tim Lloyd with a score of 53/60. Trevor Whitehead won C grade ahead of Reg Hamilton and Richard Try. Veterans first place was taken out by Rolf Budgen, second went to Geoff Lowe and Neville Kent rounded out the top three. Seniors grade needed a count back to settle first and second with Chris Wright taking the top spot from Ernie Scheidl and Bruce Oakley coming in third. Ladies was won by Tasha Bellinger, second went to Kingston shooter Kellie Peterson and third going to Megan Whitehead. Burrangle Junior shooter had no competition in his grade to keep him from taking the first place ham. There was a larger than normal field of sub juniors, Shak Von Stanke took out the top spot, Darci Bell won second and Charlie Sims third.

As it was the final shoot for the year the aggregate medals were also handed out, Mick Banning took out the Overall Highgun for 2021. Handicap Highgun went to Herb Whitehead. Ernie Scheidl won the Seniors Grade. President Wayne Gurney took out the Veterans aggregate. Megan Whitehead won the ladies medal while her son Liam Millard won the Sub Juniors category. Junior Highgun went to Declan Wright.

Lake Bonney sporting Clays would like to thank all who supported the club in 2021, looking forward seeing you all in 2022 and Merry Christmas!

## ROCKY GULLY

Rocky Gully closed out the 2021 shooting year with a novelty shoot, 100 targets of American super sporting. What's American Super Sporting, you ask? The format is all pairs, with three traps a stand, just like a regular sporting layout except shooters get three report pairs and a sim pair per stand. This is something seen run overseas that we have been looking to put on for several years, but scheduling issues and COVID unfortunately meant it couldn't happen until now. Shooters reacted very positively to the new style of competition, with the "all pairs" format with several different combinations of pairs keeping shooter interest high. With the excellent reception and very positive feedback from the shooters, it's something we look to put on again next year!

December saw us finishing the year firstly with our AGM honoring two of our hard working members. It started with a Fantastic Lunch (Thanks to Peter Hicks in the kitchen) followed by dedication of the club rooms to Rocky Gully member Bryan Stokes, with the club rooms now to be known as Stokesy's Shed in honour of the great contribution that Bryan and Vicki Stokes have had to Rocky Gully Sporting Clays over these many years. Bryan has served as President and Vice President at the club as well as serving as State President 2014-16 and State Treasurer 2017-2019. His efforts were instrumental in helping to transform the club from what it was in the past (an old place that had seen better days, into the great and modern facility it is currently. Thank you, Bryan, from all the committee and members at RGSC, we would not be here without you.

Onto the AGM and members present voted to award Greg Dawes Life Membership. Greg has also worked tirelessly for the club as well as at the State and National level, holding position as Club President 2012-2013, Club Treasurer 2006-2012, 2014 to present, State Treasurer 2014-2016 and State Target Director 2017-2020. Ask anyone around Rocky Gully and they will tell you that Greg is at the heart of our club and one of the reasons we have been able to come so far. A life membership seems small recompence for the countless hours of work on behalf of the club that Greg has put in, but we are pleased that we can honour you in such a fashion.

Special mention also to Jynette Dawes who worked tirelessly in the canteen feeding us all from 2013 until our last shoot of the year 2021. Thank you Jynette for everything you have done for Rocky Gully over these many years. Enjoy your spa treatment, it is well deserved.

Bryan with the plaque.

Wendel Lichfield club president, Peter Perry past club secretary, Bryan & Greg Dawes new club life member.

2021 Club Committee with Bryan.

# ROCKY GULLY RESULTS

## January 2022

Our first 75 target shoot of the year in January sponsored by Club Members Allan And Jill Marden. Target Setters did a brilliant job setting out a great course to kick off the new 2022 year. Conditions were a bit challenging due to a light but steady rain that had most of us soaked by the end of the day. For January at Rocky Gully, so much water falling from the sky that might have us being confused for Brisbane doesn't happen all that often. Still it was almost 30 degrees so wet or not, people still got out to shoot well and enjoy themselves in good spirits.

## February 2022

February's 75 Target Shoot was sponsored by Store Data - Alex Button. Perfect shooting weather, low 20's and light cloud cover. The course was set around the back of the property taking us to ground that not a lot of people have shot over, with some challenging but interesting targets. Choosing to the option to set 5 target stands meant that we got to use a couple of extra locations, and its always great to have some more variety. Using the terrain to cunning effect meant that where you looked for the target and your hold point were very critical. It was always good to let another team of knowledgeable course setters loose on the grounds to dish up something just in time for the big competition season.

## ***F16 SPORTING***

The Blaser F16 is the latest result of German engineering and experience. Thanks to balancer in the butt stock and the possibility to fix balancer weights on the barrel, the F16 Sporting can be balanced individually. An adjustable comb is available on request. By devising the lowest profile receiver in its class, the F16 is provided with an exceptionally low centre of gravity. This leads to an outstanding balance and less felt recoil at the same time making it the perfect companion for both hunters and ambitious clay target shooters.

Configure your F16 at [www.blaser.de](http://www.blaser.de)
