## FROM THE PRESIDENT

To All Members of SCA

The 2022 AGM of Sporting Clays Australia was recently held on 26th November 2022 in Melbourne. At the meeting, a new SCA Executive was elected for 2022/2023 which comprises of the following people:

National President - **Ian Grant**, WA

National Vice President - **Gary Harper**, Tasmania

National Secretary - **Glen Rider**, Queensland

National Treasurer - **Andrew Fairfield-Smith**, NSW

National Target Director - **Steve Chilton**, VIC

I had the good fortune to be elected by my peers as the 2022/2023 SCA National President, which is a great honor to be the representative of the premier Australian Sporting Clay Association. Most people would know me for being a part of the great team from WA who put the recent SCA Nationals together at Echidna Park and also back in 2017 when we held the SCA Sporting Nationals as well. I am also the current State President of Sporting Clays WA.

I can assure you all that my reason for taking on this role in our Association is only full of good intentions & for the betterment of our sport. I believe it is imperative that for our Association to move forward we must be a united Association. Our shooting Association (SCA) is paramount and no one person is greater than the sport. We need to continue with our success both here in Australia and on the world stage. There is so much talent within every state and we need to continually support and develop not only our existing champions but our up-and-coming shooters of tomorrow. For a small shooting country, we certainly do produce some champions.

During the tough times we have all endured these past few years under the Covid restrictions we can report positive news that our Association (as a whole) continues to grow in membership. This is a testament to all the hard work everyone in our Association has played in growing the sport. To keep this growth moving forward it is vital that we all continue to stand together in this promotion and work together towards the common goal in being the Premier National Sporting Clay Association in Australia. When there is team work, transparency and collaboration, amazing things can be achieved. The very future of our sport depends upon that.

Part of the immediate process will be for the new SCA Board to bring to the table through consultation with our member bodies, a new draft SCA Constitution by mid-2023 on what is required to move the Association forward into the future.

I am excited to Chair a very diverse executive and board and look forward to working with them all.

Our new SCA Executive may not be able to fix everything, but please know that we are prepared to listen.

In closing, I would like to say thank you to the previous SCA Executive and their families for all the volunteer work they did for the National Association over the previous term. On behalf of myself and our new executive we wish everyone a very safe and wonderful Christmas with your families. May 2023 be a great new start for us all.

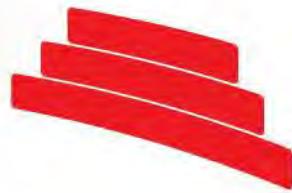

See you around the grounds.

Ian Grant  
President SCA

## SPORTING CLAYS AUSTRALIA - MEMBERSHIP RENEWALS

Question - Are your Revsport online contact details up to Date?

Just a Heads up Everyone

As 2022 runs out many of our members will be receiving their Membership renewals for 2023 by Email contact in the coming weeks.

We cannot stress the importance in having your correct details entered against your name in the membership system.

If you have moved, (or as in some cases have incorrect information in your on-line account), do not be surprised if your membership card or magazine does not reach you. When you go online to renew please have a double take with your personal details & make sure they are correct.

Keeping these details up to date is an easy process to change in Revsport  
Please help us to help you, to keep you informed

If you have lost your log in details or need assistance we are here to help, You can Email us for assistance @

## UNIVERSAL TRENCH ROUND 1 – NEWCASTLE- NSW

What a fantastic weekend it was in Newcastle!!! 93 shooters, awesome weather, fantastic venue, everything running like clockwork and an awesome friendly atmosphere ensured everyone having a great weekend of shooting!!

While the weather was great both days we did have plenty of changing light and a breezy Saturday which helped keep scores lower than normal. Sunday was warm and sunny and most of the Victorians spent most of the day asking what that big round hot orange thing in the sky was called again??

A big thanks must go to Newcastle Lake Macquarie CTC and their president Kenny Turnbull and the committee for their efforts in making this such a successful shoot. These guys leave no stone unturned for us and it is greatly appreciated. To get 16 squads thru each day and be done by 3:30pm is a great achievement.

Well done to Matty Schiller who put the foot down on the accelerator on day 2 to shoot 74 of the last 75tgts to take a 1 target victory over Samer Salha!! Not many people had heard of or knew Samer before this weekend but his top performance shows it wont be the last we do hear of him. Great shooting guys

Anna Shadrina showed her form that won her a World Championship shooting a very respectful 185/200 to claim the ladies title. Well done Anna

Juniors it was Cooper Reading back from a bit of a break and shooting a great score of 186/200 to claim both A grade and Junior title. Great going Cooper!!!

Seniors Title was Martin Collumb showing them all how its done once more from Phil Matthews and Greg Hunt. Martin scored 177/200 for his win.

Veterans was the old war horse John Maxwell shooting with a bung shoulder but still managing to shoot a very respectful 185/200 to take the Veterans title. Good luck with the shoulder surgery John!!

The winner of the free noms for 2023 NSW State UT at Newcastle was Alistair Scott. It was great to see Al back at the UT events with

Al being a big supporter in the beginning to get UT up and going!! Thanks Al and well done

Lastly we must thank our amazing sponsors in Frank Sensi and Paul Mota for their efforts in making sure that UT had great prizes up for grabs in Round 1!! Thanks boys it was greatly appreciated!!!

We also thank Craig Mitchell from LeadPro for their sponsorship of the 2023 series.

We look forward to seeing everyone in Perth in January for Round 2

# BROKEN HILL FIELD AND GAME NEWS

## 38<sup>TH</sup> ANNUAL 150 TARGET SILVER CITY CHAMPIONSHIPS

By "Shellshocked"

On 8 and 9 October the Broken Hill Field and Game Association, after a two year Covid 19 lockdown, once again hosted its premier simulated field clay target shoot for the year, the thirty eighth annual 150 target Silver City Championships. The weather over the weekend was mostly mild to warm, and sunny, with a breeze that was just strong enough to keep the flies from hanging on. Very good conditions for shooting clay targets. Organisers were delighted with an excellent turnout of 75 shooters from across New South Wales, Victoria and South Australia, particularly from Sunraysia and the Riverland, who competed for an impressive range of sashes and trophies.

Range marshal Josh Edgecumbe, with the assistance of a cast of thousands, and Will from Sunraysia, worked very hard to set an excellent range layout that provided plenty of variety and interest and fun for the shooters. The degree of difficulty of the targets was on the friendly side of average which made for very enjoyable shooting and drew many compliments from the shooters. A job very well done.

The best overall score for the shoot was an excellent total of 135 recorded by AA Grade shooter Brad Harris from the Sunraysia club who won the Silver City Shield High Gun sash with just a single shot up his sleeve at the finish. Brad shot very consistently over the whole weekend to claim a clean sweep of the first place prizes in all three individual championships.

The AA Grade sash was won by Brian McGaffin, also from Sunraysia, who shot 134 and was looking for that extra shot or two all weekend, but you never seem to be able to find them when you need them most.

Loxton shooter Brad Gillespie had a very successful weekend in Broken Hill. He shot an excellent score of 132 to win the A Grade sash by a very comfortable margin, and he finished in first place in both of the graded events on the program. Local shooter Travis Casey was second overall in A Grade, and managed first place in the 50 Target Handicap shoot on Sunday.

Silver City Championship High Gun and Grade Champions; (left to right), Gary Meehan (C Grade), Adrian Locke (B Grade), Brad Harris (High Gun), Brian McGaffin (AA Grade), Dylan Bolesey (Junior), Brian Casey (Senior), Brad Gillespie (A Grade) and Julie Gillespie (Lady).

Local shooter Adrian Locke also had a great weekend. He shot very well and very consistently for an excellent score of 123 to win the B Grade sash and take a clean sweep of the graded events. Rowan Murphy travelled up from Swan Hill and was rewarded with first place in the 50 target handicap event with a score of 58.

Broken Hill shooters shared all the first place prizes in C Grade. Gary Meehan shot a very good score of 111 to win the first place sash over 150 targets, and he also won the 100 target graded event on Saturday. Hayden Beven finished with 109 for second place overall and won first place in the 50 target handicap event with a score of 63.

Loxton shooter Julie Gillespie has been a regular competitor at the Silver City Championships. This year Julie was easily the best of the lady shooters taking a comfortable first place in the 150 target event, and winning the Ladies sash, with a great score of 113. Julie also won the 100 target graded event on Saturday. Karen Miller from the Renmark club shot an excellent score of 61 on Sunday to win the 50 target handicap event

Western Auto Electrical Championship grade winners (left to right), Adrian Locke (B Grade), Brad Gillespie (A Grade), Julie Gillespie (Lady), Dylan Bolesey (Junior), Gary Meehan (C Grade), Brian Casey (Senior) and Brad Harris (AA Grade).

Brian Casey is one of Broken Hill's more successful shooters with good wins this year at home and away. Brian continued his good form with excellent shooting to win both the 150 target and 100 target graded events with a great score of 130 and he was an easy winner of the Senior sash. Tony McGauchie from the Renmark club shot an excellent score of 61 on Sunday to win the 50 target handicap event

The Junior Grade was dominated by Dylan Bolesey from the Sunraysia club who shot extremely well for a total of 129, fifth place off the gun for the shoot, and he won the Junior sash by a very comfortable margin. Dylan also won first place in the 100 target event on Saturday. Broken Hill junior Lincoln Casey shot a very good 62 on Sunday to win the 50 target handicap event.

The Claypan Penguins Handicap Team Championship was won by the Broken Hill team, "Team Casey". Family members Brian Casey, Travis Casey, Tom Casey and Lincoln Casey all shot extremely well to score 661 on handicap which was easily good enough for the championship win. Another Broken Hill team "Mullet & Co." finished in second place with 653, and the Riverland/Sunraysia team "Rat Pack" took third place with 650.

# 38<sup>TH</sup> ANNUAL 150 TARGET SILVER CITY CHAMPIONSHIPS

At the conclusion of the shoot Association President Rod Weaver thanked all shooters for their attendance and presented the trophies to the lucky winners. The visitors, who made up two thirds of our shooters, and who in many cases had travelled a long way to participate, received special acknowledgment. Rod thanked all who had helped with the organisation and running of the shoot; Vicki, Steve and Nick for managing the kitchen; Cassie, Brian and Mal for a great job in the nomination's office; and of course, the range marshals for an exceptional job with the targets.

Rod extended a special vote of thanks to the Association's sponsors; Western Auto Electrical, Top Gear Engineering, the Claypan Penguins and Sumtin Electrical for their valued support which is essential to the success of the Silver City Championships. Also to Hayden and Mocka for donating the prizes that they won to be shared among the junior shooters in attendance.

Information for any event at Broken Hill is available from Association President Rod Weaver on 0407 187 498, and Secretary Cassie Hibberd on 0437 237 955.

## 75 TARGET SIMULATED FIELD GRADED CHAMPIONSHIP

By "Shellshocked"

On Sunday 6 November the Broken Hill Field and Game Association conducted a 75 target Simulated Field Graded Championship. The shoot was sponsored by Jamie Bolton of Bolton's Precision Engineering who very generously provided an excellent range of prizes for the winning shooters. The day was warm and sticky with little or no breeze and despite shooters having to acclimatise for the first hot day of the year conditions were pretty good for shooting clay targets. Organisers were very happy with the attendance of 28 shooters.

Grade winners of Bolton's Precision Engineering 75 Target Simulated Field Graded Championship, (left to right), Gary Meehan (C Grade), Brian Casey (High Gun and A Grade), Tom Casey (Juniors) and Tim Millsteed (B Grade).

The championship was also an opportunity for shooters to compete for the Ian West Memorial Trophy, a significant award on our calendar of shoots. Ian was a very highly regarded member of the Field and Game Association and the presentation of his Trophy gives all members time to reflect upon the significant contribution made by Ian, by Garry Rawson, Rex Carroll, Les Birrell, Mick Smith, and by others who are unfortunately no longer with us.

The range was set by Brian, Tim, Richard, Bob and Anthony who did an excellent job to present a very good variety of targets in a compact range of five stations. The targets were a bit easier than average but still easier to miss than to hit. They made for very enjoyable shooting and the best shooters recorded some good totals.

The best score off the gun was an excellent total of 67 that was shot by Brian Casey who has been the club's best and most consistent shooter all year. Brian was a deserving winner of the High Gun Medal, first place in A Grade, and the Ian West Memorial Trophy.

The result in B Grade was very tight indeed. Tim Millsteed shot 62 for the first place prize and he was closely followed by no fewer than five shooters who all finished with a score of 60. Gary Meehan was a comfortable winner in C Grade with a good score of 57.

Club President Rod Weaver presents the Ian West Memorial Trophy to Brian Casey

# 75 TARGET SIMULATED FIELD GRADED CHAMPIONSHIP

Tom Casey continued a good run of first place finishes with another win in the Junior Grade, and an exceptional score of 65 for second place overall. But still not that far ahead of younger brother Lincoln who shot 62 for fourth place overall.

Information for any event at Broken Hill is available from Association President Rod Weaver on 0407 187 498, and Secretary Cassie Hibberd on 0437 237 955.

BROKEN HILL - 6 NOVEMBER 2022

## RABBIT CHALLENGE COOMA

On Sunday 18th September Cooma Sporting Clays hosted the annual RABBIT CHALLENGE, this shoot also incorporates the prestigious Coomagui Cup first leg. The Coomagui Cup's Inaugural year was inspired by the Cooma & Bermagui clubs in 2001 to encourage shooters to attend the shoots in the winter months and bolster shooter numbers, encourage shooters to travel, support each other and generally have an enjoyable time. Now 21 years on those who inspired the concept would be proud to see how the "cup" continues to be a hotly contested affair.

The Snowy Mountains certainly added to the overall challenge with blustery conditions that varied throughout the event not to mention the chill off the late season snowfalls.

The range setters did an amazing job setting two great ranges that saw a terrific array of targets even in the windy condition that were well received by all levels of shooters. Thank you Adam, Geoff, Doug along with Mick, Steve & Russ for making the day so enjoyable.

A big thank you to the 75 competitors that attended to compete in the event. Special mention to the 16 Bermagui Members who made the trip up the hill.

The successful running of CSC club shoots would not be possible without the generosity of our amazing sponsors:

This shoots sponsor was **"Schofield Shearing"**

The Rabbit Challenge is a 100 target off the gun event which is broken into graded categories. The event saw good numbers of shooters travelling from Bombala, Bermagui, Wagga, Goulburn to enjoy a day of great targets.

The Rabbit Challenge sees 24 Rabbit (or ground running Targets) that are represented across both ranges with the shooter hitting the most targets being crowned the Rabbit Challenge Champion, this year saw Cooma Local Lyndsey Blewitt taking out the title with 23 out of 24 possible.

While onto the Coomagui Cup in 1st leg the six best scores, two from A, B & C Grades are tallied up and stands as each clubs overall for the day. The result of the first leg saw Cooma coming away the victors

with 454 targets to Bermagui's 418 an impressive performance. You can rest assured that Bermagui will present their A game when next Sunday Cooma travel to their stomping ground for round 2.

Event results were:

18 SEPTEMBER 2022			
RABBIT CHALLENGE SHOOT			
High Gun		Warren Thorpe	88
A Grade	1st:	Doug Alcock	84
	2nd:	Robert Shaw	82

Juniors	1st:	Hayden McGrath	77
	2nd:	Zach Poucher	70
	3rd:	Montana Schofield	53
Ladies	1st:	Penny White	63
	2nd:	Michelle Craig	56
	3rd:	Krista Mower	53

Vice President Doug Alcock presenting prizes to Junior Winners

## RABBIT CHALLENGE

B Grade Winners are Grinners

The Happy Cooma Team took home the first leg spoils - Adam Mower, Doug Alcock, Mark Coleman, Neil Poucher, Richard Sears and Trevor Heise.

Cooma Sporting Clays next event will be held on the 16th of October with the running of the Death Valley Challenge sponsored by Cooma Cranes. Nominations at the range from 8.30am and competition to start at 9.30am.

## SPORTING CLAYS NSW - TRAINING CAMP SUCCESS

In June of this year, I (Sporting Clays NSW Team Manager) took several juniors and ladies to the National Ladies and Junior Training Camp held at Geelong Sporting Clays each year.

From that weekend an idea was born. A month later I pitched the idea to the NSW committee to hold an event specifically targeted at B & C Grade shooters as well as ladies and juniors. After a few suggestions were thrown around and a couple of phone calls made, a host club (Mudgee Sporting Clays) was secured. In fact the Mudgee committee did not hesitate to accept the request when asked if they would be interested in hosting the event and enthusiastically put the wheels in motion. The weekend of 19 & 20 November was set and what started as an ambitious idea, quickly gained momentum and was shaping to become a great weekend.

Sporting Clays NSW had not hosted a formal training/coaching weekend for its members for many years. The running of this event was intended to be a trial to gauge the interest with a view of potentially holding more in the future. Eleven phone calls were made to current and former NSW state team representatives, and within a few hours we had ourselves a training camp in the making with ten of the eleven people contacted available and willing to pass their skills and experience onto those wanting to attend the training camp. The next step was to develop a format for each day and after some discussion with a few of the trainers a planned format was created. I also made contact with former Australian Ladies Olympic Trap shooter and SSAA National Coaching and Membership Development Manager, Gemma Dunn. A casual Sporting Clays shooter and local icon of shooting sports Gemma was contacted to enquire how we could secure her services for the weekend. Before I knew it a partnership between SC NSW and SSAA was formed and the planning was taking shape.

After a couple of emails to NSW Sporting Clays clubs, posts on club and Home of Sporting Clays Facebook pages, and flyers advertised at several club shoots leading up to November, participants were invited to attend a full days training which consisted of:

- **Welcome and Introductions**
- **Presentation - Shooting Fundamentals** - Mastering the Basics (refer to SSAA magazine - The Australian Junior Shooter (issue 27))
- **Presentation - Eye Dominance**

- **Afternoon training session** - Practical shooting with trainers
- **Presentation - Chokes and Ammunition**
- **Question and Answer session**

After 1 day of advertising, 18 interested shooters were booked in and it became clear very quickly that less experienced shooters were looking for training to improve their shooting.

Once nominations had closed, we had 42 shooters locked in to attend of which some travelled from as far away as Narooma and Cooma in the south, Orange, Dubbo and Warren in the west and from Sydney and the Central Coast.

Fast forward about 6 weeks and the training camp was on. Several groups of participants arrived at the Mudgee grounds on Friday afternoon ready for the day that followed. The weather was looking like being a perfect 23 - 27 degrees and sunny both days and despite Sunday being windy, it didn't impact on the enthusiasm of the trainers or participants.

Despite a few cancellations due to work and family commitments and illness in the week leading up to and on the weekend of the event, 23 participants attended on Saturday.

Myself and Gemma and our team of helpers were at it bright and

early Saturday morning putting the final touches on things, setting up a display area, and preparing for the morning presentations that were planned. After a quick brief with the trainers about the format of the day, the need for heightened safety awareness, and the areas we wanted the trainers to focus their attentions on (e.g. having a plan, sticking to the process, feet position, gun hold and focal points, and the various methods of acquiring a Sporting Clays Target), participants started to roll up. After welcoming the shooters to the SSAA Windemere Regional Shooting Complex the first of the two training camps was underway.

The group started very enthusiastically listening to Gemma deliver her two presentations and by the time we split into groups and headed out to the range for the morning session of shooting, you could feel the positive vibe amongst the participants and trainers..... it was shaping to be a great day.

After 2.5hrs of shooting, the shooters returned for a well earned BBQ lunch. With Beef or Chicken hamburgers, sausages and salad on offer, the ladies in the kitchen really turned the tucker on, with many rounding lunch out with some Rocky Road to keep the energy levels up.

After a midday presentation on dealing with pressure to give the participants a break from shooting they headed back out to the two ranges that had been set for the afternoon session of shooting with their trainers.

By the time 3:30pm came around, there were plenty of tired and weary shooters and trainers so we started to wind the day down with a presentation by Peter Kay, NSW Clay Target Director on chokes and ammunition which generated a lot of group discussion.

With the afternoon sun fast approaching new shooters attending Sundays training day started to arrive at the club. As they were setting up their camp sites we rounded the Saturday training camp out with a question and answer session that was created by the participants and trainers throwing questions in a box throughout the day which were either specific to a person, directed at all the trainers or asked anonymously. We made it a fun session with plenty of serious discussion and a fair few laughs with some banter thrown in along the way as we ended the day with a big thanks to all of the participants for their attendance, and the trainers for giving up their time. As most of the participants headed home, some stayed and enjoyed the night camping at the club. The night was consumed by a few quiet drinks and plenty of discussion about what had been learnt throughout the day before heading home the following morning.

After plenty of thunder and lightning and a fair amount of rain in the wee hours overnight, the sun rose on Sunday to clear skies and a howling westerly. 14 participants attended. One couple (Anthony and Alana) from the previous day even came back on Sunday for a half day of shooting to reinforce their learning from the day before, whilst a third person (Peter) stayed for the whole day after attending Saturday. Several people commented that they would have loved to come back with a couple heading home to shoot their club shoot and reinforce their learning.

The new group in attendance on Sunday started just enthusiastically (albeit a bit shy and a fair bit quieter to start with) but with a smaller group of 14 in attendance we were able to modify the day a little from what we had learnt from the first session the day before.

The day ran in the same format as the first day of the training camp but with only 2 participants per trainer, and some 1:1 coaching for some, there was no shortage of shooting time available to

the participants. So much so we reduced the shooting time so everyone could get away and return home at a decent hour.

As the sun was falling fast from the sky on Sunday arvo, there was no doubt everyone who had attended or played a part in this two day training camp had witnessed something exciting for Sporting Clays NSW. The weekend was a great success with feedback from participants, trainers and Mudgee Sporting Clays club members who helped with the running of the weekend overwhelmingly positive. We were all feeling very proud of what we had created and how it had been delivered.

None of this however would have been possible without the willingness of the Mudgee Sporting Clays executive committee who agreed to host the weekend and assisted with the preparation. Gemma Dunn (SSAA) for her presentations and assistance with training the girls and of course our very talented and willing current and former state team members who gave up their weekends to pass on their knowledge and experience to other shooters.

An unintended consequence of the weekend was that the running of the event also generated two new lady members and one renewed membership. Attracting new members and developing the skills of existing members is critical to the longevity and future of our sport.

With a new Coaching Director (Doug Alcott) voted in at the recent Sporting Clays NSW AGM, we are considering making this a calendared event each year with the option of running additional smaller days at clubs where the need arises. One thing that is for sure.....good things are happening at Sporting Clays NSW. With a focus on developing the ladies, juniors and less experienced shooters within our state set to continue, 2023 is looking very exciting.

If any other states are interested in holding such events and would like more information, please feel free to contact me on 0412 929959.

# MUDGEESPORTING CLAYS FIOCCHI SHOOT 2022

Over the weekend of November 9 & 10 our club held our annual two day FIOCCHI SHOOT. This event has been sponsored for a number of years by TSA OUTDOORS & THE HORSLEY PARK GUN SHOP. We thank JD and Michael McNabb for the continued support.

This year the number of competitors was slightly down due to a number of factors including the threat of flooded roads in western areas of the state. Those who did attend were treated to a great assortment of simulated field targets including a rabbit that had webbed feet. Many thanks to STEVE TYDD who put up his hand to generously sponsor that particular station. The cash money on offer was shared around as much as possible with Angelo Salamon winning the AA,A and Craig Kurtz the intermediate high gun on that station. Sandra Dickey won the lucky dip cash envelope. For once we were blessed with good weather each day.

Saturday's results are as follows

High gun went to Angelo Salamon with 93/104 after a shoot off with Frank Scambellone.

## MUDGEESPORTING CLAYS FIOCCHI SHOOT 2022 SATURDAY'S RESULTS ARE AS FOLLOWS

## NSW Tri Gun State Championship

Based on accumulated scores of the three disciplines (20g, O/U and SxS) on the Friday, Saturday and Monday.

## MUDGEESPORTINGCLAYS

It is with much sadness that our club report the passing of our club patron and elderly member Robert Burns, known to all as Bob. He lived a long and joyous life being well into his nineties on his passing. Bob joined our branch not long after it was formed in the very early nineteen eighties. Back then we shot on Saturday evenings on the Buckaroo range and Bob would always be in attendance. He spent many hours in his back shed tinkering with various items so he came up with the idea of the BB Cup so as to provide some competition that would provide much "banter" between members at our Saturday evening shoots. Maybe Bob should have called it the "banter" cup as it was always hotly contested. It was to be a fifty

target competition with the shooters handicap added so as to give all competitors a crack of having their name engraved on the cup. That was thirty years ago and members still shoot in this event twice yearly at the Windamere range. Bob would always be in attendance to present the cup along with the odd bottle of wine to the lucky winners.

A number of years ago Bob was honoured with life membership of our club. Not many of our monthly meetings where our clubs business was discussed, Bob was not in attendance, even in later times getting his wife to drive him down to club Mudgee. At our annual general meetings Bob took great pride in taking his place to call for nominations to fill club executive decisions.

Bob was not only a keen clay target shooter but spent plenty of time in the bush shooting game. For some reason many a black duck fell out of the sky straight into his camp oven. He valued his time fishing and shooting pigs with the Stubbs family on their many western area trips camping on the river bank. Bob loved a whisky or two with his camp mates and no doubt this led to many yarns being told on those treasured trips.

I will describe Bob as the GENTLEMAN member of not only our club, but society in general, never swearing or saying anything bad about anyone. Very rare indeed these days. Our condolences go out to his wife Pat, sons Bill, Jim and Gordon. RIP Bob.

# QSCA DECEMBER 2022 UPDATE

Well, that is just about it for another Year. With a full Queensland Calendar We completed all our competitions on time, apart from the Rescheduled English Sporting Event at Beaudesert that was moved out to November due to rain. Although we closed out in a flurry for the year starting with the Compak Nationals held in Brisbane (reported separately) over the weekend 8th/9th October. Well done Brisbane Sporting Clays with Jason putting on some technical targets.

Next Cab off the rank was the QSCA State Compak Titles at Fraser Coast. Simon Patterson and his team spent many days on the range preparing the grounds & placing traps for the event. Another great event by this Club. I can see why this Clubs membership continues to grow, friendly & a passion for Sporting Clays in its many forms. Many Thanks Simon from the competitors, we are looking forward to next year's event.

In the words of Simon **"At the end of the event, I can declare we had a ball hosting this event and look forward to running the same shoot and more in 2023."**

## Groupie of most Competitors that stayed for Presentations at the Fraser Coast QSCA Compak State Titles 2022

Many Thanks again Fraser Coast Sporting Clays Club for hosting the event. It was well set up with good variety of targets set over different terrain & background, enough for everyone with many happy faces. Congratulations to the winners, also to those members who came to the event but did not make the Podium. Our events need everyone to be there to help in making it a success, the Clubs appreciate seeing a full entry board as it makes their efforts even more worthwhile.

Thanks to **Trueflight** (Aaron Knowles) for supplying the additional traps to help fill out the fields with entertainment. A long trailer drag from Brisbane to get them there. Thanks Aaron

Last but not least, thanks goes out to the Sponsors -

**Outdoor Trading Company (OTC) & Queensland Sporting Clays**  
for the Trophy table.

Next Cab off the rank was the QSCA English Sporting State Titles held Saturday 12th November at Beaudesert Sporting Clays. The team at Beaudesert put on a great mixture of targets in 2/Off 50 Bird rounds for a 100 Target total event. A visit to the Club the week before laid out the Grounds.

The Crew at Beaudesert went above & beyond for this event with a new approach to the stand layout rotation. To help in getting to the shooting area they constructed & formed a new walking track up a short incline keeping everyone in the shade & avoid a 300mtr walk around in the full sun. Always a bonus when your Club has access to machinery. Smarter thinking all-round with consideration made to the members walking around the course in the Queensland sunshine.

Beaudesert Sporting Clays put on a course that was perfectly set for English Sporting. The main Architect of the event was Scott Martin who had a week off work to construct the course. That is what commitment to the sport is all about, the traps do not just appear overnight it takes a lot of hard work to make any event happen.

Again thanks goes out to the Sponsors for the QSCA English Sporting State Titles-

**Outdoor Trading Company (OTC) & Queensland Sporting Clays**  
for the Trophy table.

Although FITASC & English sporting are Sporting target disciplines they both require a different approach when setting courses. It is difficult at times to differentiate when our main focus is on FITASC events to understand the difference between the two disciplines. Remember in English Sporting if a target is double barreled you are 50% down with your score. Well Done Beaudesert Sporting Clays this event was right on target!

Well, this just about closes the year out for Queensland Sporting Clays. It has been another great year. The Clubs are working together well for the betterment of the sport. Great to see cooperation at this level from each club to each other. This type of action shows as is filters down through. QSCA membership has grown for another year. This growth has been continuing for 6 straight years. Well done to everyone involved in growing their memberships. As they say there is safety in numbers & in this ever-changing world the more members, we have the merrier it will be for our Sport in the future.

To everyone in our QSCA community, have a Safe Christmas & New Year, we look forward to doing it all again next year.

Glen Rider

QSCA President

After the Covid Years we finally had a SCA National Event return to Brisbane Sporting Clays. This time in the form of the SCA National Compak Sporting. Brisbane Sporting Clays under the stewardship of Jason Pole constructed 8 separate shooting grounds. A big achievement in the work required.

The Entries at this event were just under 100 Competitors which is usual for a National Compak competition. The all important weather forecast held good for the weekend with just one quick shower during the Competition on Saturday.

Jason certainly set up a very technical group of shooting grounds. Each one had its ability to undo a score. All angles and trajectories were covered & he certainly lifted the bar in Compak. Brisbane Sporting Clays is unique in the Ground structure that has been developed. If you were looking to find a ground to set up a cricket or football pitch, Brisbane Sporting Clays would not be a good choice. That said it is ideal for Sporting Clays & that suits us perfectly.

Our main sponsor - Bronzewing - Laporte was in attendance for the event with the Company home. A well set up unit with everything for sale that the company has to offer. Anna Shadrina was available to answer any questions the competitors had on the Bronzewing, Laporte, NSI products & even took the time to compete at the event. Good to see you in Brisbane Anna & appreciate the support you offered to this National Compak event - Many Thanks

At the end of the Event on Sunday the expected Super Shoot off for the top six would start. Each persons scores were carried into this shoot off round. vie for the title of 2018 SCA Compak Nationals Champion.

### Man (Open)

The six-man Super Shootoff Robert Hall (190), Russell Xavier (191), Adam Shale (191), Jeremy Paglia (186), Lee Berger (183) and Aaron Knowles (180). Jason again set up the Shoot off ground to the elevated high mound at the front entry of the Brisbane Complex. Some fine shooting was produced from all the Super Shootoff competitors to the watching members. At the close Robert Hall (215), Russell Xavier (214), Adam Shale (211), Jeremy Paglia (211), Lee Berger (205) and Aaron Knowles (203) In the tied spot between Adam Shale & Jeremy Paglia we went to a shoot off & after the first two rounds they were still tied. We then moved up to the top pinnacle for a sudden death round & Adam held out over Jeremy on some excellent shooting.

Senior	3rd	Mike Birgan	176/200 s/o17

Veteran	1st	Robert Brown	170/200
Veteran	2nd	Robert Matuch	165/200
Veteran	3rd	Kris Dowie	151/200
Junior	1st	Russell Xavier	191/200
Junior	2nd	Benjamin Studham	178/200
Junior	3rd	Chris Christensen	165/200
Master	1st	Victor Bowman	159/200
Master	2nd	Ian Waldron	155/200
Master	3rd	Max Kavanagh	147/200

Interesting to review the scores from the previous Compak Nationals held in Brisbane from 2018. The total scores of the podium placers are almost identical, apart from C grade & Junior leader which has elevated.

A few stats to consider from the last Compak held in Brisbane from 2018 - Chris Brown before going in to the super Shoot off was leader on 191/200 - B Grade Matt Hubbard 161/200 - C Grade George Atwal 143/200 - Seniors Peter Hall 183/200 - Veterans - Darryl Groundwater 173/200 - Ladies Maree Birgan 159/200 - Juniors Reece Cain 176/200 (No Masters back then). Always good to have the ability to reflect on the past, the more things change the more they stay the same, it seems.

Super Shoot Off & High Gun - Anna Shadrina (Bronzewing) Jeremy Paglia (4) Adam Shale (3) Robie Hall (High Gun) Russel Xavier (2) Henry Balfour (Bronzewing Old)

B Grade - Anna Shadrina (Bronzewing) Daniel McKiernan (3) Dan Davis (1) George Atwal (2) Henry Balfour (Bronzewing Old)

C Grade - Anna Shadrina (Bronzewing) Kent Gould (1) James Christensen (2) Henry Balfour (Bronzewing Old)

Closing out the presentations - Anna Shadrina (Bronzewing) & John English (Brisbane Sporting Clays President)

The Compac Nationals Event at Brisbane Sporting Clays closed out the SCA year. We have to congratulate the Club for their presentation of the event & to those who helped all weekend. Without your continued support we would not be able to put on the events that keep our members entertained through out the year. Thank you Brisbane Sporting Clays

We also have to recognise & give special thanks to our Sponsor - Anna Shadrina from Bronzewing/NSI/Laporte - for their generous assistance throughout the year at many of our National events. This support does not go unnoticed from the members. A very grateful thank you from all of us.

## QSCA REFEREE COURSE

Well we finally had a break & the planets finally aligned & the schedule Referee course that should have happened earlier this year (but was cancelled due to the severe rain storms) finally happened on Saturday 10th December & we had good attendance from across all the Queensland Clubs with 13 people in attendance.

Brisbane Sporting Clays dedicated their facilities to make this happen. Many thanks Brisbane, Champions as always.

We went through expectations of being a referee through to scenarios of rules in the real life of competition. The majority of our members are well versed in Australian & International Competitions & brought their real-life experience to the discussion on how referees call the shots in other Countries. In Australia we are fortunate that most of our competitors have a good understanding of the rules as our members have to Referee their own squads during our competitions. Most counties overseas have dedicated Referees on the stands at competitions. Many of these overseas referees do not shoot, they only referee. If Australia went down that path Competitions would not happen as we all like to shoot.

After the final mark was made on the Exam papers, I'm happy to report all the members that came passed with flying colours. Well done people, good to see our members have more than a basic understanding of the rules & can keep the game on a honest footing.

# PRESIDENT REPORT

Well, the 2022 year is about to come to an end with another great year of achievements for our State. Whilst we still had at the start of another year the dreaded COVID-19 keeping us locked away from the rest of the world and some might even say we were living in our caves! It had been 2 ½ very long years that our state did not have a travelling team, and even more frustrating because at the same time we changed our name and logo, sadly COVID took casualties along the way and our inaugural State Team of 2020 could not compete due to the SCA Nationals being postponed, then we were hoping for a miracle with 2021 but the same issue no traveling State Team and no SCA Nationals.

Then finally common sense started to prevail, and the WA Premier removed the restrictions which allowed for the 44th SCA Nationals to finally go ahead. We finally had a State travelling team on home ground.

To make these Nationals happen it was a collaborative effort between Echidna Park and the State. As President, it makes me extremely proud of all our Clubs and members plus families who all worked together to assist Echidna Park who only have about 42 members and so many volunteers came and assisted to put on this great event. Volunteers are the backbone of our sport, and we can never thank these people enough.

Once again Echidna Park Club has agreed to profit share their half of the profits with the State Association in appreciation of all the volunteer's efforts of members who rendered assistance to get the Nationals all set up and during the event. As State President and a member of Echidna Park it was humbling to see so many volunteers work together for a common cause, and we did put on a great Nationals.

It certainly was the friendliest Nationals, and we all were so pleased to be able to travel and compete again. Thank you to everyone who travelled to the Nationals because the support from members makes all the hard work our volunteers put in extremely worthwhile. This Nationals will go down in the history books as one of the friendliest and well-run Nationals.

## SPORTING CLAYS

WESTERN AUSTRALIA

### **SCWA MEMBERSHIP INCREASE 20.4% FOR 2022**

Our membership numbers have increased for 2022 with the biggest growth at Perth Metro and Hastings clubs. Our female memberships have also increased in numbers from last year. From a recent survey by SCWA we know that most shooters are in the sport for enjoyment and comradery and will travel to club events and 1/3 of our members are into competition shooting and will support all clubs who hold competition events. These numbers are increasing. We need to cater for everyone and getting more people into our shooting sport is fantastic to see. I need to thank all the clubs for conducting come and try days, special events to encourage more juniors and females, corporate events, and coaching, this has all collectively contributed to our membership increase. Receiving capitation fees goes a long way to helping our member clubs out with Directors liability insurance, funding policy and prizes for all State events and our state teams.

### **NUMBERS INCREASING FOR STATE QUALIFIERS AND STATE CHAMPIONSHIPS.**

It is extremely pleasing to note that this year saw a continuing trend with our numbers increasing for our state-run qualifiers and state championships. To have this increase during another covid year is remarkable and with only 4 State Qualifiers being held as opposed to 6 in the previous year. We had 158 individual members compete throughout the year and this is up from 126 from last year, which is an increase of 25.3%.

At each State Qualifier we are getting nearly 100 shooters attend compared to 5 years ago whereby we were lucky to get 50 shooters attend. Our State Target Director Ryan McPherson with Clayton Dennis have put in a huge amount of time and effort over the past few years. We can't thank them enough, along with their supportive families for their dedication to the sport and mentoring other course setters. It will be sad to say farewell as they hand the reins over to another State Target Director for 2023. Clayton even travelled to Italy during the year on a fact-finding mission on how to throw more interesting targets at the SCA Nationals hosted by Echidna Park.

### **NEW MEMBER CLUB COME ON BOARD – WEST AUSTRALIAN GUN CLUB**

In June, our Board voted in our newest member club. The West Australian Gun Club which is an ACTA ground situated at the Whiteman Park International Shooting complex became our 8th club here in WA. The ground caters for ISSF, Trap, Skeet, 5 Stand Sporting and FITASC Universal Trench and now Sporting Clays and Compak. The ACTA told the WA Gun club that if they want to run Universal Trench events then they need to affiliate with SCA. This came as great news for our sport. Whilst there is a smaller ground

that is part of Perth Metro Sporting Clays situated at the same complex the Board were satisfied that this new club will not impact greatly upon Perth Metro as they have 2 grounds and it now allows all our SCA members to attend practice sessions and compete at WA Gun Club with Sporting Clays, Compak and Universal Trench. The WA Gun Club have put together membership categories which allows all SCA members to attend designated events.

It is a pleasure to welcome WA Gun Club on board as our 8th Member Club and we look forward to holding many events at this ground which is situated in the metropolitan area and open 5 days a week.

Since SCWA could not find a club to host the 2022 State Compak Championships it was decided to offer it to the newest club. It was a collaborative effort between State and WAGC to run this event at WAGC and it was a huge success with 61 shooters attending, this was the highest number of shooters to take part in a State Compak for a very long time. We welcome WA Gun Club on board and thank Nick Melanko and Jay Waterhouse for organising a great event and welcoming all the SCA members to these magnificent grounds.

We are looking forward to what the 2023 season brings for our Association. Hopefully, we can continue the trend with increased memberships and cater for more coaching for members, increased referee numbers and encouraging our members to attend more state events. The Board is fully aware of the rising costs for members and clubs with the price of targets increasing. There will be no increase in the State capitations for 2023 and we are looking at incentives to assist clubs to hold state events and make it worthwhile for Clubs to hold a state event. Clubs can be assured that there will be more dollars back to the clubs who hold state events. We certainly need more members to take part because without the members support, we have no state competitions.

I would like to sincerely thank all the clubs who have been part of the State Qualifiers and State Championships in 2022 and to all our volunteers from around the State a huge debt of gratitude for all the dedication and support you have all shown throughout the year. This appreciation is extended to the friends and family of our members. I also would like to sincerely thank all our Board members especially Craig Ellis our State Treasurer and Sue Green our State Secretary, it has been a big year for SCWA. To all the sponsors that have supported the State and at each club thank you for your support and it is greatly appreciated. We ask our members to always support our sponsors who support our sport.

It has been a huge year for WA navigating our way through COVID, the first Nationals since 2019 held at Echidna Park and increasing our member clubs as we welcomed our 8th new Member Club being WA Gun Club coming on board.

As we all take a small break and get recharged for what the 2023 season will hold. I would like to extend my sincerest wishes to everyone and wish you all a very merry Christmas and a happy new year. May you all be blessed with good health and prosperity for the 2023 season.

Kind regards

Ian Grant  
**Sporting Clays WA State President**

# SOUTH EAST NOVEMBER 2022

82 shooters nominated for the 75 target event, sponsored by Hodge Denture Clinic. Weather conditions were cool, wet & windy at Burrungule Park as competitors nominated to tackle Ken Atkin's course.

Jeremy Kent dropped a solitary target shooting 74/75 targets to claim the Gambier Shooting Supplies High Gun.

Juniors Sponsor Stuart Bowd, Declan Wright & Ben Hastings

AA Grade Winner Ron Rhook

B Grade runner up Nathan Smith

Sponsor Stuart Bowd with C Grade winner Scott Fleming

## LAKE BONNEY SPORTING CLAYS

69 shooters braved the wild conditions on the first day of Lake Bonney Sporting Clays 22nd 150 target Classic.

Several different stands were needed to separate the scores of the two top shooters. In the end it all came down to one sim pair with Danny shooting 30/30 in the shoot off it came down to Jeremy Kent missing his last target for 29/30.

The second day of competition was still effected by the weather but slightly less than the first day, once again Jeremy Kent showed his skill shooting the last 50 targets straight, with Danny ending the day on 49/50.

25/25 were shot by Chris Wright, Wayne Gurney, Mick Banning, Tony Sellars, Mark Fabris, Graham James, Ernie Scheidl and Danny Bellinger. At the end of the event Jeremy Kent won the High gun with an excellent score of 143/150. Danny Bellinger won first in AA grade, with Mark Fabris second and Daniel third.

A shoot off was needed to settle first and second in A grade, Brenton Ferguson won the shoot off from Riverland shooter Ben Miller, third went to Bill Dyson.

First in B grade went to Shane Smith, second was taken by Peter Hendy and third went to Andamooka shooter Stuart Eggart.

C grade was won by local shooter Alex Gordon, second to Ian Vearing and third to Trent Daniel. Top honors in seniors grade went to Bruce Oakley. Gary Dangerfield won the weekend in the Veterans grade, 2 targets ahead of second place Ernie Scheidl,

Greg Todd rounded out the top three. Lake bonney shooter Tasha Bellinger won first in the ladies grade with Nicola Dunn placing second and Bec Kober winning third.

Junior Kaleb Krause took out the juniors grade.

Shak VonStanke extended his lead from day one to take out the overall sub juniors grade ahead of Jack Dyson.

A huge congratulations is due to all of the workers over the event for their efforts in the extremely challenging conditions.

OA B Shane Smith, Peter Hendy, Stuart Eggart

Overall high Gun Jeremy Kent

OA A Brenton Ferguson, Ben Millar, Bill dyson

OA AA Danny Bellinger, Mark fabris

## LAKE BONNEY SPORTING CLAYS

There were 69 shooters competing in the Lake Bonney Sporting Clays 75 target Club Championship, sponsored by South West Freight & In 2 Monogramming. There was a wide variety of targets presented in near perfect shooting conditions.

Top honors went to Lake Bonney shooter Brenton Ferguson who was in top form, shoot 71/75. Brenton was also the only shooter to manage to shoot a perfect round of 25/25.

First in AA Grade went to Danny Bellinger and second to Mark Fabris.

Tom Weir claimed first in A Grade with one target in front of Mick Banning, Romain Devaud rounded out the top three.

First in B Grade went to Tim Lloyd, second went to Rob Clark and third to Dale Smith.

Rob Vansanten took out C grade by a comfortable lead over local Ian Lister in second and Neville Jackson in third.

In the Veterans grade Burrangle shooter Chris VonStanke Snr too out first by just one target in front of Wayne Gurney and Ernie Scheidl.

Lake Bonney Lady took out first in the Ladies grade with a score of 70/75, just one target of the HighGun score, Bec Kober took out second and Vicki Fabris third.

Sub Juniors was won by Shak Vontanke with 65/75, second went to Charlie Sims, third Noah Vonstanke and forth Ethan Vearing.

# NORTHERN MIDLANDS SPORTING CLAYS CLASSIC 2022

Northern Midlands Sporting Clays have once again conducted their Old Style FITASC Classic in November. The event has grown in popularity from the inaugural event to where it is now a must do on the shooting calendar. Due to this popularity, the event is over subscribed to where there is a waiting list of shooters. On the Saturday, 104 eager competitors, some with wives and partners arrived. All were looking forward to seeing what the targets were like. Stumpy and his band of merry men and women didn't let them down. Stepping into the stand, what looked like a nice easy target all of a sudden turned into a nightmare, lost was the call. Hmm, try again, lost. The angles fooled the best of them. Ok, lets reset, 1 the call. Ahh, back on track. Well, this was short lived, all of a sudden, another 0 on the scoresheet. Finally, relief for some as day one over with. Many a murmur of "I'll do better tomorrow".

Day 2, Sunday. Shooters arrived eager to redeem themselves from their efforts the day before. Out rolled the squads, shooters stepping into the stand once again to have a flashback to the day before. "How did I miss that" was said more than once. The simple angles that the targets were set at fooled the best. What looked like a nice simple crosser seemed to turn into one of these new hit me if you can target. As the day progressed, shooters were studying the scoreboard seeing where they were positioned. Lots of jovial banter between competitors made it enjoyable, even if your score wasn't so enjoyable. As shooters were completing their last rounds and the scores going up on the board, many were watching closely seeing who would become the champion for 2022. Finally, all the scores were up. Three were drawn on a score of 180, Alex Grodski, Adam Crick, and Michael Blackwell.

Shoot-off time. Ground 8 was selected with a tweak of the targets (like how far is that), where the three lined up to see who could take the spoils. An eager crowd gathered to watch. Stepping up to the first shooting stand, targets were called to look at. Working their way through the stands, the three shot some very difficult targets with ease. All were very close at the completion of the third stand. It all came down to the fourth and final stand. Could one step up and take the glory. Once the three had all shot and the scores added up, it was Michael Blackwell who had shot a terrific 20 to become the champion for 2022. On the way back to the clubhouse, spectators were commenting on how well the three had shot, as these targets weren't easy.

It was now time for presentations. A tremendous range of prizes were awaiting winners and placegetters. The support from all the sponsors was second to none. Sponsors were Adina Watches, Ammolink, Gamebore, My Mates Outdoors, Sports Hut, OSA & Top Shot Industries. We all need to get behind and support the sponsors, as without them things would be very bleak.

At completion of presentations, an afternoon tea was held where everyone mingled and relived the previous two days of shooting. This is what it is all about, the comradeship between everyone and having fun.

A big thank you goes out to all the workers, from setting targets, office staff and the kitchen keeping everyone fed and watered.

Time for a well earned rest for quite a few, then it will be "let's start

planning for the 2023 Classic".

Congratulations Northern Midlands Sporting Clays, you've done it again.
