## PRESIDENTS REPORT SEPTEMBER 2025

Wow we are now into the back half of the year and about to get busy with the English Sporting Nationals going to be held at the Gold Coast Clay Target Club on 5th and 6th of October. This is a first for many years that we are holding the event in conjunction with the Sporting Nationals a couple of days after at Brisbane Sporting Clays 8th to the 11th of October. As I write this, we have 156 nominated for the English Sporting which is unprecedented thank you all for embracing this format, we still have some places left so hurry and nominate.

The National Sporting to be held at Brisbane is also filling fast and as usual this will be a great event.

The FITASC Sporting Clays worlds was held recently in Cyprus. The Australian team preformed above expectations in Team categories and individually. Weather was extreme and caused some problems but being Australians our crew came out shining. I will leave the detailed report to be seen in this issue written by the team manager. It is very heartening to see many Aussies traveling to the worlds.

Since joining the family of Sporting Clays Australia as a member body early in the year, Universal Trench Australia have taken a team to the FITASC UT World Championships which was held in Rome in early August where they also did extremely well in all events. More on that see article in this issue.

The Constitution Review Committee will be releasing the draft paper for comment and review by all our members, hopefully by the time you are reading this magazine.

I hope to catch up with many of you at the English Sporting and Nationals shortly.

Ian Grant  
President

Under the searing Mediterranean sun, Australia's sporting clays team delivered a performance brimming with heart at the 2025 FITASC World Championships in Cyprus. From strategic camaraderie to nail-biting finishes, the squad's unity and resilience shone through every challenge—proving once again that Australian grit travels well.

### A Team United

The campaign began quiet moments of connection—shared coffees, strategy huddles, and the steadying reassurance of familiar banter. On Wednesday morning, the team gathered for a breakfast, blending laughter and focus. Plates of eggs and toast became makeshift planning tables as veterans shared wisdom with juniors. When the squad marched into the opening ceremony, their sharp formal uniforms weren't just a symbol of national pride but a testament to their collective resolve. "We're here to leave nothing in the barrel," remarked one shooter, setting the tone for the days ahead.

### Ranges That Tested Mettle

The eight competition grounds, each a 15-minute bus ride from the event hub, became arenas of ingenuity. Targets ranged from heart-racing 15m incomers to distant 75m edge on birds that demanded laser-like precision. Wind shifts and heat haze added layers of complexity, forcing shooters to recalibrate instincts with every station. "You'd think a 75m target gives you time to breathe," said one competitor. The targets were of world class standard, very cleverly set by course setter Jamie Packham using the terrain to present birds that required thought. The varied setups kept scores unpredictable, with final standings hanging in the balance until the very last clay of the tournament. Even seasoned athletes admitted the course design was a masterclass in mental endurance.

### Results That Defined the Fight

When the dust settled, Australia's tenacity rang through the rankings:

Robert Passarin: Silver, Veterans Individual

Renae Birgan: Bronze, Ladies Individual

Veterans Team Silver: Robert Passarin, Ernie Scheidl, Russell Pigdon

Beretta Cup Silver: Bianca Norris (Ladies), Nate Palubiski (Juniors), Robert Passarin (Veterans)

The medal haul reflected depth across categories, but the narrow margins—some decided by a single target—highlighted the intensity of the field.

### To Portugal With Purpose

As the team packed their kits, eyes already turned to 2026. "Cyprus taught us how to adapt,". "Portugal? That's where we perfect it." With a mix of seasoned campaigners and rising stars, the squad returns home sharper—and hungrier. The 2026 World Championships loom as both a challenge and an opportunity to build on this year's hard-won lessons.

### A Nation's Pride

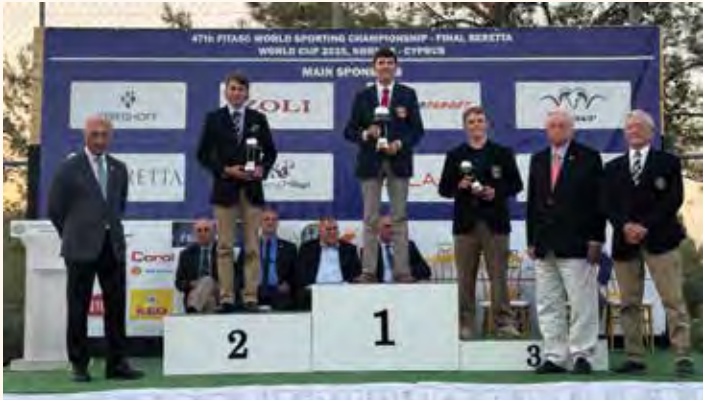

To every Australian who stayed up late tracking scores, sent messages of support, or simply cheered from afar: you were part of our team. The squad carried your belief like a talisman, especially during the toughest stations.

Unsung Heroes: The Heartbeat of the Campaign

Finally, to the families, partners, and friends who stood in the trenches: you braved the same scorching heat, hauling gear, managing logistics, and offering silent strength when the pressure peaked. You tracked every score with bated breath, celebrated small victories, and softened the sting of near-misses. Behind every medal, every target smashed, was your unwavering support. This journey wasn't just ours—it was yours, too.

The journey continues in 2026. Watch this space and keep your eyes on Portugal.

## 2025 UNIVERSAL TRENCH WORLD CHAMPIONSHIPS

The 43rd World Championships for Universal Trench were held in the Eternal City, Rome, Italy, at Tiro a Volo Roma, located approximately 30 minutes' drive from the heart of Rome.

The range features eight layouts, all equipped with FAB Trap machines, and is owned and operated by Olympic Silver Medallist in Double Trap, Francesco D'Aniello. A record 25 Australians entered the event—15 official team members and 10 individual shooters—which was fantastic to see.

Universal Trench Australia once again assisted all shooters with permits and paperwork. All but one competitor had smooth, hassle-free travel. Unfortunately, John Maxwell experienced airline clearance issues and had to leave his trusty Perazzi at home, opting instead to borrow a firearm in Italy.

Many competitors travelled earlier than usual to take advantage of the wide range of competitions offered in Italy—the home of clay target shooting. Our athletes put in some excellent performances at these events. Others planned to shoot a warm-up event in Rome that was unfortunately cancelled by FITASC at the last minute, though they were still able to train on the layouts.

By Monday, the full team had arrived in Rome and settled into their accommodation, with most staying at Hotel Tivoli, a comfortable hotel 15–20 minutes from the shooting range. A team bus was also organised to transport shooters to and from the venue.

We quickly discovered that range expenses were steep. Ammunition prices had jumped to €135 per slab of 250, compared with the €80–85 we had seen elsewhere. With the exchange rate at AUD \$0.58, food and drink were also costly—for example, a standard bottle of soft drink cost €4 (about AUD \$7). Strict firearm laws also applied: all guns had to be covered when not in use, making "gun slip" covers a necessity.

Additionally, spectators were not permitted behind the layouts, even if they were part of the next squad. We were told this was due to a tragic incident at another nearby shooting range, which led authorities to impose these rules.

All shooters managed to get in the practice rounds they needed and were feeling confident. On Tuesday night, we held our team dinner at the Grand Hotel Duca d'Este, right next door to our hotel. It was a wonderful evening with excellent food and camaraderie. During the dinner, Craig Bentley was proudly announced as our team flag bearer for the opening ceremony.

The Opening Ceremony was spectacular, featuring Roman warriors and an incredible air show filled with smoke and colour. Everyone thoroughly enjoyed the evening and returned eager for competition.

Team Australia being lead out by Craig Bentley

## Competition Days

The weather during competition was warm, in the low to mid-30s, with afternoon breezes each day. After the first 100 targets, several of our shooters were in strong contention across categories, and our teams were looking solid. Nathan Argiro had put himself in a great position in the Open category, Cameron Ford looked strong in Juniors, and Catherine Skinner was well placed in the Ladies.

Heading into the final round:

- Nathan needed a perfect 25 to make the Open shoot-off.
- Cam needed a 25 to make the Junior shoot-off.
- Catherine also needed a 25 to reach the Ladies shoot-off.
- Domingo Diaz posted a strong 25 in his first round of the last day, putting him in medal contention in the Masters category.

Unfortunately, strong winds swept across layouts 1 and 2 as a nearby storm passed, making conditions very challenging. As luck would have it, Nathan, Catherine, and Cameron all had to shoot on these layouts.

- Nathan finished with a 23, placing equal 4th in Open.
- Catherine scored a 21, finishing equal 5th in Ladies.
- Cameron, however, rose to the occasion, shooting a flawless 25 to set a new PB of 193, sending him to a shoot-off for Gold!
- Domingo finished with a 22, securing 4th in the Masters.
- Fletcher Richardson had a brilliant final day, scoring 49/50, which lifted him to 4th in Juniors with 186.

The atmosphere was electric heading into Cameron's shoot-off against Spanish Junior Héctor Ávila Manjón. A large group of Aussies gathered to cheer him on, and Nathan, thinking quickly, even fetched a chair to keep Cam shaded during a short delay.

The shoot-off began with a full round of 25 targets. Both juniors shot clean rounds! They moved to sudden-death single barrel. Cam, shooting first, narrowly missed a high left target, while Manjón hit his straight-away to claim gold. Cam took a well-deserved silver medal—a fantastic achievement!

Jo Ford and Cam Ford at the World Champs. Jo becoming an official UT Referee and Cam Ford Junior Silver Medallist

Ladies Bronze Team - Catherine Skinner, Kiara Dean and Erin Guy

# 2025 UNIVERSAL TRENCH WORLD CHAMPIONSHIPS

## Team Results

- Junior Team (Cam Ford, Fletcher Richardson, Lucas Furlan): Silver – just one target behind Italy.
- Ladies Team (Kiara Dean, Catherine Skinner, Erin Guy): Bronze.
- Veterans Team (Allan Pollock, John Maxwell, Craig Bentley): Bronze.
- Mens Team (Nathan Argiro, Lloyd Parks, Craig Henwood): Bronze.

Special congratulations to Jo Ford, who earned her UT Referee Licence at the event. She refereed all week and received excellent feedback. Jo is now qualified to act as Chief Referee at the 2026 World Championships—an outstanding achievement!

## Final Placements (Highlights)

### Mens

- Nathan Argiro – 194/200 – Equal 4th
- Lloyd Parks – 187/200 – Equal 35th
- Craig Henwood – 186/200 – Equal 45th

### Ladies

- Catherine Skinner – 179/200 – Equal 5th
- Kiara Dean – 175/200 – Equal 10th
- Erin Guy – 173/200 – Equal 13th

### Junior

- Cam Ford – 193/200 + 25 – Silver
- Fletcher Richardson – 186/200 – Equal 4th

### Veteran

- Craig Bentley – 179/200 – Equal 11th

### Master

- Domingo Diaz – 180/200 – Equal 4th

## Conclusion

The 2025 World Championships were a fantastic success for Australia. While we didn't quite hear the national anthem played, the results were outstanding, and the team spirit was second to none. Everyone represented the country with pride, supporting one another throughout the four days of competition.

A big thank you once again to our amazing sponsors and the clubs that hosted rounds this year—Melbourne, Echuca, and Brisbane.

Looking ahead, Australia will proudly host the 44th Universal Trench World Championships at the Melbourne Gun Club in February 2026. This is a once-in-a-lifetime chance to compete at a World Championship on home soil—don't miss it!

## 42ND EASTER CLASSIC REPORT

The 2025 Easter long weekend began as Cooma Sporting Clays proudly hosted its 42nd Cooma Easter Classic an ongoing event that draws in passionate shooters from far and wide. Over the course of four thrilling days, competitors compete in three events, some shooting the whole weekend just to try their chances at our Tri-Gun Championship.

The Friday marked the beginning of four days of epic shooting, kicking off with the 75 Target Sub-Gauge NSW State Championships, proudly sponsored by Perazzi Australia, 155 Shooters competed in the event with the overall winner being Greg Morey with a well shot 73 out of 75 Targets.

Just the first event to kick off the Tri-Gun Championship for participants competing in all three events across the weekend, proudly sponsored by Gamebore Australia for Day 1/3

The Saturday started off our 100 Target event for the #4 NSW State Selection Sponsored by Sporting Clays NSW. 183 shooters turned up for the #4th State shoot, the overall winner being Andrew Garvie with an awesome 92 out of 100 Targets

Easter Sunday brought the very best of our 200 target Easter Classic Event being sponsored by Safari Firearms & Cooma Ex-Services Club with 171 shooters competing throughout the day, with Troy Passarin coming out on top with a fantastic shot 180 out of the 200 targets.

Monday came around rather too quickly, bringing on our last event for the long weekend, the Side-by-Side State Championships which was Sponsored by Mabi Constructions, with 134 Shooters competing. The one who came out on top was Mathew Harris-Spencer with a great shot of 67 out of 75

We also had our overall winners for the weekend's Tri-Gun Shoot with Troy Passarin Coming out overall and Dylan Murray taking out the Handicap

For more results for the Easter weekend, you can check it out on <https://scalivescores.com.au/>

Once again, our prize pool wouldn't be possible without the incredible support of our amazing sponsors and their ongoing dedication to our club!

Sub Gauge – Perazzi Australia

State Selection – Sporting Clays NSW

Easter Classic – Safari Firearms & Cooma Ex Services Club

Side by Side event – Mabi Constructions

Over the weekend we also ran a major raffle with the winner receiving a voucher for a Beretta product to the value of \$3399, with this year's winner once again being Christopher Bourke!

A second major raffle we had was a 3-lens cased set of Pillar Outlaw X6 Shooting Glasses which was won by Victor Bowman and the single lens Pillar Outlaw X6 Shooting Glasses taken by Montana Schofield

Special mentions go out to the following:

Andrew Fairfield-Smith (CSC President), Adam Mower (CSC Secretary), Russel Rowling (SCS Treasurer), Dough Alcock (Vice President) Alison, Mark, Geoff, Jess, Corina, Craig, Curls, Searsy and all other countless dedicated members who pour their hearts and weeks into helping our club run seamlessly, all to support our incredible shoot and make it truly unforgettable.

A big thank you to Ang Thorpe for the incredible photos she captured of the shooting action out on the ranges. If you want to see all the excitement from the Easter weekend, be sure to browse through the stunning collection of photos she took, you won't want to miss these moments! @ <https://www.facebook.com/AngiesClayBustingPhotos>

And finally, to all our competitors and their family members who come along to attend our Easter Classic each year, you guys truly make this incredible event possible

# COOMA

## MAY & JUNE REPORT

The 18th of May saw our monthly club shoot with 100t OTG. Thanks to Adam, Andrew, Doug, Geoff, Steve, and John for their efforts in setting two interesting and challenging ranges.

Unfortunately, the run of balmy autumn weather came to an end on Sunday with the forecast of a top of 4 degrees and possible snow frightening away some of the regulars. This, and a date clash with Narromine's State Selection, robbed us of our usual numbers (including our own President Andrew and Secretary Adam) with just 4 full squads competing. The cold front hit as forecast but there was no strong wind and the snow stayed away, so conditions for shooting were better than expected. With just the 4 squads, we decided to shoot through the full 100t before a late lunch in order to avoid any worsening conditions late in the day. Thanks to the usual travellers from Bermagui and Canberra for making the effort.

In the washup Doug Alcock just managed to scrape home to win High Gun on 82 from Mark Gschwend by 1 target.

On the Sunday morning, we were greeted with a brisk chill in the breeze as 45 Shooters came up into the coldness of the mountains to compete for our 100 target Handicap Mid-Winter cup. Determined to face any targets and weather conditions that come their way, to finally try again to get their hands onto the Winter Cup

The day presented a series of tricky targets, especially those bothersome rabbits that tested everyone's skill. As the day progressed the weather grew more intense; the sky darkened and flurries of snow began swirling around the ranges, adding an extra layer of coldness to the range. Yet, despite the bitter environment, the shooters pressed on with unwavering spirit until the very last shot. Luckily, we were all kept warm by a magnificent roaring fire, with Glenn Bain stepping in with an impressive H/C score of 121, as he boldly took out the Cup for the win!

As always, a massive thank you to all the range setters, maintenance crew, our dedicated kitchen helpers, Alison in the office, every member and shooter who turned up to our event.

Doug & Andrew with Glenn Bain our Mid-Winter Cup Winner!

### RESULTS JUNE

High Gun		Glenn Bain	121
AA Grade	1st:	Tim Friend	100
A Grade	1st:	Robert Shaw	103
	2nd:	Mark Coleman	103

Juniors	1st:	Montana Schofield	113
	2nd:	Meisha Schofield	78

Andrew & Steve with the junior winners as our presentations runs into the night (Jed leadbitter, Luke Pellow & Nicholas Stewart)

## BROKEN HILL FIELD AND GAME NEWS JULY

### BY "SHELLSHOCKED"

On Sunday 6 July the Broken Hill Field and Game Association conducted a 100 target Simulated Field Championship clay target shoot. The shoot was sponsored by the Sitting Ducks, a generous group of local members. The weather was cold, overcast, windy and sometimes wet which made for difficult conditions for shooting clay targets. Organisers were therefore pleased with a very good attendance of 32 shooters, including welcome support from the Sunraysia and Milparinka clubs.

The range was set by the Sitting Ducks who did an excellent job to present a good selection of targets that made for interesting and enjoyable shooting and which stood up very well to the conditions. The targets were a tad on the easy side of average with most shooters bettering their handicap, and maybe the handicapper will be the overall winner in the finish.

The best score off the gun was an excellent total of 90 that was shared by Clay Johnston, Travis Casey and Evan Stephenson who shot off for the High Gun Medal. Clay was the eventual, and very deserving winner, of High Gun and AA Grade.

#### RESULTS

High Gun		Clay Johnston	90
AA Grade	1st:	Clay Johnston	90
	2nd:	Leigh Norton	87
	3rd:	Mocka McSwain	86
A Grade	1st:	Travis Casey	90
	2nd:	Evan Stephenson	90
	3rd:	Lincoln Casey	87
B Grade	1st:	Mathew Lonie	81
	2nd:	Josh Edgecumbe	77
	3rd:	George Harrison	72
C Grade	1st:	Brett Howe	82
	2nd:	Jason Butcher	66
	3rd:	Will Evans	52
Ladies	1st:	Estelle Arnold	42

# BROKEN HILL FIELD AND GAME NEWS AUGUST

## BY "SHELLSHOCKED"

On the weekend of August 9 and 10 the Broken Hill Field and Game Association hosted the 100 target NSW State Selection Shoot, the Silver City Steel 50 target graded championship, and the Silver City Steel 150 target high gun championship. The shoot was sponsored by NSW Sporting Clays, Broken Hill Field and Game, and by Josh Holmes of Silver City Steel who has been a valued supporter of the club for many years.

The weekend was cool and overcast but conditions were pretty good for shooting clay targets. Organisers were delighted with an attendance just shy of 100 shooters which included much appreciated support from clubs across NSW, and from our regular visitors from Victoria and South Australia.

The range was set by Josh and Gerard and their team of workers who did a great job. The range provided a lot of variety and a lot of fun and was very well received by the shooters. The degree of difficulty appeared to be just about right with excellent scores recorded by the best shooters in all grades including a perfect 25/25 from both Doug Osborne and Nicholas Brighenti.

The best off gun score for the 100 target NSW State Selection Shoot was an excellent total of 86/100 that was shot by Benalla shooter Brett Jory, and was just a single shot good enough to win the high gun trophy.

The most successful competitor for the weekend, and overall high gun winner, was NSW shooter Doug Osborne who won the Silver City Steel 50 target graded championship with an almost perfect score of 49/50, and also finished in first place in the Silver City Steel 150 target high gun championship with a score of 132/150.

The best of the Broken Hill shooters were Brett Howe, Brian Casey and Lincoln Casey who all finished in first place in their respective categories, while Kym Files, Bob Tweedie, Anthony Elliott and Saxon Locke all picked up placings.

Broken Hill would like to thank all of the members and friends who contributed to setting up and running a successful shoot, particularly the range staff, office staff and catering staff, for a job well done. And thanks to Angie and Clay Busting Photo's for all the great pics.

Information for any event at Broken Hill is available from Association President Rod Weaver on 0407 187 498, and Secretary Cassie Hibberd on 0437 237 955.

## BROKEN HILL FIELD AND GAME NEWS AUGUST

### BY "SHELLSHOCKED"

On Sunday 31 August the Broken Hill Field and Game Association conducted a 75 target sporting clays handicap championship shoot. The shoot was generously sponsored by Western Auto Electrical, a valued supporter of the club for many years. The weather was cool, but clear and sunny with a light breeze, perfect conditions for shooting clay targets. After a very busy month of travelling and shooting for our members, organisers were pleased with an attendance of 20 shooters.

The range was set by Bob, Tim and Richard who did an excellent job to present a very good selection of targets that were a pleasure to shoot. The targets were mostly a tad easier than average, but there were enough challenging targets included in the mix to keep the shooters on their toes and to catch out the unwary.

The best score off the gun was an excellent total of 68 that was shot by Michael Barker who won the High Gun Medal and trophy with a few targets up his sleeve at the finish. The best handicap total for the shoot was an incredible 89 shot by C Grade winner Brett Howe.

Information for any event at Broken Hill is available from Association President Rod Weaver on 0407 187 498, and Secretary Cassie Hibberd on 0437 237 955.

## MAJURA PARK

### STATE SELECTION SHOOT NO.3

The third SCA NSW State Selection Shoot was originally scheduled to be held at ASC Sydney on 16th March 2025, however in early March Majura Park Gun Club (MPGC) received a call from SCA NSW President Andrew Fairfield Smith advising that due to the unexpected loss of ASC Sydney's grounds, an alternate venue was being sought. After an initial plan to try and pull the event together in late March proved problematic, Sunday 29th June was deemed the most appropriate date and preparations at MPGC soon began in earnest.

Two layouts each comprising 15 traps and 25 suitably challenging (some may say devilish) targets were prepared for the 120 competitors and with pre nominations fully booked a few days out the stage was set for a great day of competition.

Surprisingly (or not given the overnight low of minus 7°C ) only one shooter was brave (some may say foolish) enough to take advantage of the onsite camping facilities. Other shooters were greeted with a warm welcome but typically chilly Canberra winter morning including a heavy frost. Despite some frozen fingers and the odd grumble, shooting got underway around 8.45 am under bright clear skies and with hardly a breath of wind – great conditions for a sporting clays shoot.

Following a full day of challenging competition the final squads finished up their last round just after 4 pm and with scores tallied, Nicholas Brighenti emerged as the Overall High Gun with a very well shot 80/100. More than a few shoot offs were required to determine key finishing positions across AA, A, Seniors and Veterans. With light quickly fading the shoot offs were completed and all that was left was to award prizes to the deserving winners and placegetters as follows:

High Gun – Nicholas Brighenti (88)

First in AA grade was Bart Brighenti (79 and 10) after pipping Steve Atkins (79 and 9) by one target in a tough shoot off. Third in AA was Stephen Cooper (78).

First in A grade was Ken Purvis (74 and 11) who was victorious over Frank Sgambellone (74 and 9) with Deon Stevenson (73) third.

B grade was topped by Anthony Cahill (70), second was George Roth (68) and Tom Zorgios (66) came in third.

C grade was won by Glenn Bain (64) followed by Jack Clifton (63) and Josh Patterson (57).

Taking out the Seniors was Paul Crittenden (78) followed by Kevin Haskins (73) who saw off a challenge in the shoot offs from Andrew Garvie (73).

Veterans was won by Peter Kay (75) followed by Stephen Newcombe (63) and Brendan Walsh (60).

Laurence Cook (67) was first in Masters with Vic Bowman (60) second and local legend John Taylor (47) taking out bronze.

The lady's competition was a hotly contested affair with Andrea Barrowman (66) taking out first place followed closely by Kimberley Askew (65) and Paula Purvis (65).

The Juniors posted some impressive scores with Luke Pellow (79) in first, Nate Palubiski (78) in second and Jed Leadbitter (73) in third place.

Sub juniors was won by Hayden Sinclair (59) followed by Anthony Semiliotis (39).

MPGC would like to sincerely thank Sporting Clays NSW and Safari Firearms for their generous sponsorship and also extend thanks and recognition to MPGC stalwart Dave Roberts for some very well set and suitably challenging targets along with Peter and Chris Den Duyn and Dave Milczarek for their assistance in preparing for running and packing up from what was a very busy but successful shoot. Thanks also to Ange Thorpe for providing the fantastic photos of the day.

High Gun Nicholas Brighenti

## MUDGEE JUNE FIOCCHI CHALLENGE

Over the weekend of June 21 & 22 our club held our annual FIOCCHI challenge.

This year approximately 80 competitors had nominated to shoot the 100 target event each day. Those who camped on the ground had to keep their fires stoked up due to the severe frosts each morning. Hot showers were not available until 10am each morning due to the freeze. Two ranges of 25 targets were set by our club workers. Well done to John Collier and Tony Addley who set some targets that were visible and shootable for all grades. Members would like to thank Tarnia North who not only fed the computer with shooters scores, but also catered for lunches each day. Thanks Tarnia.

Our club members would like to thank TSA (Fiocchi) along with the Horsley Park Gun Shop and John Dickey for organizing trophies and sponsorship for the event. Your continued support is appreciated by all concerned. We hope to see all shooters back to our club when we host the NSW state championship in September.

## MUDGEE AUGUST BB CUP

On Sunday 24th August members shot for the BB cup, which is a handicap event.

100 targets are shot for the day but only the first 50 plus your handicap comes into play.

Bob who now looks down on us from above donated the cup to our club approximately 30 years ago. It was then and still is hotly contested by all participants. Our club VP Scott King had set some very sneaky and competitive targets for the enjoyment of all who attended. Springers, simulated pairs, low and high crossers were all in the mix. A going away rabbit was set for one particular member who was known to struggle on such targets. The shooter in question is still shaking his head.

Well shot to Peter Hayman who will have his name engraved on the cup. Second to Max Holland, third position to Scott Johnston.

# NARROMINE

## ASPECT PROPERTY SHOOT

Sunday 27th April brought the Aspect Property 100T Event and also about 40ml of rain across the range. Shooters were treated to being able to shoot in some much needed rain. Unfortunately being out in duck weather scared quite a few shooters off and made the range a little sloppy under foot. But this didn't stop the 20 odd die hards from coming out and enjoying some great targets and a yummy lunch – yep Chef Bloinky was back in the kitchen cooking up a storm!

The range setters kept the range on one side of the creek using the terrain to hide traps and targets. Some of the targets kept shooters thinking they were easy only to walk out of the cage wondering what happened. Sneaky rabbits appearing out of no where and disappearing into the bush before you could blink. We had high birds, crossers and outgoers – something for all!

A couple of cages gum boots were recommended due to water running thru and lots of mud! But we weren't complaining as it was needed.

As special gesture first time sporting clays shooter Luke Thompson scored himself some shells for him to use when he comes back. Which he has said he will be! Another one Hooked!

Thank you all to set the range, packed up, in the kitchen & office and to anyone else who assisted for the day – always appreciated

Winners are Grinners

Lucky Door Prize was won by Paula Purvis

Shooters Jackpot of \$300 was won by Mel Phillips

Yes the Girls had it covered!

High Gun went to Stephen Cooper with an impressive 94/100

## 2025 ENGLISH SPORTING NSW CHAMPIONSHIPS

Sunday 18th May brought around the 2025 English Sporting NSW Championships.

Shot over 100 targets, PK and his range setters tweaked the range from the previous day and created stands with all pairs. Needless to say there were some targets he could have removed and left in the other ones (LOL).

Shooting English Sporting shows the shooter just how much they depend on their 2nd barrel.

Weather stayed beautiful and we were finished with plenty of daylight again for everyone heading home.

PCYC were out again with their yummy food keeping us fed and hydrated.

Some exciting shoot offs took place sorting out High Gun and first places.

With 79 shooters coming out to have a crack at the title and it was great to see some new shooters having a go.

Thanks again to all those who helped on the range etc and a big thank you to those who hung around and helped pack up.

Also like to thank all campers for leaving the grounds clean, much appreciated.

Thanks to Ang from Clay Bustin Photos once again for capturing all of our highlights!

Winners are Grinners

And after a nail biting shoot off and coming down to 1 target big congrats to Steve Atkins from Shoalhaven 88+14.

# Dealership Announcement

**OUTDOOR TRADING COMPANY** announce the arrival of a new **PROMATIC Trap, the ORION 400.**

*A huge shipment of the World's best traps arrived in Australia earlier this year, including Promatic's new Orion 400. Also included in the shipment are Ranger Chondel's, Falcon's, Kodiak's, Pro DTL/ABT, Signature Double's, Signature Skeet and many more.*

*This bulk purchase will allow Outdoor Trading Company Aus. to offer clubs and individuals across Australia wonderful deals on all variants of the Promatic Trap range.*

*The new Orion 400 Trap is a superb addition to the Promatic family, it is designed with a 10-stack 400 carousel (lower profile) reducing the load on the trap when being moved or set. To assist with keeping the price down, the base is now fixed. The trap also features a powder coated carousel keeping the Orion 400 to \$3900 Inc. The Orion 400 comes in a Midi 70mm, Midi 90mm, Battue & Standard L/H & R/H versions. This trap will throw targets past 90 metres and it has*

*a tilt base. The clay feed type is knife edge and it features a stainless steel throwing plate and alloy and corrosion protected parts for long lasting rust protection. The steel mainframe has a hard blue polyester finish, the aluminium throwing arm includes a polyurethane strip and the set up and throwing height adjustment are simple to use. The trap comes with a 50m command cable and it has a 3-year parts warranty.*

*Also available to the Australian market is the Promatic Ranger Chondel 400. The Ranger Chondel can throw conventional clays at all angles, whether it is just above the ground or as a looper (up to 70°) or rabbits. To change the target from a standard target to a rabbit and vice versa couldn't be easier. A simple change to the pressure plate to accommodate for standards or rabbits and a minor splitter adjustment is all that's required. The Chondel has a turn/tilt base and the machine re-cocking time is only 1.8 seconds. It comes with a heavy duty electrical box with thermal overload trip and toggle on/off de-cock and fire button. The new Ranger Chondel now comes in a 400-carousel machine for the same price as a 300 machine and is now in stock, priced at \$4900. For more information contact Outdoor Trading Company on Ph: 0433 070 938 or Email: [lee.berger@outdoortradingco.com.au](mailto:lee.berger@outdoortradingco.com.au)*

# NARROMINE

## 2025 CLUB CHAMPIONSHIPS

Sunday 15th June saw the Narromine Sporting Clays Club Championships sponsored by Kevin Haskin, Gary Adams & families.

Cold weather kicked in for the club champ shoot which brought out the fire buckets along the range and these were definitely appreciated by shooters.

Hasko & Gary went about with their helpers and set an amazing range. The targets were technical, head scratching along with so easy to overlead!

Starting up near the top south corner, with 2 stands close together meant a lot of shooters were able to watch while shooters scrambled to change their lead, overthink or smash the clays on offer. There was a bit of heckling from the audience until they stepped on the pad!

Stretching across from top south to the bottom north corner of the range, they had rabbits, crossers, outgoers, floppers, ones on speed but all in all great targets.

There were some targets we normally don't see at Narromine. Which is what we want, because it helps prepare the shooters that travel to other clubs.

Guys you are to be congratulated on a great range!

Min with her Sou Chef Bloinky was in the kitchen cooking up a storm preparing a delicious lunch for all of us. Thank you!

Thank you to all that assisted throughout the day, all help is appreciated.

On a sad note, Hasko & Gary announced that they would be stepping down as sponsors for next years Championships. On Behalf of the club, we thank them for their continued support and look forward to seeing them around the range.

Winners are Grinners

Club Champion for 2025

## NARROMINE STATE SELECTION 5

What a great day for the 5th State Selection. No rain, just sunshine and a little bit of a breeze throughout the day – something different for Narromine.

84 Shooters came out to play and competition was fierce!

The course was a great setup. PK and his range setters put their brains into gear and brought some challenging clays. There were some targets that were technical which made quite a few shooters walk out scratching their heads unable to read the flight paths.

In order to keep things moving along smoothly, there were two ranges with 5 stands presenting 5 targets each. There were plenty of decent targets on offer and if you missed them it was your fault as they were all out there to be hit.

Squads moved through quickly which allowed shoot offs and presentation to progress and those heading home left in daylight.

Plenty of campers got to catch up with their fellow shooter friends throughout the afternoon and well into the night.

We had the PCYC from Dubbo catering and they kept us all fed with some delicious food.

12 teams nominated for the State Teams event from clubs such as Cooma, Gunnedah, Mudgee, Shoalhaven and Narromine. Team Mudgee 3 took home the winners trophies this time... with a total of 309 targets for the 3 points. Well shot to Bart Brighenti, Steve Payne, Steve Tydd & Ross Christian who made up Mudgee 3 team with an impressive 309 targets and they took home the trophies. Shoalhaven came in 2nd and Narromine 3rd.

Don't forget to put teams in for each selection!

Thank you to all those who assisted in any way, especially to the members that gave up their day of shooting to make sure the day ran smoothly.

Thanks to Ang from Clay Bustin Photos for taking photos throughout the day and of presentation, so make sure you check her page out to view them all.

State President Andrew Fairfield Smith, C Grade Winners Mick Kovac, Henk Van den Heuvel & NSC President Rob Murray

## LAKE BONNEY MAY

### GOODNWINDI CHAROLAIS 75 TARGET EVENT

There were 87 competitors at the Goodnwindi Charolais 75 target event at Lake Bonney Sporting Clays. Shooters travelling from across the state as well as from Victoria to test their skills. The Highgun prize was taken out by visiting shooter Alex Button with a score of 72/75.

AA grade was won by Steven Scheidl who shot 70/75, one target in front. A count back was needed to place Joe Densley second and Daniel Torrensan third, Daniel was the only shooter on the day to shoot a perfect 25/25 on the day.

Adam Brewer won A grade ahead of Robin Smith in second and Allan Cowin in third.

The B grade top spot went to Shak VonStanke, Mark Hoggan from Clunes Vic placed second and local Cliff Lee took out third.

C grade was won by Lake Bonney's Todd Beighton, with Peter Cook second and Callum Bailey third.

Seniors grade was won by Local Mark Fabris, with Chris Wright second and visiting shooter Phillip Papaiaonnou taking third.

Veterans top spot was won by Burrungule shooter Ernie Scheidl ahead of his fellow club member Chris VonStanke, Geoff Lowe rounded out the top three.

Janette Densley won the Ladies grade one target ahead of Tasha Bellinger, and local shooter Bec Kober placed third.

A count back placed Jimmy Papaiaonnou first in the Juniors grade ahead of Zak Button in second and Reece Fleming in third.

Noah VonStanke won the Sub Juniors grade ahead of Wyatt Hoggan.

The competition was also the first half of the Lake Bonney Sporting Clays vs Burrungule Challenge, in which club members scores are combined to get a total for each club currently Lake Bonney hold a 10 target lead.

Congratulations to all volunteers for another successful event, thankyou to the sponsors and to the shooters who attended.

Highgun Alex Button

A Grade Allan Cowin

## LAKE BONNEY JULY

### COLIN WHITEHEAD MEMORIAL 50 TARGET

It was a cool and windy day for the Colin Whitehead Memorial 50 target Handicap event, sponsored by the Whitehead Family, Therapy For Life, Nutrien Ag Solutions and Mount Gambier Skin Cancer Clinic. There was 55 competitors attending, with a mix of regular shooters and a few new visitors.

AA grade was won by Mick Banning after a count back that placed Chris Wright second, Danny Bellinger took out third. Mick Brennan won A grade just one target in front of Robin Smith and Sam Chapman rounded out the top three. B grade was won by Burrungule shooter Shak VonStanke, a count back was needed to place local Warren Whitehead second and Peter Hales third. Alan Jones won C grade ahead of Michael Gates in second and Ray Lindner in third. The Veterans grade was won by Geoff Lowe another countback placed Wayne Evans second and Wayne Gurney third. The Ladies grade was won by Bec Kober ahead of Charlie Whalley in second and Kellie Roos in third. Heath Johnston took out the Juniors grade with no competition. Noah VonStanke claimed the Sub Juniors top place.

Alan Jones was the Colin Whitehead Memorial Handicap winner with a total score of 59/50, and got his name placed on the Memorial Trophy.

Thank you to all who attended and congratulations to all the hard working volunteers for another successful event

Memorial winner Alan Jones w Trevor Whitehead

# LAKE BONNEY AUGUST

## ELECTRICAL OYSTERS 75 TARGET EVENT

There were 58 shooters at the Electrical Oysters 75 target event at Lake Bonney Sporting Clays. There were a wide variety of targets to challenge both local and travelling shooters in near perfect weather conditions.

Danny Bellinger took out Highgun with a score of 69 /75. A shoot off was needed to place Kingston shooter Parker first in AA grade ahead of sponsors Mick Banning in second and Tom Weir in third.

Mick Brennan won A grade with a score of 62/75, just one target in front of both Romain Devaud and Robin Smith, after a shoot off Robin claimed second and Romain third.

B grade was a close competition with Fale Fabris taking first with 61/75, second went to Peter Cook on 60/75 and Cliff Lee placing third with a score of 59/75.

South East shooter Charles Wallis claimed first place in C grade with a score of 48/75, a three way shoot off was needed to separate Matt Collins, Michael Gates and Plum Werchon, all finishing the competition with 46/75. The first round of the shoot off saw local Plum Werchon eliminated, after a second round Matt Collins claimed second in the grade and Michael Gates third.

Seniors was won by local Mark Fabris with a score of 66/75, just one target ahead of second placed Tony Sellars.

The Veterans grade was won by Wayne Evans with a score of 63/75, second went to Ernie Scheidl on 59/75, and a count back placed Geoff Lowe in third

Tasha Bellinger took first in the Ladies grade with a score of 64/75, second went to Charlotte Devaud with 56/75 and Bec kober rounded out the top three with a score of 46/75.

The Juniors grade went to Ayden Nolte with a score of 51/75.

Thank you to all the competitors who attended, and congratulations to all the hard working volunteers for a very successful event

B Grade Dale Fabris, Peter Cook

C Grade Matt Collins, Charles Wallis

Ladies Bec Kober, Charlotte Devaud, Tasha Bellinger

Sub Juniors Ayden Nolte

## SOUTH EAST MAY 75 TARGET EVENT

Perfect autumn weather greeted the 60 Sporting Clays competitors that nominated for the recent 75 Target event held by South East Field & Game Association. The event was sponsored by Fox & Lillie Rural, Water Dynamics Mt Gambier, Beljon Pastoral and Collins Court Butchers. The targets were set by Ken Atkin and his hard working crew.

The event also doubled as the Second Leg of the Lake Bonney/ Burrungule Challenge, The South East Members retained the trophy after overhauling a 10 target deficit from the previous week at Lake Bonney SC. Jeremy Kent shot 74/75 on some challenging targets to claim the Flemo's Ammo monthly High Gun.

AA Grade Jamie Dunn, Gavin Dyson & Dougal Simson

Veterans Ron Rhook, Neville Kent & Ernie Scheidt

Ladies Tasha Bellinger, Nicole Dunn & Darcie Kuhl

C Grade Michael Gates, Robert Simson & Charles Wallis

Seniors Bill Dyson, Ken Atkin & Chris Wright flanked by sponsor Fox & Lillie

SEFGA President Scott Fleming receiving the Inter club challenge trophy from Lake Bonney SC Vice-President Craig Smith

A Grade Matt Jones

Sub Juniors Noah VonStanke-Dowie & Harry Simson

B Grade Duane Dyson

## BURRUNGULE JUNE LIFE MEMBER MEMORIAL EVENT

On a sunny but cool morning of Sunday 22nd June 2025, 50 competitors came together to contest the Garry Clifford Trophy at the Life Member Memorial Shoot, 50 Target Sporting Clays.

Congratulations to Emma Lawford, who won Handicap High Gun, therefore takes out the Garry Clifford Trophy.

Congratulations to Both Leigh Dunn and Ken Atkin, who won Off the Gun High Gun. They decided, rather than shooting it out, they decided to share their winnings and meet at the end of the year with other competition high gun winners and let the Champions of Champions decide who the better shot is.

Following such an enjoyable day, and after presentations, the competitors enjoyed a BBQ with thanks to Leigh Dunn, who in this case was the chief cook.

We look forward to seeing you all on the 4th weekend of July, where there will be a 75 Target competition, not a 50 Target Event.

Handicap High Gun: Emma Lawford.

# 2025 TASMANIAN STATE CHAMPIONSHIPS

## HOSTED BY NORTHERN MIDLANDS SPORTING CLAYS

On Saturday and Sunday, the 23rd and 24th of August, Northern Midlands Sporting Clays proudly hosted the 2025 Tasmanian State Championships at their stunning new grounds in Pipers River, Turners Marsh. Shooters from across Tasmania – and even further afield – gathered for a spectacular weekend of competition, camaraderie, and celebration of the sport.

The weather couldn't have been better, providing perfect Tasmanian winter sunshine for both days. Day 1's targets were designed to challenge even the most seasoned shooters, while Day 2 brought a more relaxed setup, creating a balanced weekend of shooting that catered to all skill levels.

This event wasn't just about competition – it was a true celebration of sporting clays culture. Shooters caught up with friends, swapped stories, and enjoyed the warm, welcoming club atmosphere that Northern Midlands Sporting Clays is known for.

### Highlights of the Championships

A total of 200 targets tested competitors across the two days, with targets thoughtfully set by Paul and Tony. Their hard work, along with the dedication of the committee and volunteers, ensured an excellent flow to the shoot. The new venue, nestled just 20 minutes from Launceston Airport, proved a huge success, offering both challenging terrain and accessibility for local and interstate competitors.

The star of the weekend was Alex Grodski, who shot an impressive 175/200 to take out High Gun honours. Day two saw some exciting shoot-offs, particularly in the Seniors category, where Paul Rigby claimed second place after a nail-biting head-to-head against Jason Towns.

Visitors from multiple Tasmanian clubs and Furneaux Field Game on Flinders Island added to the weekend's atmosphere, demonstrating the community spirit that makes this sport so special.

### Event Atmosphere and Thanks

The kitchen, led by Tammy Morosini, was a crowd favourite all weekend, keeping shooters well-fed with hearty meals and warm drinks. Behind the scenes, members and supporters worked tirelessly to fill traps, move pads, and ensure the event ran smoothly. Special thanks also go to Matthew Baldock and his daughter Mikenzie for their invaluable help in the office, and to Natalie Mayne and Paul Dodds for running the raffle.

This event wouldn't have been possible without the generous support of sponsors, especially The Sports Hut, who supplied incredible prizes for all grade winners. Northern Midlands Sporting Clays is deeply grateful for this backing, along with every other sponsor who contributed to making the event a success.

### Looking Forward

This State Championship marked a significant milestone for Northern Midlands Sporting Clays. Having faced challenges, including a recent relocation due to a landowner's non-toxic shot requirement, the club has proven its resilience and commitment to the sport. The Turners Marsh ground has already shown great promise, and the club is excited to continue building its reputation as a premier Tasmanian shooting venue.

Future plans include hosting more major events, attracting interstate shooters, and providing a welcoming environment for anyone wanting to try sporting clays. The club extends a warm invitation to shooters from across Australia to visit the new grounds – only a short drive from Launceston Airport, making it an easy and rewarding trip for competitors nationwide.

With community spirit, passionate volunteers, and the dedication of its members, Northern Midlands Sporting Clays is looking ahead to an exciting future.

### Winners' Circle

High Gun: Alex Grodski – 175

AA Grade:

1st – Adam Crick

A Grade:

1st – Dwayne Evans

2nd – Brett Smith

3rd – Richard Triffett

B Grade:

1st – Tony Blyth

2nd – Adrian Phillips

3rd – Cameron McCarthy

C Grade:

1st – John Pickup

2nd – Dirk Webb

3rd – Patrick Oliver

Seniors:

1st – Anthony Sheriff

2nd – Paul Rigby

3rd – Jason Towns

Veterans:

1st – Ray Groves

2nd – Sandy Gibson

3rd – Jack Choraziak

Ladies:

1st – Sally Ridgway

2nd – Melissa Wheatley

3rd – Cassandra Gagan

Juniors:

1st – Saska Grodski

2nd – Noah Flint

25 Break Badges: Nick Brown & Alex Grodski

Lucky Door Prize: Craig Dawkins

Raffle Winners:

1st – Tony Blyth

2nd – Chris Jordon

## THE SPORTS HUT

### SUPPORTING SHOOTERS, SUPPORTING TASMANIA

A big part of what makes shooting sports in Tasmania thrive is the strength of its community – and no one demonstrates that better than The Sports Hut. From humble beginnings as a small store on George Street back in the 1980s, The Sports Hut has steadily grown alongside the shooting community it serves. Over the years, it expanded to a larger 600m<sup>2</sup> space on Invermay Road and today proudly operates from a 1,500m<sup>2</sup> store at 5 Doyne Street, Invermay – an impressive space packed with everything a shooter or outdoor enthusiast could need.

Locally owned and proudly Tasmanian, The Sports Hut has become a go-to destination for hunters, clay target shooters, and adventurers alike. Stocking an extensive range of firearms, ammunition, optics, accessories, outdoor gear, and clothing, the store offers more than just products – it's a place where customers can get trusted advice, connect with like-minded people, and feel part of a long-standing tradition of shooting in Tasmania.

What sets The Sports Hut apart isn't just the size of the store, but its commitment to giving back. For decades, the Sports Hut team have supported clubs and events right across Tasmania, providing prizes, sponsorship, and encouragement to shooters of all levels. Northern Midlands Sporting Clays is proud to have The Sports Hut as a key sponsor and grateful for their ongoing contributions to the sport – not just for our club, but for many others across the state.

For shooters visiting Tasmania, The Sports Hut is well worth a stop. Whether you're looking for the latest gear or simply want to explore a store built by people who are passionate about shooting and the outdoors.

# Gympie Sporting Clays – 50th Anniversary Shoot

The Gympie Sporting Clays Club celebrated its 50th Anniversary Shoot on 30–31 August, with 66 competitors from Queensland, Victoria, and New South Wales taking on a challenging 150-target course.

**Michael Lucas** claimed High Gun, while **Dennis Dinte** shot the weekend's only 25 straight—a remarkable feat on such a tough layout. Excitement peaked with the ATA Arms gun giveaway, where **Brenda Murphy** walked away with a brand-new shotgun.

Life members **Paul Rigoni** and **Curly (John Lewis)** cut the 50th Anniversary cake, adding a sweet touch to a weekend filled with camaraderie, competition, and celebration.

The event also showcased the vision of the new committee, **Leah Coxhead** – President, **John Boote** – Vice President and **Darren Roach** - Treasurer. Leah made history as the first female president of the club and in Queensland, bringing fresh energy for Gympie Sporting Clays. Plenty of positive feedback flowed over the weekend, including recognition from a respected figure in the sport who noted that under the new committee,

***“Gympie Sporting Clays is back on the map”***

A huge thanks to our sponsors: ATA Arms, NIOA Australia, FSB Ammunition, Drover Ag, Paul King Auto Repairs, Topshot Industries, Owen Guns, Groves Plumbing & Septic Solutions, First Shot Training Solutions, Yes Plumbing Co, Coates Hire, OSA, Shaws Meats, SPIKA, and Tony Perrett MP.

Our 50th Anniversary Shoot was more than just a competition—it was a celebration of the past, present, and future of sporting clays in Gympie. We look forward to welcoming everyone back next year for another memorable event.

# QUEENSLAND SPRING UPDATE

Welcome QSCA members to the Spring 2025 news update on the happenings around the State.

Welcome to the Northarm Shotgun Association. The recent advancement of QSCA has moved forward with the addition of another Club, Northarm Shotgun Association. The members of Northarm decided to come on board with QSCA to expand their operation in Sporting Clays. This is great news for our sport in the South East Queensland area which now has Sporting Clay cover available between Brisbane & Gympie areas.

## Northarm Shotgun Association

The addition membership to QSCA of the Northarm Shotgun Association was a very welcome addition as another venue to shoot Sporting Clays with the growth to QSCA membership numbers. Numbers talk - If we are to secure our Sport going forward into the future, there is nothing more positive to protect firearm ownership than being able to talk from strength.

## Do Membership & Club Numbers matter?

Yes they do – a prime example of lack of numbers comes to mind when Queensland lost Duck shooting all those years ago. The Qld Government of the day came under intense pressure from the antis to ban Duck shooting in our State. They reviewed & used the quoted low number of Duck Licenses purchased in their records for the last year prior to banning it. From memory the licence purchase for the year was less than 40(?) duck Licenses. This data was used to show duck shooting did not have a following & was an easy fruit to pick off by the antis. It was no good complaining to the Shooting Associations for no standing up for the sport as there was no ammunition in our cupboard to use in a discussion with the Qld Government to keep the sport going. We would encourage anyone to join QSCA (or any shooting body if they do not shoot Sporting Clays) & keep firearm ownership where it should be. We can talk from a position of strength if we have the numbers.

QSCA State Titles Childers Sporting Clays High Gun – Damien Birgan

QSCA State Titles Childers Sporting Clays

# QSCA STATE TITLES CHILDERS SPORTING CLAY

## AUGUST 2025

Childers Sporting Clays have made significant improvements to their grounds with addition of a new Club house and toilet block. The groundworks are in place for a future addition of shower facilities for their own to use.

The Prize table was overflowing this year – Gracious thanks to the Sponsors for the QSCA 2025 State Titles – Outdoor Trading Company (OTC) - Mark Cain (The Gov) - QSCA – FSB Ammunitions (Free Nominations for our Juniors)

The new committee & team at Childers certainly put on a professional event with no detail left unchecked. The fill up teams were on the go all day filling & clearing any breakages from the traps when they occurred. The team cooking up the BBQ kept everyone fed. The scoring side was also kept updated quickly throughout both days keeping the phones buzzing as competitors (& others outside) reviewed the live action.

The targets were another culture awakening for members attending. The layouts made good use of the new terrain with each ground offering different trajectories & background for both days. If competitors though this was just going to be a walk in the park they had a culture shock. Without doubt the targets thrown had many elements of a National & International event. I do not say this lightly, the targets were exemplary in their design & execution. Clever flight paths that had you misreading what the clay targets were doing. Well done Childers Sporting Clays, this was a very well organised competition with brilliant targets that made you work for your score.

After a couple of shoot offs (one in B Grade & one in Veterans) & the presentations everyone was on their way home long before dark.

Good to see a few of the old faces coming back in to it. Well done to High Gun Damien Birgan & also to Paul Adams who led the event on Saturday. Its getting competitive in Queensland as we go forward in to 2026.

At the conclusion of the 2025 State Titles in Childers the QSCA 2025 State team selected to represent us at the 2025 Nationals being held at Brisbane Sporting Clays will be: Open - Damien Birgan - Dan Davis - Paul Adams - Dennis Dinte Senior - Peter Tobin - Junior - Jack Davis – Lady - Georgia Rogers

# ONE GUN TO RULE THEM ALL

Poise. Performance. Precious.

The Fabarm Elevate Syren isn't some pink-washed, scaled-down knockoff. It's a serious competition shotgun built from the ground up for female athletes who demand performance, adaptability, and head-turning good looks on the layout.

## Trap? Skeet? Sporting? Just Say Yes.

With Fabarm's clever QRR (Quick Release Rib) system, you don't need multiple shotguns to dominate multiple disciplines. Use the 65/35 POI Rib for Trap or the 50/50 POI Rib and hammer clays in Skeet and Sporting. The same stock, same feel, same crush-the-target confidence—every time.

Paired with a perfectly proportioned Syren stock designed for the female form (finally), and Fabarm's TRIBORE HP barrels, you'll find balance, swing speed, and recoil control that make your competitors wish they had your gun—or your results.

## One shotgun. All disciplines. Maximum flex.

# GUNBAR

# AUTUMN NEVER LOOKED SO GOOD

**Italian-crafted side-by-side elegance, for gentlemen who value tradition and performance.**

When a shotgun becomes more than just a tool, it enters the realm of art — and that's exactly where the Fabarm Autumn Elite belongs. Hand-finished in Italy, this exquisite side-by-side is a seamless blend of heritage and innovation, created for the gentleman who demands both form and function.

Available in both 12GA and 20GA, the Autumn Elite is a study in refinement: rich, oiled walnut that's a pleasure to hold, finely engraved steel that celebrates Italian craftsmanship, and balance that makes every swing feel effortless. Whether in the field or on the clay ground, it delivers precision and poise with every pull of the trigger.

This isn't a shotgun for the ordinary sportsman — it's for those who appreciate tradition, elegance, and the quiet confidence that comes with owning something truly special.

Fabarm Autumn Elite. Made in Italy. Built for gentlemen who know the difference.

## A JOURNEY ACROSS THE GLOBE: MY SPORTING CLAYS EXPERIENCE JACK DAVIS

My journey overseas was full of unforgettable learning experiences, challenging moments, and new friendships that I will carry with me for a lifetime.

Leading up to my departure, I was a mix of excitement and nerves. The thought of traveling across the globe to compete in the two most prestigious sporting clays competitions — including one hosted in the very birthplace of sporting clays — was surreal. It was the kind of opportunity you dream about as a young shooter.

Competing at the English Sporting World Championships at E.J. Churchill's (Buckinghamshire) and the FITASC World Championships at Kornos in Cyprus was a true eye-opener. The difficulty and technicality of the international targets pushed me far beyond my comfort zone. These were not the targets I was used to back home — they were faster, further, and more unpredictable. Each course demanded a new level of focus and adaptability.

But it was not just the shooting that made this trip unforgettable.

The range of competition was incredible, with shooters from every corner of the world. And beyond the range, the thrill of exploring new countries, cultures, and cuisines made the experience even richer.

Adventuring through the English countryside shooting at grounds such as Bisley, Westfield, Bedfordshire (the High Tower Challenge definitely challenging!) and along the Mediterranean coast with my family created memories we'll never forget. Thanks to my dad Dan and to Missy for making this possible.

One of the absolute highlights was the chance to shoot at the prestigious Holland & Holland Shooting Grounds in England. Known worldwide for its history and excellence, stepping onto those immaculate grounds was like entering a piece of sporting clays royalty. The professionalism, the attention to detail, and the atmosphere made it an experience I'll never forget. It was an honour just to be there — and it gave me a glimpse into the heritage and tradition that the sport has overseas, and I will be forever grateful to Jason Pollock for organising this incredible

experience, and for Bruce the Pom getting the professional shooting instructors with us to do a "flush shoot" of clays! Great fun.

Another unforgettable moment was spending my 16th birthday at Miller & Co Steakhouse Beaconsfield. Michael and Simone Lucas, whose generosity and support enabled this journey possible. It was a special night — good food, great company, and a moment to reflect on how far I had come, even at such a young age. Sharing that evening with people who believe so deeply in supporting juniors like myself meant the world to me.

From England we headed to Cyprus for the FITASC World Championships (Don't ask Dad or Missy about LOT Polish Airlines... Not Happy Dan!) and the contrast was immediate.

The moment I stepped off the plane, it felt like I had walked straight into a sauna. The average temperature was 43°C (109°F) — dry, intense, and relentless. It was a whole new kind of challenge, one that tested not only my shooting ability but my endurance, hydration, and mental focus. Every day felt like a battle against the heat as much as the targets.

Despite the heat, Cyprus was an incredible experience in every way. When we were not on the range, we spent time traveling along the beautiful Mediterranean coastline soaking in the sun, the scenery, and the local culture. I also had the chance to try some of the local seafood cuisine, which was awesome and some of which I'd ever tasted before, and again another reminder of how travel can open your senses as much as your perspective.

To top it all off I had the chance to meet some of my idols, the shooters I had only ever seen behind a screen! Talking with legends like Ben Husthwaite, George Digweed, Brandon Powell, and Derick Mein was both humbling and inspiring. They were incredibly generous with their advice and encouragement, and those conversations left a lasting impact.

I am truly grateful to FSB Ammunition, The Lucas Bursary, my dad, Dan, Missy & Ben Husthwaite for making this trip possible — not just for me, but for many other juniors chasing their dreams in the sport.

Their support gave me a chance to explore the world and its diversity through the lens of international competition.

This journey was more than just a shooting trip it was a life-changing experience that opened my eyes to what is possible in this sport, and how far passion and dedication can take you.

## QSCA STATE TITLES - ENGLISH SPORTING

### GOLD COAST CLAY TARGET CLUB SEPTEMBER

The Final QSCA State event for 2025 went off with a bang on Sunday with a good turn up with 89 competitors there. Considering the event fell on Father's Day everyone must have been treating their dad to a day's shooting.

Gold Coast put on a good selection of targets, with Close & distance to cover off a perfect nice sunny Spring Day in South East Queensland.

Many thanks to the Club & the tireless workers that kept the scores running in the office, the traps filled with targets & the canteen keeping the shooters fed.

After the final shot the High Gun for the day was Damien Birgan with 95/100 for the win.

So that is a wrap for the 2025 Season for the State Events.

By the time you receive this edition of the SCA Magazine the SCA Nationals for the English Sporting event (being held at Gold Coast Clay Target Club) & The Sporting Nationals (Being held at Brisbane Sporting Clays mid-October will be finished. Good luck to the SCA State Team & all our members going to help make these back-to-back events a success.

To both QSCA Clubs that took on these National competitions, a very big thank you for the time & effort that goes into the presentation of these events, it is a major undertaking & if past events are anything to go by they will both be a success

# ECHIDNA PARK SPORTING CLAYS

## 2 DAY SHOOT – JUNE LONG WEEKEND

We kicked off the weekend with an English Sporting side event on the Friday afternoon and unlimited re-entry until Saturday afternoon, which proved to be a popular event with plenty of healthy competition to try and win the \$500. Saturday the first of our main events was the GNRS Prowater100 with 81 Shooters, a variety of targets for all shooters, plenty of banter and some tight competitions around the grounds which saw an impressive 9 25 Break badges at the end of the days events, including first 25 breaks for Barry Bolitho of Hastings and Oliver Hill from Wanneroo.

Day 2 was our 3rd State Qualifier on Sunday with 89 Shooters across the grounds and another 4 25 Break badges. Congratulations to Luke Turner for taking out the Highgun on both days, Oliver Hill for the Win in the English Sporting Side Event and Shayne Hill got the Handicap HG from Saturday's event, nabbing himself the Custom Castellani Vest, from All Scope Clay Sports.

A HUGE shoutout to all the sponsors - Great Northern Rural Services (Dennis Family) for Saturday's prizes and free dinner and B-Tech (Tim Blakeney) for the English Sporting prizes. Our EP Course setting team did another great job with special thanks to Moora members Bruce and Boodg for travelling up the weekend prior to help set a course that was enjoyable and accessible for all members. The EP Kitchen/Bar/Office team & State Team Stacey/Ken for doing the office on Sunday. A heartfelt thanks to our non-EP Kitchen Helpers: Penny Dodd, Anne Thomas & Ally Jones who jumped in to help in Tania & Meri's absence and ran the show like a well oiled machine & Penny Grant and Craig Ellis for stepping in to sort coffees.

Thanks to Wanneroo members Andrew Buzzacott and Olly Hill for sorting the shell bins on Saturday arvo while our course setters were racing the sunset to reset for Sunday. As always we appreciate all the help with pack up at the end of the weekend which comes in droves from members across all our SCA clubs. One of the most enjoyable aspects of our sport is how everyone pitches in and lends a hand to take the pressure off the clubs and their volunteers running the events and we can't thank you all enough. We hope everyone enjoyed their weekend with us.
